What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has registration requirements, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws and require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Special Risks to Consider About *This Franchise*

Certain states require the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation filed in any state or federal court of general jurisdiction in Sarasota County, Florida. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Florida than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Mandatory Minimum Payment.** You must make mandatory royalty payments and other payments regardless of your sales levels. Your inability to make these payments may result in termination of your franchise and loss of your investment.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state require other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

FYZICAL® Centers offer physical therapy programs and a broad range of other wellness related services to improve physical function and the quality of life its patients. We are not engaged in any business other than the offering of FYZICAL® Center franchises. We began offering franchises on July 15, 2013.

Under a separate disclosure document, we offer franchises to qualified individuals to serve as our area representatives and solicit prospective franchisees for FYZICAL® Centers. Since February 2015, we have sold a limited number of area representative franchises. As of December 31, 2023, we had 52 area representatives. We neither own any FYZICAL® Center or any area representative business. While our affiliates do not own or operate any area representative business, they do own and operate FYZICAL® Centers. As of December 31, 2023, certain of our affiliates owned and operated 60 FYZICAL® Centers in the United States.

Except as disclosed above, we do not conduct or offer franchises in any other lines of business. Except as disclosed above, we have not conducted or offered franchises in any other line of business.

Parents, Predecessors and Affiliates

We do not have any predecessor.

Our parent, Fyzical Acquisition Holdings LLC (“Parent”), was formed as a Delaware limited liability company on December 15, 2017 and shares our principal business address. Parent was formed to invest in us and certain of our affiliates by New Harbor Capital Fund II, LP and New Harbor Capital Fund II-A, L.P., investment funds that are part of New Harbor Capital, LLC.

Our affiliate, The Provider Connection, LLC, provides billing services to FYZICAL® Centers owned and operated by our affiliates and by our franchisees. The Provider Connection, LLC has been in the business of providing medical billing services since August, 2005, and was acquired by our affiliate in

August, 2021. Its principal business address is 3385 Founders Club Drive, Sarasota, FL 34240. It does not offer franchises.

We do not have any other affiliates that provide products or services to our franchisees, or that offer franchises in any line of business.

The Franchise Offered

The FYZICAL® Center that you will establish and operate will be referred to in this disclosure document as your “**Center**” or “**Business.**” You will acquire a license to use certain logos, service marks and trademarks designated by us, including the trademark and service mark “FYZICAL®” (collectively, the “**Marks**”) and proprietary systems, procedures and technology in the operation of your Center. The “**Marks**” also include our distinctive trade dress used to identify FYZICAL® Centers, whether now in existence or created in the future. You will operate your Center in accordance with the Franchise Agreement in the form attached to this disclosure document as Exhibit “A” (the “**Franchise Agreement**”).

We may also grant multi-unit development rights to qualified franchisees who agree to open and operate at least five FYZICAL® Centers. These franchisees may then develop such FYZICAL® Centers within a defined territory according to a pre-determined development schedule. These franchisees may open and operate their FYZICAL® Centers directly or through controlled affiliates. These development rights will be granted to these franchisees pursuant to a Development Rights Rider to their Franchise Agreement, a form of which is attached to this disclosure document as Exhibit “C” (the “**Development Rights Rider**”). Franchisees who agree to a Development Rights Rider will pay us a development fee equal to \$49,000 (the initial franchisee fee for the first FYZICAL® Center) plus \$49,000 for each additional FYZICAL® Center to be developed. Franchisees who enter into a Development Rights Rider will receive a discounted royalty as described further in Item 6, so long as they are in compliance with the Development Rights Rider and all other franchise agreements then in effect between them and us for FYZICAL® Centers. Franchisees signing our Development Rights Rider must sign our then-current form of Franchise Agreement for each additional FYZICAL® Center they develop under that Development Rights Rider. While that form may differ substantially and materially year to year from the first Franchise Agreement they sign for their first FYZICAL® Center to be developed (and our current version of Franchise Agreement is disclosed in this disclosure document), we commit to keep the Royalty the same as in the first Franchise Agreement signed for each FYZICAL® Center developed under the same Development Rights Rider unless the franchisees are not then in full compliance with the Development Rights Rider and all other franchise agreements then in effect between them and us for FYZICAL® Centers. If that is the case, then the Royalty specified under our then-current form of franchise agreement (if different) will not be modified for the initial franchise term for the franchisees’ new FYZICAL® Centers.

FYZICAL® Centers are characterized by a system (the “**System**”) which includes our methods and procedures for the establishment, management, and operation of FYZICAL® Centers, including our logos, concept, style, trade secrets, proprietary formulas, programs and products, confidential operations manuals and operating system. The operational aspects of FYZICAL® Centers are contained within our confidential operations manual (collectively, the “**Manuals**”). You will operate your Center as an independent business using the Marks, the System, the “FYZICAL®” name, as well as the support, guidance and other methods and materials provided or developed by us.

Your Center will have one or more licensed and qualified physical therapists (referred to as “**Licensed Professionals**”). You (if you are a Licensed Professional) or other Licensed Professionals engaged by you will be involved in the operations of your Center in accordance with your state’s laws and regulations, your Franchise Agreement, and the Manuals. The Franchise Agreement will not interfere, affect, or limit the independent exercise of medical judgment by the medical staff.

A FYZICAL® Center that is developed as a new independent business will be referred to in this disclosure document as a “**New Center**”. An individual or business that converts its existing physical therapy or wellness center to a FYZICAL® Center under our conversion program (a “**Conversion Center**”) is required to sign the form of Conversion Addendum to Franchise Agreement attached as Exhibit “D” to this disclosure document, which will modify certain provisions of the Franchise Agreement.

If you add a FYZICAL® Center to your MD or other medical practice, then your Center will be referred to as an “**MD Affiliate Center**”. Unless otherwise specified, all references to FYZICAL® Center in this disclosure document will include New Centers, Conversion Centers, and MD Affiliate Centers.

Market and Competition

The target market for FYZICAL® Centers is individuals seeking physical therapy, rehabilitation therapy, speech therapy, pain management, and/or balance programs. Your Center will compete primarily with other centers and facilities that provide physical therapy, rehabilitation therapy, speech therapy, pain management therapy, and balance programs. The market for the services provided by FYZICAL® Centers is well-established and highly competitive. However, we believe we have distinguished FYZICAL® Centers due to our individualized physical therapy programs, state-of-the-art facilities and proprietary systems, procedures and technology.

Laws and Regulations

You will comply with all federal and state licensing and other regulatory requirements relating to the operation of your Center. In addition to laws and regulations that apply to businesses generally, you will comply with all health care regulations under federal, state and local laws that apply to the management and operation of a FYZICAL® Center. You will be required to secure and maintain in force all required health care licenses, permits and certificates relating to the operation of your Center and the other licenses that apply to any Licensed Professionals or other employees.

Various federal and state laws regulate the privacy and security of patient health care information. For example, under the federal Health Insurance Portability and Accountability Act (HIPAA), as amended by the federal Health Information Technology for Economic and Clinical Health (HITECH) Act, healthcare providers will keep patient health care information confidential and only disclose such information to third parties when requests are properly submitted. In addition, you will ensure the privacy and security of patient health care information you share with any “**business associate**” as defined under the HITECH Act, such as service providers, attorneys, or third-party insurance billing companies. Many states also have laws regulating the privacy and security of patient healthcare information. These state laws may impose further restrictions on obligations related to the privacy and security of such information.

We do not intend for our licensing or franchising of, or providing services to, FYZICAL® Centers to constitute our engagement in the practice of medicine, physical therapy, massage or any other profession requiring specialized training, certification or licensure, including the ordering of any test, diagnosis or treatment of any individual whatsoever (collectively, the “**Practice of a Profession**”). The Practice of a Profession in any manner provided through your Center will only be performed by qualified and licensed physical therapists or other properly trained, certified and Licensed Professionals. In some states, operation of, or operation of certain aspects of FYZICAL® Centers, may be considered the practice of medicine or other forms of the Practice of a Profession and may or may not require a medical or some other form of professional license or certification which you may be required to obtain, or some other form of license or certification your personnel will obtain before your or their operation of your Center.

You should check the various state and federal laws and regulations governing: the practice of medicine and other professions; patient privacy and other areas related to medical, diagnostic, or health and wellness procedures therapies, treatments, tests or screenings; physician and patient referrals, and certain entities involved in the field of medicine and other fields of the Practice of a Profession.

If you operate in a jurisdiction that regulates the Corporate Practice of Medicine, you may be prohibited from employing a licensed physical therapist directly or from providing physical therapy services directly to the public unless you are a physical therapist. Instead, you may need to enter into a lease, management services or comparable agreement with the physical therapist (or the professional's business entity) to arrange for the provision of physical therapy services. If you are located in such a state, you are responsible for preparing an agreement that complies with your state's laws.

In addition, you should be aware that in jurisdictions that regulate the Corporate Practice of Medicine, accounting rules will determine how you may recognize physical therapy revenues as part of your gross collected revenues.

A physical therapist's operation of a physical therapy practice is subject to comprehensive professional licensing and registration requirements. In addition, many states have physical therapy boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. These requirements often apply to both the individual professional service provider and the professional's business entity. As a condition to a physical therapist's licensing requirements, the physical therapist (or the professional's business entity) may need to obtain and maintain a minimum amount of professional liability insurance. The Franchise Agreement and Manuals prohibit you from employing any person in a position that requires a license or permit unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files.

There may be other local, state and/or federal laws or regulations pertaining to your Center with which you will comply. We strongly suggest that you investigate these laws before investing in this franchise.

We require all Centers to comply with all federal, state, and local guidelines for safety, which may currently require you to meet heightened sanitation standards, provide face coverings to staff or patients, screen employees and patients for health issues, install protective shields and other barriers, close or limit capacity in common and public spaces, and/or post additional signage at your Center.

ITEM 5 INITIAL FEES

Initial Franchise Fee

If you opt to open 1 Center, you will pay us an initial franchise fee of \$49,000 for your Center. However, if you enter into 2 or more Franchise Agreements concurrently to open 2 or more Centers (i.e., you enter into two or more Franchise Agreements at the same time), you will pay us an initial franchise fee of \$49,000 for the first Center, \$35,000 for the second Center, and \$20,000 for the third and each additional Center. If you agree to open and operate at least 5 Centers pursuant to a Development Rights Rider, you will pay us a development fee equal to \$49,000 (the initial franchisee fee for the first Center) plus \$49,000 for each additional FYZICAL® Center to be developed.

We will fully earn the initial franchise fee and development fee, if applicable, when you pay it, and unless otherwise agreed you must pay us the initial franchise fee and development fee, if applicable, in one lump sum when you sign the Franchise Agreement. The initial franchise fee and development fee, if applicable, is non-refundable.

If you are an existing FYZICAL® franchisee and meet certain credit requirements, we may finance up to 80% of the initial franchise fee. The annual interest rate is 9.8% and is paid over a 36-month period of time. (See Item 10)

In support of our veterans, we reduce the initial franchise fee for the first Center by 10% for qualified veterans. The qualified veteran needs to have majority ownership in the franchised business to receive this discount on the initial franchise fee. We reserve the right to modify this program at any time.

In addition, we may reduce or discount the initial franchise fee from time to time, at our discretion, for various promotions and incentive programs and to encourage prospective franchisees to join our System. During the 2023 fiscal year, the amount of the initial franchise fees paid to us varied from \$20,000 to \$49,000 per Center based on the population of Protected Area granted to those franchisees, and the number of units owned by the franchisees. We may continue to offer reduced or discounted initial franchise fees for conversions, to existing medical practices and as we determine appropriate.

Grand Opening Marketing Fund

You will pay us an amount (the “**Grand Opening Marketing Fund**”) to be used for the initial advertising, marketing and public relations programs and materials that we deem necessary or appropriate, in our sole discretion, in connection with the opening of your Center and for the first five months after your Center’s Opening Date. Your Grand Opening Marketing Fund will be such amount as determined by us, will be set forth on Attachment “L” of your Franchise Agreement, and is expected to be at least \$5,000 but will not exceed \$18,000. We will electronically debit the amount of your Grand Opening Marketing Fund from your checking account 60 days prior to the date your Center opens for business, and intend to start implementing such advertising/marketing starting 30 days from the date your Center opens for business. We reserve the right to defer or reduce the Grand Opening Marketing Fund for any FYZICAL® Center. If there are unspent monies in your Grand Opening Marketing Fund after your Center has been open for five months, we will distribute the unspent monies to you (within 30 days after the expiration of such five-month period).

NOTES:

(1) Except as described above, all fees and expenses described in this Item 6 are uniformly imposed and non-refundable. Except as otherwise indicated in the chart above, we impose all of the fees and expenses listed above, and they are payable to us. We may, at our option, require you to pay any or all periodic or recurring fees to us by electronic funds transfer.

(2) If you agree to open 5 or more Centers pursuant to a Development Rights Rider, then the Royalty for each Center will be as follows (in each case, so long as you and your affiliates are in compliance with the Development Rights Rider and all other franchise agreements then in effect between you and/or your affiliates and us for FYZICAL® Centers): Year 1: the greater of \$1,000 per month or 3.9% of Gross Revenue generated in the preceding month; Year 2: the greater of \$2,000 per month or 3.9% of Gross Revenue generated in the preceding month; Years 3-10: the greater of \$3,000 per month or 3.9% of Gross Revenue generated in the preceding month. If you or your affiliates are not in compliance with the Development Rights Rider or any other franchise agreements then in effect between you and/or your affiliates and us for FYZICAL® Centers, then the Royalty for each Center will be as set forth in the Franchise Agreement for such Center.

(3) The term “**Gross Revenue**” means all revenue you derive from operating the Center, including, but not limited to, all amounts you receive from any activities or services whatsoever, whether at or away from the Center, including any products or services that are in any way associated with the Marks, and whether from cash, check, barter, debit or credit (regardless of collection in the case of credit), less: (i) promotional discounts or coupons required by us; (ii) patient refunds, adjustments, credits or allowances made by the Center in good faith and in accordance with our policies; and (iii) all federal, state, or municipal sales, use or service taxes collected from patients and paid to the appropriate taxing authority. The proceeds of any business interruption insurance or similar insurance payments you receive to replace revenue that you lose from the interruption of your Center due to a casualty or other similar event will be considered Gross Revenue.

(4) The “**Royalty Commencement Date**” for a New Center or MD Affiliate Center means the 5th day of the fourth full calendar month following the Opening Date (as defined below). The “**Royalty Commencement Date**” for a Conversion Center means the 5th day of the first full calendar month following the Opening Date (as defined below). The “**Opening Date**” means the earlier to occur of: (a) the actual opening date of your Center or (b) 270 days from the effective date of your Franchise Agreement. You will notify us in writing within 48 hours after your Center obtains all necessary licenses and

registrations to provide physical therapy services and provide us with copies of such licenses and/or registrations.

(5) If applicable laws or regulations do not permit payment of Royalty that is based on Gross Revenue, or raise sufficient risk of such payment being held unlawful, then we may require you to pay us (i) a monthly Royalty in an amount equal to \$800 per Therapist, and (ii) monthly Market Fund Contribution in an amount equal to \$133 per Therapist, based on the number of Therapists at your Center during the immediately preceding month. For purposes of the foregoing calculation, “**Therapist**” includes each physical therapist and physical therapist assistant.

(6) The term “**Net Collections**” means all cash receipts or amounts collected by you resulting from your provision of professional services for which a claim was submitted by the provider on your behalf.

(7) If you request us to do so, we may, but need not, provide on-site training or assistance at your Center at a mutually convenient time. If we agree to do so, you agree to pay us a reasonable fee, in an amount to be mutually agreed, and reimburse us for all reasonable expenses that we incur in providing the training or assistance, including travel and living expenses. On-site training that is held in conjunction with regularly scheduled site visits, with no additional expenses, will not require reimbursement. Our Franchise Regional Consultants, area representatives, and our post-open managers may provide onsite support without additional fees. If we provide additional reasonable on-site training or assistance at a mutually convenient time and charge a reasonable fee for unscheduled, on-site training or assistance (e.g., continuing educational courses on demand, not budgeted).

(8) If we license or sublicense any software or technology to you, then you may be charged an initial and ongoing licensing and/or support fees in the amount we designate from time to time. At our request, you and we will enter into a license agreement, in form satisfactory to us, which will govern the terms under which you may utilize such software and/or technology. See Item 11 for additional information regarding your computer requirements. We have an outside vendor for these services.

(9) To efficiently route consumers to your Center both during branding initiatives and for a consistent customer experience, you may be assigned or designated telephone numbers and e-mail addresses that you agree to use in the operation of your Center. You agree to pay a reasonable fee to cover the cost of such numbers and e-mail addresses and our administration and servicing of them. You agree that we reserve the right to control all telephone numbers and e-mail addresses used in the operation of your Center. Additionally, a toll free, 1-800, or centralized telephone number and/or call center services may be instituted for all FYZICAL® Centers, and you agree to pay us or our designated associate support fees in such amount as we designate.

NOTES:

(1) None of the fees payable to us are refundable. We are unaware of any fees payable to third party suppliers that are refundable, although some landlords refund security deposits at the end of the lease if the tenant does not default.

(2) If you opt to open 1 Center, you will pay us an initial franchise fee of \$49,000 for your Center. However, if you enter into 2 or more Franchise Agreements concurrently to open 2 or more Centers (i.e., you enter into two or more Franchise Agreements at the same time), you will pay us an initial franchise fee of \$49,000 for the first Center, \$35,000 for the second Center, and \$20,000 for the third and each additional Center. If you agree to open and operate at least 5 Centers pursuant to a Development Rights Rider, you will pay us (at the time you sign your initial Franchise Agreement) a development fee equal to \$49,000 (the initial franchisee fee for the first Center) plus \$49,000 for each additional FYZICAL® Center to be developed. If you are an existing FYZICAL® franchisee and meet all our criteria for franchisee approval, we may finance up to 80% of the initial franchise fee (See Item 5 & 10).

(3) You may not incur these expenses if we choose to provide training virtually.

(4) The expense of leasing will vary depending upon the size of the premises of your Center (average size ranges from 1,200 square feet to 2,200 square feet but may be smaller or larger depending on the type of your Center), its location, landlord contributions, and the requirements of individual landlords. Generally, the rent will range from \$5 to \$35 per square foot, although your actual rent may vary significantly above or below this range depending on your area and the local market conditions. Landlords typically require security deposits equal to 1 or 2 months' rent and may, in addition, require payment in advance of the first and/or last (or more) month's rent. The total estimated initial investment shown in the chart above includes 3 months' rent. The chart for Conversion Center does not include any amount for lease and security deposit because the Conversion Center franchisees will not incur this startup costs. Some franchisees may prefer to own their Center. The costs of purchasing a Center vary so widely that we cannot reasonably estimate the cost.

(5) The leasehold improvements and build-out costs amount mentioned above may vary widely based upon a number of factors, including, the location of the Center, the size and condition of the premises, whether or not there are any existing leasehold improvements and whether the landlord will contribute to the cost of the improvements. The low-end of the estimate for Conversion Center assumes that you are converting an existing business to a FYZICAL® Center and will conform the existing premises to our standards and specifications.

(6) We do not require that FYZICAL® Centers have a security system, but we do recommend that you have one. The low end of the estimate for Conversion Center assumes that you already have a security system.

(7) For Conversion Center, we assume that the furniture, fixtures and equipment at your existing facility are suitable and can be used in the operation of your Center.

(8) The estimated cost of insurance coverage required by the Franchise Agreement will vary significantly based on your location, and the claims experience of commercial businesses in the area, as well as your claims experience in other businesses you operate. See Item 8 for the description of the required insurance.

(9) We are not aware of any established longer “reasonable period” for our industry, so our disclosures cover a 5-month period, except in the case for Centers open with a Clinical Director (for which our disclosures cover a 9-month period). We relied on our affiliate’s experience operating FYZICAL® Centers to compile these estimates. These amounts are minimum recommended levels to cover operating expenses, including employee salaries, for 9 months (in the case of Centers open with a Clinical Director) and 5 months (for all other Centers). You may require additional working capital if your sales are low or if your fixed costs are high.

(10) The estimate for Additional Funds under Table A assumes that either your Operating Principal is a Licensed Professional or you or at least one of your owners who is a Licensed Professional will be involved in the day-to-day operation of your Center.

(11) The estimate for Additional Funds under Table B assumes that neither your Operating Principal nor you or any of your owners are Licensed Professionals. Therefore, you will need additional funds to hire a Clinical Director to perform services at your Center.

(12) These estimates assume that if you select the Conversion Center option you may already have some of the equipment, furniture, fixtures, business licenses and other items needed to operate a FYZICAL® Center. If you are opening a new FYZICAL® Center or adding a FYZICAL® Center to your existing MD or other medical practice, your costs will be higher (see chart for “Your Estimated Initial Investment - New Center” above). Franchisees that convert an existing physical therapy or wellness center to a FYZICAL® Center do so pursuant to the Conversion Addendum to Franchise Agreement (form attached as Exhibit “D” to this disclosure document), which modifies certain portions of the Franchise Agreement. The estimated initial investment set forth above will be incurred for each Center established under a Development Rights Rider.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases from Us

Our affiliate, The Provider Connection, LLC, received revenue in 2023 in the amount of \$1,568,460 for medical billing services provided to FYZICAL® Centers operated by our franchisees, which represents 10.36% of our total revenue (\$15,136,865) in 2023. In 2023, we and our affiliates did not receive any other revenue or other consideration from the sale of products or services to franchisees, but we may do so in the future. Other than medical billing services provided by our affiliate, you are not currently required to purchase any other products or services from us or our affiliate; however, (i) we reserve the right to do so in the future, and (ii) for group purchasing, quality control or other benefits, we and our affiliates may be the sole or one of the approved suppliers for any products or services utilized in the operation of FYZICAL® Centers.

Approved Suppliers

You agree to purchase or lease all products, supplies, equipment (including computer hardware and software), services and other items specified in the Manuals from time to time. If required by the Manuals, you agree to purchase certain goods and services only from suppliers designated or approved by us (which may include, or be limited exclusively to, us or our affiliate). In our sole discretion, we may concentrate purchases with one or more approved or designated suppliers, to obtain lower prices, advertising support and/or other services, or for any other reason we deem appropriate. In such instances, we may limit the number of suppliers with whom you deal, designate sources that you will use, and refuse any request by you for another approved supplier of any applicable product or service. Currently, we require our franchisees to purchase the following goods from our designated suppliers and vendors: certain components of the Computer System, therapy equipment and supplies, branded merchandise and apparel, and printed marketing and promotional materials. We also require our franchisees to use the services of one of our preferred EMR partners, our preferred billing partner, our preferred overhead track and system partner, our preferred branded promotional items and apparel partner and our preferred capital equipment and supply partner. You agree to follow all of our policies and procedures for participation in or termination of any preferred vendor programs that we establish. If we receive rebates or other financial consideration from suppliers based upon franchisee purchases, we have no obligation to pass these amounts on to you or to use them for your benefit.

If you want us to approve a new supplier, product or service that you propose, you agree to submit to us sufficient written information about the proposed new supplier, product or service to enable us to approve or reject either the supplier or the particular item or service. We will have 45 days from receipt of the information to approve or reject the proposed new supplier, product or service. If we have not responded to your request within this time period, the request is deemed disapproved. We may consider in providing such approval not just the quality standards of the products or services, but the proposed supplier's delivery capabilities, financing terms and ability to service our franchise system as a whole. We do not provide our criteria for approving suppliers to our franchisees. We may terminate or withhold approval of any product or service, or any supplier of a product or service, that does not meet our quality standards by giving you written notice. If we do so, you agree to immediately stop purchasing from such supplier or using such product or service in your Center. At our request, you agree to submit to us sufficient information about the proposed supplier, product or service to enable us to determine whether it meets our standards and specifications. We may charge a reasonable fee for evaluating alternative suppliers, products or services, plus the actual cost of travel and living expenses of our personnel and any fees we pay to third parties in furtherance of the evaluation.

There are no suppliers in which any of our officers own an interest.

Standards and Specifications

You agree to develop and operate your Center in accordance with our standards and specifications. Our standards and specifications may regulate, among other things (a) a description of the authorized goods and services that you may offer at your Center; (b) mandatory and suggested specifications, operating procedures, and quality standards for products, services and procedures that we prescribe from time to time for FYZICAL® Centers; (c) mandatory reporting and insurance requirements; (d) mandatory and suggested specifications for your Center; and (e) a written list of goods and services (or specifications for goods and services) that you will purchase for the construction of your Center and the development and operation of your Center, and a list of any designated or approved suppliers for these goods or services (which may include us or our affiliate). Our standards and specifications may impose minimum requirements for quality, use, cost, delivery, performance, design and appearance. We will notify you in our Manuals or via

other modes of written communication of our standards and specifications and/or names of approved suppliers.

We may develop proprietary or non-proprietary computer hardware and software programs, systems and/or technology that we specify or mandate for use by FYZICAL® Center franchisees. We may do so periodically at any time and may modify, enhance, add to, or eliminate the use of any such computer software and similar systems. You will acquire and implement such systems on or before the deadlines we specify for doing so. In this connection, we may require that:

- (a) you enter into a license agreement with us or an affiliate which may require you to pay us commercially reasonable licensing, support and maintenance, and hosting fees;
- (b) if we enter into a master software or technology license agreement with a third party licensor and then sublicense the software or technology to you, in which case we may charge you for all amounts that we pay to the licensor based on your use of the software or technology, plus a reasonable amount to compensate us for installation or support services that we or our affiliate provide;
- (c) you obtain or license the software, technology or systems directly from the providers on such terms as we have approved; and/or
- (d) any combination of the foregoing.

We estimate that required purchases according to our standards and specifications currently represent less than 20% of your total purchases in establishing your Center, and less than 20% of your overall purchases in operating the Center.

Rebates

We may receive rebates, payments or other material benefits from suppliers based on franchisee purchases.

We have negotiated purchasing agreements for our franchisees with leading medical equipment and product suppliers. These programs entitle our franchisees to the lowest prices offered by the supplier, discounts on technical service fees, exclusive training programs and/or special finance rates on purchases. For our procurement and consulting services, suppliers may pay us an administrative fee based on the amount of franchisee purchases from them (up to 5%). You are not currently required to purchase from the foregoing suppliers but may in the future. Due to the described benefits, we encourage you to do so. In certain situations, there are larger, packaged promotional deals available to the company-owned Centers that are not available to franchisee-owned centers because of the contract size, specifically as it relates to phone systems and EMR contracts. We intend to negotiate additional agreements with suppliers to enable our franchisees to purchase certain items at discounted prices. If we succeed, you will be able to purchase such items at discounted prices that we negotiate (less any rebates or other consideration that may be paid to us).

In 2023, we received \$409,712 as revenue from our recommended suppliers based on franchisee purchases, which represents 2.71% of our total revenue (\$15,136,865) in 2023. We used this amount for marketing, training and general administrative and operating expenses. In 2023, our affiliates did not receive any revenue from our recommended suppliers.

Center Development

For brand consistency, we may require FYZICAL® Centers to be constructed or remodeled, furnished, and equipped in accordance with our standards and specifications. At your expense, you agree to construct and equip the premises to the specifications contained in the Manuals and to purchase (or lease) and install the equipment, fixtures, signs and other items that we require. We reserve the right to approve the architects, contractors and other suppliers you use in the construction and development of your Center. The construction, build-out and layout of your Center will be reviewed and approved by us before you open.

Insurance

You agree to obtain and maintain, at your own expense, such insurance coverage that we require from time to time and meet the other insurance-related obligations in the Franchise Agreement. The cost of this coverage will vary depending on the insurance carrier's charges, terms of payment and your history. You agree to send us copies of all insurance policies. Each policy is required to name us and our affiliates as additional insured parties. Our current insurance policy requirements include:

- (a) Comprehensive general liability insurance:\$2,000,000 general aggregate
 - \$1,000,000 per occurrence
 - \$1,000,000 for fire damage
 - \$10,000 for medical expenses (any one person)
 - \$1,000,000 for personal injury
 - \$2,000,000 for products
- (b) Property/casualty insurance (\$20,000 per occurrence)
- (c) Worker's compensation insurance (minimum amount required by applicable law)
- (d) Professional liability and malpractice insurance
 - \$1,000,000 aggregate for each physical therapist and physical therapy assistant
 - \$1,000,000 each claim
- (e) Errors and omissions insurance coverage of \$1,000,000
- (f) Business income insurance of \$150,000
- (g) Any other insurance coverage required under the applicable laws

Upon 10 days' notice, we may increase the minimum protection requirement as of the renewal date of any policy, and require different or additional types of insurance at any time, including excess liability (umbrella) insurance, to reflect inflation, identification of special risks, changes in law or standards or liability, higher damage awards or other relevant changes in circumstances. If you fail to maintain any required insurance coverage, we have the right, but not the obligation, to obtain such coverage on your behalf, and you will promptly complete all applications and other forms and instruments required to obtain the insurance and pay to us, within 10 days after invoicing, all costs and premiums that we incur.

Miscellaneous

There are no purchasing cooperatives although we reserve the right to establish one or more purchasing cooperatives in the future. Other than lower negotiated prices as stated above, you do not receive any material benefits for using designated or approved suppliers.

The following chart summarizes the terms of such financing, but the actual terms and conditions will be as agreed upon and set forth in a Promissory Note and Security Agreement and such other documents. NOTES:

(1) The amount financed is generally negotiated on an individual basis depending on several factors, including, your credit history, guarantees of your owners, and financial condition.

(2) To provide us with collateral to secure your prompt payment and performance under the Promissory Note, you will execute a Security Agreement which grants us a security interest in all of the assets of the FYZICAL® Center, including furniture, fixtures, equipment, accessories, inventory, licenses, permits, goods, materials, supplies, accounts, general intangibles, and all other assets, supplies and materials, under the Uniform Commercial Code. If you are a business entity, your owners will be required to guaranty performance and payment under the Promissory Note and the Security Agreement.

An “event of default” means: (a) you fail to pay any sums when due to us under the Promissory Note, the Franchise Agreement or any other agreement with us and do not correct such failure within 5 days after written notice of such failure is delivered to you; or (b) you breach any other provisions of the Franchise Agreement and do not correct such failure within the applicable cure period. In addition, a default under any of the financing documents constitutes an event of default under the Franchise Agreement.

(4) We may sell or assign to a third party or discount all or part of the financing arrangement described above.

Except as described above, we do not offer direct or indirect financing. We do not guarantee any of your notes, leases or obligations. We do not receive any direct or indirect payments or other consideration from any person for the placement of any financing with any lender.

Pre-Opening Obligations: Before you open your Center, we will:

3. Provide you with written specifications for the goods and services you agree to purchase to establish your Center, as well as a written list of approved and/or designated suppliers for purposes of acquiring these goods and services. See Item 8 for additional information regarding your purchase of these goods and services. (Franchise Agreement Section 12.3)

Time to Opening

We anticipate that the typical length of time between the effective date of the Franchise Agreement and opening the FYZICAL® Center franchise will be approximately 210 to 270 days for a New Center or an MD Affiliate and 30 to 45 days for a Conversion Center. Some of the factors that may affect this time are identification of a suitable location, financing, the extent to which an existing location will be upgraded or remodeled, delayed installation of equipment and fixtures, completion of training, obtaining insurance, and complying with local laws and regulations.

You will not open your Center before: (1) successful completion of the pre-lab courses and orientation program; (2) you purchase all required insurance and provide us, at our option, with copies of such policies or evidence of coverage; (3) you obtain all required licenses, permits and other governmental approvals; and (4) you have received our written approval of the construction, build-out and layout of your Center. You agree to send us a written notice identifying your proposed opening date at least 30 days before opening. We may conduct a pre-opening inspection of your Center, and you will make any changes we request prior to opening. You will open your Center within 270 days after the effective date of the Franchise Agreement, if you are opening a New Center or an MD Affiliate Center or within 45 days following the execution of the Franchise Agreement, if you are opening a Conversion Center. We may, from time to time in our sole discretion, agree to grant you a one-time 6-month extension to the deadline by which you must open your Center if you are otherwise in compliance with your Franchise Agreement and are otherwise using best efforts to open your Center. We may terminate the Franchise Agreement if you fail to open within the prescribed time period. If you fail to open within the prescribed time period, we may also, from time to time in our sole discretion, agree to grant you a one-time 24-month extension to locate and open a Center within any then-open territories if you are otherwise in compliance with your Franchise Agreement and are otherwise using best efforts to open your Center, but you will have no exclusive or protected territory rights in such event.

Post-Opening Obligations: During the operation of your Center, we will:

1. Continue to provide you with access to the electronic version of the Manuals, to assist you in operating your Center. See Section below entitled “Manuals” for additional information. (Franchise Agreement Section 6.2)

2. Assist with the marketing and promotion of your Center for the first five months of operation. See Section below entitled “Grand Opening Marketing Fund” for additional information. (Franchise Agreement Section 11.1).

3. Provide you ongoing guidance and recommendations on ways to improve the marketing and operation of your Center. (Franchise Agreement Section 6.5)

4. Maintain an Internet website that will include a list of all of the FYZICAL® Center franchisees that are in good standing with us. We may modify the content of and/or discontinue this website at any time in our sole discretion. (Franchise Agreement Section 6.6)

In addition, during the operation of your Center, we may, but will not be obligated to:

1. Provide on-site training or assistance at your Center. See Section below entitled “Ongoing Training” for additional information. (Franchise Agreement Section 5.3)

2. Provide periodic additional or refresher training programs. See Section below entitled “Ongoing Training” for additional information. (Franchise Agreement Section 5.2)

3. Hold periodic national or regional conferences to discuss business and operational issues affecting FYZICAL® Center franchisees, including industry changes, new services and/or merchandise, marketing strategies and the like. See Item 6 for additional information. (Franchise Agreement Section 5.4)

4. Negotiate purchase agreements with suppliers to allow you to purchase certain goods or services at discounted prices. See Item 8 for additional information. (Franchise Agreement Section 6.7)

5. Negotiate purchase agreements with suppliers that allow us to purchase certain items at discounted prices and resell them to you. See Items 6 and 8 for additional information. (Franchise Agreement Section 6.8)

6. Develop private label goods for sale by FYZICAL® Center franchisees. (Franchise Agreement Section 6.9)

Initial Training Program

We will provide initial training to you (or your Operating Principal) for a period of 3 – 5 days. We recommend, but do not require, that your office manager also attend the initial training program. We will train these individuals at no additional charge to you. You (or your Operating Principal) must complete our pre-lab courses and orientation program to our satisfaction within 90 days from the effective date of your Franchise Agreement, and complete our lab program at least 60 days prior to the opening of your Center. As of the issuance date of this disclosure document, we provide in-person training 12 times a year. The below table provides a breakdown of the schedule of our initial training program as it is conducted on the issuance date of this disclosure document:

Ongoing Training

In order to maintain the uniformity and high standard of goods and services provided by FYZICAL® Center franchisees, we may provide periodic additional or refresher training programs for you, your Operating Principal, Clinical Director, Licensed Professionals and/or other key employees. If so, you may be required to pay a reasonable fee for each person (not to exceed \$1,500) who attends such training. You will also be responsible for all expenses and costs that your trainees incur, including wages, travel and living expenses.

From time to time, you may request that we visit your Center to provide on-site training. We are not required to provide on-site training. If we agree, at our option, to provide any on-site training at your Center, you agree to pay us a reasonable fee (currently \$800 to \$1,600 per day), in an amount to be mutually agreed upon, for each of our personnel providing such on-site training, and also reimburse us for their meals, travel, lodging and other expense. Any on-site training is subject to availability of our personnel. On-site training held in conjunction with regularly scheduled site visits, with no additional expenses, will not require reimbursement or fees.

For the benefit of the franchise system, we may also hold periodic national or regional conferences, including an annual conference (up to 2 days in duration), to discuss various business issues and operational and general business concerns affecting FYZICAL® Centers. We will determine whether attendance at these conferences is mandatory or optional. We will not require attendance at more than one mandatory conference during any 12-month period. We will not charge any registration fees for owners to attend any annual conference deemed mandatory, but you are responsible for all food, travel and lodging expenses that your owners and employees incur while attending conferences.

For the benefit of the franchise system, we currently provide 548 online courses, webinars, and training videos via “FYZICAL College for your (or your Operating Principal), Clinical Director, Licensed Professionals and/or other key employees. Manuals

We will provide you with access in text or electronic form to our Manuals during the term of your Franchise Agreement. The Manuals may include, among other things, (a) a description of the authorized goods and services that you may offer at your Center; (b) required and suggested specifications, operating procedures, and quality standards for products, services and procedures that we prescribe from time to time for FYZICAL® Center franchisees; (c) required reporting and insurance requirements; (iv) required and suggested specifications for your Center; and (d) a written list of goods and services (or specifications for goods and services) you will purchase for the construction or remodel of your Center and the development and operation of your Center and a list of any designated or approved suppliers for these goods or services. The Manuals are confidential and remain our property. We may modify the Manuals at any time, but the modification(s) will not alter your status or fundamental rights under the Franchise Agreement.

As of the date of this disclosure document, the Manuals contain a total of 1207 pages. A copy of the Table of Contents to the Manuals is attached to this disclosure document as Exhibit “E”.

Site Development

A FYZICAL® Center typically ranges in size from 1,200 square feet to 2,200 square feet, but may be smaller or larger depending on your circumstances. If you intend to develop a New Center or an MD Affiliate Center, you agree to locate and receive our approval of the premises from which you will operate your Center. If you intend to operate a Conversion Center, the location of your existing physical therapy or wellness center is deemed approved by us. The premises will be located within your Search Area (as defined in Item 12) and conform to our minimum site selection criteria. You will send us a complete site report (containing the demographic, commercial and other information, photographs and video tapes that we may reasonably require) for your proposed site. We will use our best efforts to approve or disapprove a proposed site within 15 days after we receive all of the requisite materials. Your site is deemed disapproved if we fail to issue our written approval within the 15-day period. In reviewing a proposed site, we will consider factors such as parking, size, traffic counts, general location, existence and location of competitive businesses, general character of the neighborhood and various economic indicators. We do not own the premises used by our franchisees to operate their Centers. Under the Development Rights Rider, we first must accept each new site you propose for each new FYZICAL® Center. After we accept (and you secure) a proposed site, we will also determine the Protected Area for that FYZICAL® Center, as provided in Item 12. Our then-current standards for sites and Areas of Protection will apply.

You agree to deliver copies of the proposed lease agreement and related documents to us for approval before you sign them. Our approval will be limited to ensuring that the lease and related documents are consistent with the Franchise Agreement and our standards and specifications for FYZICAL® Centers. You agree to send us a copy of your fully executed lease within 5 days of its execution. We may terminate your Franchise Agreement if you and we are unable to agree on a site for your Center, or you have not obtained a fully-signed lease agreement for the premises, within 120 days of the effective date of your Franchise Agreement. We may, from time to time in our sole discretion, agree to grant you a one-time 6-month extension to the deadline by which you must have a fully-signed lease agreement for the premises if you are otherwise in compliance with your Franchise Agreement and otherwise using best efforts to locate and obtain a lease agreement for the premises.

After you purchase or lease your approved site, you agree to construct and equip the premises to the specifications contained in the Manuals. You also agree to install the equipment, fixtures, signs and other items that we require. Before you open, we will approve the build-out and layout of your Center. You will remodel and make all improvements and alterations to your Center that we reasonably require from time to time to reflect our then-current image, appearance and facility specifications. You may not remodel or significantly alter your premises without our prior approval.

We will help coordinate your purchase of equipment, signs, fixtures, opening inventory, and supplies that are required to be purchased from designated suppliers.

Computer System

You agree to obtain and maintain, at your expense, the computer hardware and software that we designate in the Manuals (the “**Computer System**”). We may develop and license/sublicense proprietary software programs that you agree to use in the operation of your Center. We may inspect your Computer System and access the data collected by and stored on the Computer System. We will also have the right to independent access to the Computer System and to the data collected. As business associates and covered entities for purposes of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations, as amended from time to time (“**HIPAA**”), we will also have access to patient health information. To evidence this relationship under HIPAA, you and we will sign our standard form of

Business Associate Agreement (“BAA”). The current form of BAA is attached as Attachment “J” to the Franchise Agreement.

To operate efficiently, presently we require you to purchase and maintain 1 computer for every 1 clinical staff member, with a minimum of 2 computers. Accordingly, the number of computers will depend on the size of your Center and the number of personnel. You agree each computer will have a quad-core processor with a minimum 2.6GHz, 4GB RAM, a minimum 500GB hard drive, Wi-Fi capability, a gigabit Ethernet adapter and a DVD-RW drive. The Dell Optiplex desktop and Latitude laptop line of computers currently meet these criteria, but you may purchase or lease any computer that satisfies these requirements. You agree to use approved scheduling and EMR software, as well as billing software, which may be web-based or PC-based. Other required software currently includes Peachtree® Accounting or QuickBooks® (accounting software), and Microsoft Office® (including Word and Excel).

To operate efficiently, you agree that each computer will be connected to the Internet via high-speed Internet connection (e.g., digital subscriber, cable, ISDN, or T-1 Internet) with e-mail capabilities. A high-speed wireless network is recommended, but not currently required. In addition, you agree to purchase at least one high quality “all-in-one” laser printer/copier/scanner with network capabilities. You may utilize the “all-in-one” as your fax, but we recommend a separate, dedicated high-speed fax machine for sending and receiving faxes to and from physicians’ offices. We recommend, but do not currently require, that you purchase a service contract with a local provider for any necessary repairs to the “all-in-one,” since the printer capabilities are critical in the operation of your Center for printing clients’ information paperwork, files and other client related documents. In addition to the “all-in-one” printer, you agree to have a black-and-white printer for each of your Clinical Director, billing specialist and receptionist for printing miscellaneous documents and labels or billing on a daily basis. For customer service, you agree to have a multi-line telephone system with a minimum of 4 phone lines (3 for voice and 1 for fax) that has speakerphone and multi-mailbox, voicemail capabilities. To efficiently route consumers to your Center both during branding initiatives and for a consistent customer experience, you may be assigned or designated telephone number(s) and e-mail addresses that you agree to use in the operation of your Center. You agree to pay a reasonable fee (not to exceed \$50) to cover the cost of such telephone numbers and e-mail addresses and our administration and servicing of them but it is not currently charged. You agree that we reserve the right to control all telephone numbers and e-mail addresses used in the operation of your Center. We may also institute a “1-800” or centralized telephone number and/or call center services for all FYZICAL® Centers. The fee for this centralized telephone number or call center services will not exceed \$50 and is not currently charged. (See Item 6)

We estimate that the cost of the computer system will be approximately \$1,000 to \$3,000, depending on the size of your Center and the number of personnel. We estimate that your annual cost to maintain your Computer System will not exceed \$1,000.

Neither we nor any other party has any obligation to provide ongoing maintenance, repairs, upgrades or updates to your Computer System. You agree to maintain the computer hardware in good working order at your cost. We may change, upgrade, and update your Computer System requirement at any time, and you will have to comply with the changes. There are no limitations on the frequency or cost of this obligation.

You are also responsible for priority cabling and all networking services related to the Computer System. Except as described above, there currently are no optional or required support contracts. We reserve the right to change the software or technology that you agree to use or add new software or technology at any time.

We may develop proprietary or non-proprietary computer hardware and software programs, systems and/or technology that we specify or mandate for use by FYZICAL® Center franchisees. We may do so periodically at any time and may modify, enhance, add to, or eliminate the use of any such computer software and similar systems. You will acquire and implement such systems on or before the deadlines we specify for doing so. In this connection, we may require that:

- (a) you enter into a license agreement with us or an affiliate which may require you to pay us commercially reasonable licensing, support and maintenance, and hosting fees;
- (b) if we enter into a master software or technology license agreement with a third party licensor and then sublicense the software or technology to you, in which case we may charge you for all amounts that we pay to the licensor based on your use of the software or technology, plus a reasonable amount to compensate us for installation or support services that we or our affiliate provide;
- (c) you obtain or license the software, technology or systems directly from the providers on such terms as we have approved; and/or
- (d) any combination of the foregoing.

Advertising and Marketing

You will pay us an amount (to be set forth on Attachment “L” of your Franchise Agreement) (the “**Grand Opening Marketing Fund**”) to be used for the initial advertising, marketing and public relations programs and materials that we deem necessary or appropriate, in our sole discretion, in connection with the opening of your Center and for the first five months after your Center’s opening date. Your Grand Opening Marketing Fund will be such amount as determined by us, and is expected to be at least \$5,000 but will not exceed \$18,000. We will electronically debit the amount of your Grand Opening Marketing Fund from your checking account 60 days prior to the date your Center opens for business, and intend to start implementing such advertising/marketing starting 30 days from the date your Center opens for business. We reserve the right to defer or reduce the Grand Opening Marketing Fund for any FYZICAL® Center. If there are unspent monies in your Grand Opening Marketing Fund after your Center has been open for five months, we will distribute the unspent monies to you (within 30 days after the expiration of such five-month period).

We will direct all programs financed by your Grand Opening Marketing Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. Your Grand Opening Marketing Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, market research and other advertising, promotion and marketing activities. Your Grand Opening Marketing Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

Your Grand Opening Marketing Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses. All interest earned on monies contributed to your Grand Opening Marketing Fund will be used to pay advertising costs before other assets of your Grand Opening Marketing Fund are expended. We will prepare a statement, which need not be audited, of

monies collected and costs incurred by your Grand Opening Marketing Fund and furnish the statement to you within five months after your Center's opening date.

You acknowledge that your Grand Opening Marketing Fund is intended to maximize recognition of the Marks and patronage of your Center. Although we will endeavor to utilize your Grand Opening Marketing Fund to develop advertising and marketing materials and programs and to place advertising that will benefit your Center, we undertake no obligation to ensure that your Center will benefit directly from the development of advertising and marketing materials or the placement of advertising. The Grand Opening Marketing Fund is not a trust, and we do not owe you fiduciary obligations because we maintain, direct or administer your Grand Opening Marketing Fund or for any other reason. We assume no direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing or administering, your Grand Opening Marketing Fund.

We do not currently maintain or require you to contribute to a general marketing fund, however, we may do so at any time. If we do, we may require up to 2% of your Center's Gross Revenues to be contributed to a national marketing fund directed by us (the "**Marketing Fund**") for such advertising, marketing and public relations programs and materials on a system-wide basis that we deem necessary or appropriate, in our sole discretion. The Marketing Fund Contributions will be paid as prescribed by us in the Manual. We may require you to pay the Marketing Fund Contributions via automatic debit from your checking account. We reserve the right to defer or reduce contributions of a FYZICAL® Center franchisee and, upon 30 days' prior written notice to you, to reduce or suspend contributions to and operations of the Marketing Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the Marketing Fund. If the Marketing Fund is terminated, all unspent monies on the date of termination will be spent for authorized purposes or distributed to our franchisees in proportion to their respective contributions to the Marketing Fund during the preceding 12 calendar months. We and our affiliates will contribute to the Marketing Fund on the same basis as our franchisees.

We direct all programs financed by the Marketing Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. We are not required to spend any amount on advertising in your Protected Area. The Marketing Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, market research and other advertising, promotion and marketing activities. The Marketing Fund periodically will furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

The Marketing Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead, including rent and utilities, as we may incur in activities related to the administration of the Marketing Fund and its programs, including, without limitation, conducting market research, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the Marketing Fund. All interest earned on monies contributed to the Marketing Fund will be used to pay advertising costs before other assets of the Marketing Fund are expended. We may spend, on behalf of the Marketing Fund, in any fiscal year an amount greater or less than the aggregate contribution of all FYZICAL® Centers to the Marketing Fund in that year. The Marketing Fund may borrow from us or others to cover deficits or invest any surplus for future use. If we lend money to the Marketing Fund, we may charge interest at an annual rate 1% greater than the rates we pay our lenders. We will prepare an annual statement, which need not be audited, of monies collected and costs incurred by the Marketing Fund.

Franchisees may obtain a copy of such statement by making a written request to us. We have the right to cause the Marketing Fund to be incorporated or operated through a separate entity at such time as we deem appropriate, and such successor entity will have all of the rights and duties specified in the Franchise Agreement.

The Marketing Fund is intended to maximize recognition of the Marks and patronage of FYZICAL® Centers. Although we will endeavor to utilize the Marketing Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all FYZICAL® Centers, we undertake no obligation to ensure that expenditures by the Marketing Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Marketing Fund by FYZICAL® Center operating in that geographic area or that any FYZICAL® Center will benefit directly or in proportion to its contribution to the Marketing Fund from the development of advertising and marketing materials or the placement of advertising. We assume no direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing or administering, the Marketing Fund.

To establish brand recognition and to promote growth, we may, but do not currently, require you to invest at least 5%, but no more than 8% of your Center's Gross Revenue each month for local advertising and marketing to promote your Center; provided, however, that during the first five months after your Center's opening date, your local advertising requirement will be reduced by the amount that you contribute to the Grand Opening Marketing Fund (dollar for dollar), up to the amount of your local advertising requirement. No later than the 5th day of each month, you will provide us with a monthly report of your local advertising expenditures for the prior month (which will be accompanied by copies of receipts for such expenditures, if requested by us).

Advertising and marketing materials may, at our option, periodically be created and made available to you for purchase. These materials may be made available over the Internet (in which case you will arrange for printing the materials and paying all printing costs). Alternatively, third-party suppliers will create the advertising or marketing materials for your purchase.

Any advertising or marketing materials that you use will be approved by us in advance. You may not use any advertising materials that have not been approved by us. You agree to submit to us any advertising materials that you prepare or modify, and we will have 30 days to review and either approve or reject the materials. If we do not approve any advertising materials within the 30-day period, then the materials are deemed disapproved.

At this time, for brand uniformity we do not allow our franchisees to maintain their own websites or market their FYZICAL® Center on the Internet. However, for conversions, we may allow you to continue to maintain your existing website under certain conditions and with certain modifications we require but only for a limited time that we determine appropriate depending on the market proximity of other Centers and other factors. Therefore, you may not maintain a Worldwide Website, conduct e-commerce, or otherwise maintain a presence or advertise on the Internet or any other public computer network except as specifically described in this Section. If we change our policy at a later date to allow franchisees to maintain their own websites, you may do so only if you comply with all of the website and Internet requirements that we specify. In that case, we may require that you sign an amendment to the Franchise Agreement that will govern your ability to maintain a website.

If an association of franchise owners is established in a geographic area in which your Center is located (the "Co-op"), you must join and actively participate in it. We will determine the area and membership of the Co-op by media coverage or other criteria that we establish. We will determine whether a Co-op should be formed, changed, dissolved or merged for your market. You must contribute to the Co-op such amounts as are determined by it periodically however, your total contribution shall not exceed 5%

of your Center's Gross Revenue. Your local advertising requirement will be reduced by the amount that you contribute to any Co-op (dollar for dollar), up to the amount of your local advertising requirement. Generally, all franchisees must contribute to the Co-op at the same rate. We and our affiliates will contribute to the Co-op on the same basis as our franchisees. Each Co-op will operate from written governing documents approved by the members and us, which will be available to you upon request. Generally, Co-ops are to be administered by their members; however, we may provide certain marketing services to the Co-ops. We reserve the right to require that the Co-op prepare annual financial statements. We also reserve the right to audit any accounts or funds collected by the Co-op.

Franchisee Advisory Council

We currently have a Franchisee Advisory Council (the "FAC"). The FAC's Board of Directors is comprised of 7 members elected by franchisees. The FAC represent franchisees in periodic meetings of the FAC and meetings with us to discuss matters of common interest. The purpose of the FAC is to promote constructive, open and two-way communications between all of the franchisees and us. The goal of the FAC is to facilitate communication and build value within the FYZICAL® franchise system, promote the interchange of ideas among franchisees, and otherwise improve and facilitate communication between and among us and franchisees for the purpose of improving and strengthening the System, the FYZICAL® brand, and increasing revenues at FYZICAL® Centers. The FAC serves in an advisory capacity and does not have authority to establish or modify our policies. However, we take into consideration the input of the FAC in formulating plans, programs and policies which affect franchisees. We do not have the power to form, change or dissolve the FAC.

ITEM 12 TERRITORY

Search Area

If at the time of the execution of the Franchise Agreement for a New Center or an MD Affiliate Center, we have not granted our written approval of the Approved Location (as defined below), you must, following the execution of the Franchise Agreement, identify and seek our written approval of a proposed premises for your Center which must be located within the geographic boundaries of the territory (the "Search Area") described in ATTACHMENT "B" to the Franchise Agreement. For Conversion Centers, the site of your existing business that shall be converted into a FYZICAL® Center is deemed approved upon our execution of the Conversion Center. The Search Area will typically comprise of a geographical territory having a radius of up to 3 miles depending on factors such as demographic characteristics, traffic patterns, parking, signage, character of neighborhood, competition from and proximity to other businesses, and any other factors or characteristics that we consider appropriate. We identify the Search Area for the sole purpose of facilitating orderly development of the market. The Search Area is not an exclusive or protected territory surrounding your Center. The Search Area may not be modified or amended except in a writing signed by us.

Approved Location

Each Franchise Agreement grants you the right to operate a single FYZICAL® Center at a single location that will be approved by us (the "Approved Location") within the Search Area and conform to our minimum site selection criteria, which may include demographic characteristics, traffic patterns, parking, signage, character of neighborhood, competition from and proximity to other businesses, the size, appearance and other physical characteristics of the proposed site, and any other factors or characteristics that we consider appropriate. You agree to send us a complete site report (containing photographs and any other information that we require) for your proposed site. We may accept or reject any proposed site in our commercially reasonable judgment. We will use our best efforts to approve or disapprove a proposed site

within 15 days after we receive all of the requisite materials. Once approved, the specific street address of the Approved Location will be listed in Attachment “C” to your Franchise Agreement.

You may not relocate your Center without our prior written approval, which we will not unreasonably withhold. If relocated, your Center must be located within your Protected Area and conform to our minimum site selection criteria, which may include demographic characteristics, traffic patterns, parking signage, character of neighborhood, competition from and proximity to other businesses, the size, appearance and other physical characteristics of the proposed site, and any other factors or characteristics that we consider appropriate. If we allow you to relocate, you agree to: (1) comply with all of our then-current site selection and development requirements; (2) open your new Center and resume operations within 10 days after closing your prior Center; and (3) continue to pay us Royalties and any other recurring fees during any period that your Center is closed for relocation. You agree to reimburse us for any costs and expenses that we incur in connection with the relocation of your Center.

Protected Area

As long as you are in compliance with the Franchise Agreement, including the Minimum Performance Standards (defined below), we will not, during the term of your Franchise Agreement, operate or grant others the right to operate another FYZICAL® Center within the specific geographic area we designate as your protected area (the “**Protected Area**”). The size of your Protected Area will be a radius around your Center that encompasses a population of approximately 40,000. The size of your Protected Area will not be increased or reduced due to any change in population during the term of the Franchise Agreement.

Minimum Performance Standards

Commencing with your second year of operations, you agree to the following minimum performance levels (the “**Minimum Performance Standards**”) each year during the term of your Franchise Agreement to retain exclusive rights in the Protected Area:

Time Period	Minimum Annual Gross Revenue (Non-Cumulative)
Year 1	Not Applicable
Year 2	\$100,000
Year 3	\$200,000
Year 4	\$300,000
Year 5 and thereafter	\$400,000

If you fail to achieve the Minimum Performance Standards during any period, we may, at our option, effective 30 days after we deliver written notice to you: (a) terminate your Protected Area; or (b) reduce the scope of the geographic area comprising the Protected Area. If we terminate your exclusive rights to the Protected Area or reduce the scope of the Protected Area, you may continue to operate your Center, but we may establish and operate, or allow others to establish and operate, FYZICAL® Centers in your former Protected Area or former portion(s) of the Protected Area, as the case may be.

Except for the Minimum Performance Standards described above, the territorial rights granted to you are not dependent on your achievement of a certain sales volume, market penetration, or other contingency. As long as you are in compliance with the Franchise Agreement, there are no circumstances

under which the Protected Area granted to you may be altered before the expiration or the termination of the Franchise Agreement without your written consent.

Development Rights

You may (if you qualify) develop and operate a number of FYZICAL® Centers within a specific territory (the “**Development Territory**”). We and you will identify the Development Territory in the Development Rights Rider before signing it. We base the Development Territory’s size primarily on the number of FYZICAL® Centers we approve you to develop and the population and demographics of the Development Territory. We will determine the number of FYZICAL® Centers you must develop, and the deadlines for development, to keep your development rights. We and you then will complete the schedule in the Development Rights Rider before signing it. Under the Development Rights Rider, we first must accept each new site you propose for each new FYZICAL® Center. After we accept (and you secure) a proposed site, we also will determine the Protected Area for that FYZICAL® Center. Our then-current standards for sites and Protected Area will apply.

You may not develop or operate FYZICAL® Centers outside the Development Territory. While the Development Rights Rider is in effect, we (and our affiliates) will not establish and operate or grant others the right to establish and operate FYZICAL® Centers having their physical locations within the Development Territory. You will not receive an exclusive territory under the Development Rights Rider. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. There are no restrictions on our soliciting or provided goods or services to consumers inside the Development Territory.

The location protection described above is the only restriction on our (and our affiliates’) activities within the Development Territory during the development term. We may terminate the Development Rights Rider if you do not satisfy your development obligations.

Despite the development schedule in the Development Rights Rider, we may delay your development and/or opening of additional FYZICAL® Centers within the Development Territory if we believe, when you apply for another FYZICAL® Center, or after you have developed and constructed but not yet opened a particular FYZICAL® Center, that you are not yet operationally, managerially, or otherwise prepared (no matter the reason) to develop, open, and/or operate the additional FYZICAL® Center in full compliance with our standards and specifications. We may delay additional development and/or a FYZICAL® Center’s opening for the time period we deem best if the delay will not in our reasonable opinion cause you to breach your development obligations under the development schedule (unless we are willing to extend the schedule to account for the delay).

Except as described above, continuation of your territorial rights with respect to the Development Territory does not depend on your achieving a certain sales volume, market penetration, or other contingency. We may not alter your Development Territory during the Development Rights Rider term. Although we have the right to do so, we and our affiliates have not established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark.

Reserved Rights

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. Other than the “**Territory Opportunity**” described below, and unless you acquire development rights pursuant to a Development Rights Rider (described above), you are not granted any options, rights of first refusal or

similar rights to acquire additional territories or franchises. You may provide services at the site of your Center to anyone from anywhere.

We (and our affiliates) retain the rights to do any or all of the following without any obligation to pay compensation to you:

(a) Establish and operate, and grant franchises to others to establish and operate, FYZICAL® Centers anywhere outside the Protected Area and Development Territory, on such terms and conditions as we deem appropriate (even immediately outside the border of the Protected Area or Development Territory).

(b) Establish and operate, and grant franchises to others to establish and operate, businesses of any kind whatsoever, whether located within or outside the Protected Area or Development Territory, that do not use the Marks.

(c) Establish and operate, and grant franchises to others to establish and operate, anywhere (including within the Protected Area) businesses providing health-care or wellness related services under the Marks, subject to your right of first refusal as described under “Territory Opportunity” below.

(d) Sell or license others to sell competitive or identical goods or services (whether under the Marks or under different trademarks) through Alternative Channels of Distribution, regardless of location. An “**Alternative Channel of Distribution**” means any channel of distribution other than retail sales made to customers from a FYZICAL® Center. Examples of Alternative Channels of Distribution include: (i) sales through direct marketing, such as over the Internet or through catalogs or telemarketing; (ii) sales through retail stores that do not operate under the Marks; and (iii) sales made at wholesale. Sales through Alternative Channels of Distribution are excluded from your territorial protections. This means that your territorial protections do not limit our ability to sell or license others to sell competitive or identical goods or services through Alternative Channels of Distribution within your Protected Area or Development Territory. You are not entitled to any compensation for any sales that we or our affiliates make through Alternative Channels of Distribution. You are not permitted to market or sell through Alternative Channels of Distribution.

(e) Acquire, or be acquired by, another business or chain that may sell competitive or identical goods or services, but any centers or outlets that we acquire will not operate under the Marks if they are located within your Protected Area or Development Territory.

Engage in any other activity, action or undertaking that we are not expressly prohibited from taking under the Franchise Agreement.

Currently, neither we nor any affiliate of ours intends to operate or franchise another center under a different trademark that sells products or services similar to the products or services offered at a FYZICAL® Center. However, we reserve the right to do so in the future.

Right of First Refusal for Territory Opportunity

If we or our affiliate operate or grant franchises for the operation of a health-care or wellness-related business offering products or services under the Marks that involves the location of a physical outlet within your Protected Area (a “**Territory Opportunity**”), we will provide you with a right of first refusal for such Territory Opportunity on the following terms:

1. We will provide you with written notice of a Territory Opportunity expected to be physically located within your Protected Area. You will have 60 days to advise us in writing that you wish to participate in the Territory Opportunity.

2. If you do not notify us within such period, then we may pursue such Territory Opportunity and/or grant any other person or entity the right to participate in such Territory Opportunity without any liability to you.

3. If you timely notify us in writing that you wish to participate in the Territory Opportunity, then we may condition your participation on compliance with such terms and conditions as we consider appropriate to the particular Territory Opportunity, including: (i) execution of such franchise agreement and related agreements as are then generally used by us in connection with the award of the applicable Territory Opportunity; (ii) timely payment of all initial fees and any other fees charged by us or our affiliate in connection with the award or grant of the applicable Territory Opportunity; and (iii) meeting our then-current eligibility requirements applied by us to candidates for such Territory Opportunity.

National Accounts

You agree to participate in any National Accounts programs that we establish from time to time. A “**National Account**” is a customer that we designate for participation in any National Accounts program, that operates under the same trademarks or service marks through independent franchises or some other association, at multiple locations, or who we otherwise consider as a customer or potential customer for FYZICAL® Centers in multiple geographic areas. The locations of some of the National Accounts may be in your Protected Area. You will receive compensation for your participation in National Accounts Programs, on the terms outlined in the Manuals.

Advertising and Solicitation

Currently, you may solicit customers and advertise your Center anywhere you choose. There are no restrictions on you, any of our other franchisees, any of our affiliates, or us to prevent any soliciting or advertising in another person’s Protected Area. However, we reserve the right to designate or limit the areas in which you and other FYZICAL® Centers may advertise, except that we will not limit your right to advertise your Center to patients and potential patients located within your Protected Area. You agree all of your advertising and marketing materials will be approved by us prior to their use. There are no other restrictions on your right to solicit customers, whether from inside or outside of your Protected Area. No party is obligated to pay compensation to any other party for soliciting customers from the other party’s Protected Area, although we may change our policies and require compensation in the future.

You may use the Internet to advertise only in compliance with the Franchise Agreement and the Manuals. You may use social media only in compliance with our policies, as amended from time to time.

Businesses Operated Under Other Trademarks

Although we are not restricted from doing so, we and our affiliates have not established and do not currently intend to establish any other franchises or company-owned outlets offering similar services or goods under a different trademark anywhere in the United States.

ITEM 13 TRADEMARKS

The Franchise Agreement grants you the right to operate a FYZICAL® Center under the trademark and service mark “FYZICAL® plus design” and related trademarks, service marks, logos and commercial

symbols, and to use any future Marks we authorize. You agree to use the Marks in strict accordance with the Franchise Agreement and the Manuals.

The following schedule lists the principal Marks that you are licensed to use, which are registered on the Principal Register of the United States Patent and Trademark Office (“USPTO”):

MARK	REGISTRATION NUMBER	REGISTRATION DATE

We do not require the Operating Principal to have an ownership interest in the business entity. The Operating Principal will have the authority to bind you regarding all operational decisions with respect to your Center. Your relationship with the Operating Principal, Clinical Director and any Licensed Professionals that you engage will comply with your state’s laws and regulations. We will provide you with notice of any required modifications. Our notice will indicate how long you will have to make such changes and modifications, which will generally be 30 to 90 days, depending on the type of change that is required. There is no limit on the amount you may be required to spend to change your equipment, remodel your Center, or make other improvements or modifications that we specify during the term of your Franchise Agreement. There is also no limit on your obligation to remodel the Center during the term of your Franchise Agreement or as a condition to renewing or transferring your franchise. ITEM 18 PUBLIC FIGURES

We do not currently use any public figures to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

COMPANY-OWNED CENTERS

We do not own or operate any FYZICAL® Center. For the purposes of Item 19, Centers owned by our affiliates are referred to as “**Company-Owned Centers**”.

As of December 31, 2023, our affiliates owned 60 Centers. The following chart demonstrates financial performance information for fiscal year 2023 at 14 of the Company-Owned Centers that our affiliates owned and operated for at least 42 consecutive months (3.5 years) as of December 31, 2023 (“**2023 Mature Centers**”).

2023 GROSS REVENUE

Company-Owned Centers	Aggregate Gross Revenue ⁽¹⁾	Average Gross Revenue	Centers that met or exceeded Average Gross Revenue	Median Gross Revenue	Highest Revenue	Lowest Revenue
2023 Centers	\$37,902,550.00	\$902,442.00	18/42 (43%)	\$808,215.00	\$1,967,985	\$257,163

Notes:

(1) The term “**Gross Revenue**” means all revenue derived from operating a Center, including, but not limited to, all amounts received from any activities or services whatsoever, whether at or away from the Center, including any products or services that are in any way associated with the Marks, and whether from cash, check, barter, debit or credit (regardless of collection in the case of credit), less: (i) promotional discounts or coupons required by us; (ii) patient refunds, adjustments, credits or allowances made by the Center in good faith and in accordance with our policies; and (iii) all federal, state, or municipal sales, use or service taxes collected from patients and paid to the appropriate taxing authority. Aggregate Gross Revenue is the sum total of all Gross Revenue earned by the applicable Centers.

ANNUAL GROSS REVENUE PER FULL TIME EQUIVALENT CLINICIAN

The following chart presents the number of full-time clinical employees or equivalent (“**Equivalent Clinicians**”) that are utilized to provide the services at the 2023 Mature Centers. Clinical employee is defined as anyone with the title of Clinical Director, Physical Therapist, Physical Therapy Assistant, Occupational Therapist or Regional Director Assistant. The numbers do not reflect other employees that may be employed at the Center but do not provide physical therapy services.

2023 GROSS REVENUE PER FULL TIME EQUIVALENT CLINICIAN

	Annual Aggregate Gross Revenue⁽¹⁾	Weighted Average Number of Full Time Equivalent Clinician⁽²⁾	Avg. Gross Revenue Per Full Time Equivalent Clinician⁽³⁾	Median Gross Revenue Per Full Time Equivalent Clinician	Centers that Met or Exceeded the Average	Highest Gross Revenue Per Full Time Equivalent Clinician	Lowest Gross Revenue Per Full Time Equivalent Clinician
2023Centers	\$37,902,550	186	\$210,798	\$202,563	12/42(29%)	\$362,491	\$102,948

Notes:

(1) Annual Gross Revenue also includes ancillary products and services sold at the Centers in addition to physical therapy.

(2) Weighted average number of full time Equivalent Clinicians is a standard and revenue-weighted average calculation that is used to ensure accuracy and to prevent overstating of Average Gross Revenue per full time Equivalent Clinician. Specifically, this is the sum of the product of each month’s number of full time Equivalent Clinicians and associated revenue, all divided by the sum of revenue for all months.

(3) Average Gross Revenue per full time Equivalent Clinician is calculated by dividing the Annual Gross Revenue by the weighted average number of full time Equivalent Clinicians.

PATIENT VISITS / CASES

The following chart presents the actual number of Patient Visits and Cases for fiscal year 2023 at the 2023 Mature Centers.

“**Patient Visits**” is the total number of patient treatments that were billed and include multiple visits per patient. Thus, a patient who undergoes 10 therapy sessions is listed as 10 Patient Visits.

A “**Case**” refers to an individual treatment plan for an individual patient. Some patients have multiple treatment plans and they may be administered during the same or different time intervals. For example, a rehabilitating knee patient may return for balance therapy during the same overlapping timeline, or a different treatment period.

	Patient Visits	Cases	Patient Visits/Case
2023 Centers	440,939	38,767	11.37

Notes:

(1) This table includes visits and case data for our “Orthopedic & Traditional” Physical Therapy Visits. Balance, pelvic and audiology related visits are not included due to their vast differences in lengths for plan of care.

FRANCHISEE OWNED CENTERS

The following charts present financial performance information collected from 76 franchisees that operated one or more FYZICAL® Centers for the full 2023 calendar year and reported revenue for all 12 months of the 2023 calendar year (the “2023 Participating Franchisees”). The 2023 Participating Franchisees operate a total of 159 Centers as of December 31, 2023. A total of 417 franchised Centers were open for the full 2023 calendar year. Not all franchisees reported this information.

We have not independently verified the accuracy of the information provided by our franchisees.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Bradley Byars, 1751 Mound Street, Suite 102, Sarasota, Florida 34236 and (941) 444-2209, the Federal Trade Commission, and the appropriate state regulatory agencies.

NOTES TO TABLES 1 to 5:

(1) We do not own or operate any Centers. The 60 Centers owned by our affiliates are considered “company-owned” for the purposes of this Item 20.

(2) Outlets refer to the number of open Centers.

The name, address and telephone number of each current franchisee as of the date of this disclosure document are listed in Exhibit “I.”

The name, city and state, and the current business telephone number (or, if unknown, the last known home telephone number) of the franchisees who, (a) in our most recent full fiscal year: (i) had an outlet terminated, cancelled, or not renewed; or (ii) otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement, as applicable; or (b) who has not communicated with us within 10 weeks of the issuance date of this disclosure document, is listed in Exhibit “J”:

We are not offering any existing franchised outlets to prospective franchisees, including those that either have been reacquired by us or are still being operated by current franchisees pending a transfer. If we begin to offer any such outlet, specific information about the outlet will be provided to you in a separate supplement to this disclosure document.

During the last 4 fiscal years, some franchisees have signed confidentiality clauses. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with the FYZICAL® franchise system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

There are no (i) trademark-specific franchisee organizations associated with the franchise system being offered that we have created, sponsored or endorsed; or (ii) independent franchisee organizations that have asked to be included in this disclosure document.

ITEM 21 FINANCIAL STATEMENTS

Our audited financial statements for the periods ended December 31, 2023, December 31, 2022, and December 31, 2021, are attached to this disclosure document as Exhibit “B”. Our unaudited balance sheet and income statement issued as of February 29, 2024, are also attached as Exhibit “B”. Our financial year ends on December 31. We have adopted the provisions of FASB ASC Topic 606 and our accountant used the modified retrospective method in determining the revenue recognition under the current standards.

(d) Sell or license others to sell competitive or identical goods or services (whether under the Marks or under different trademarks) through Alternative Channels of Distribution. An “**Alternative Channel of Distribution**” means any channel of distribution other than retail sales made to clients from a FYZICAL® Center within the Protected Area, including, but not limited to: (i) sales through direct marketing, such as over the internet or through catalogs or telemarketing; (ii) sales through retail stores that do not operate under the Marks; and (iii) sales made at wholesale;

(e) Either (i) be acquired, directly or indirectly, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise, by a competitive or non-competitive company, franchise system, network or chain; or (ii) acquire, directly or indirectly, another competitive or non-competitive company, franchise system, network or chain, whether in whole or in part, including by asset purchase, change of control, merger, affiliation or otherwise (an “**Acquisition**”). If we acquire, or are acquired by, another business or chain that sells competitive or noncompetitive goods or services, those centers or outlets may be converted into FYZICAL® Center franchises operating under the Marks if such centers or outlets are located outside the Protected Area. We will not allow any centers or outlets to operate under the Marks within your Protected Area. Any such acquired or converted centers or outlets will not be taken into account in the franchise calculation described in Section 3.1 above; and/or

(f) Engage in any other activity, action or undertaking that we are not expressly prohibited from taking under this Agreement.

3.3 Minimum Performance Standards. Commencing with the second year of operations, you agree to meet the following minimum performance levels (the “**Minimum Performance Standards**”) each year during the Term to retain the Protected Area:

Time Period	Minimum Annual Gross Revenue (Non-Cumulative)
Year 1	Not Applicable
Year 2	\$100,000
Year 3	\$200,000
Year 4	\$300,000
Year 5 and thereafter	\$400,000

For purposes of measuring your compliance with the Minimum Performance Standards, the first year begins on the earlier to occur of (i) the actual opening date of your Center or (ii) 270 days from the Effective Date of this Agreement (the “**Opening Date**”) and ends on the first anniversary thereof. Each subsequent year runs for a 12-month period from the prior anniversary of the Opening Date. If you fail to achieve the Minimum Performance Standards, then we may, at our option, effective 30 days after we deliver written notice to you: (a) terminate your Protected Area; or (b) reduce the scope of the geographic area comprising the Protected Area. If we terminate your rights to the Protected Area or reduce the scope of the Protected Area, you may continue to operate your Center, but we may establish and operate, or allow others to establish and operate, FYZICAL® Centers in your former Protected Area or former portion(s) of the Protected Area, as the case may be.

3.4 National Accounts. You agree to participate in any National Accounts programs that we establish from time to time. A “**National Account**” is a customer that we designate for

participation in any National Accounts program, as outlined in the Manuals, that operates under common ownership or control, under the same trademarks or service marks through independent franchises or some other association, at multiple locations, or who we otherwise consider as a customer or potential customer for FYZICAL® Centers in multiple geographic areas. The locations of some of the National Accounts may be in your Protected Area. You will receive compensation for your participation in such programs, as set forth in the Manuals or otherwise.

3.5 Right of First Refusal. If we or our affiliate operate or grant franchises for the operation of healthcare or wellness-related business(es) offering products or services under the Marks that involves the location of a physical outlet within your Protected Area (a “**Territory Opportunity**”), we will provide you with a right of first refusal for such Territory Opportunity on the following terms:

(a) We will provide you with written notice of a Territory Opportunity expected to be physically located within your Protected Area. You will have 60 days to advise us in writing that you wish to participate in the Territory Opportunity.

(b) If you do not notify us within such period, then we may pursue such Territory Opportunity and/or grant any other person or entity the right to participate in such Territory Opportunity without any liability to you.

(c) If you timely notify us in writing that you wish to participate in the Territory Opportunity, then we may condition your participation on compliance with such terms and conditions as we consider appropriate to the particular Territory Opportunity, including: (i) execution of such franchise agreement and related agreements as are then generally used by us in connection with the award of the applicable Territory Opportunity; (ii) timely payment of all initial fees and any other fees charged by us or our affiliate in connection with the award or grant of the applicable Territory Opportunity; and (iii) meeting our then-current eligibility requirements applied by us to candidates for such Territory Opportunity.

4. TERM AND RENEWAL

4.1 Generally. The term of this Agreement will begin on the Effective Date and expire 10 years thereafter (the “**Term**”), unless terminated sooner in accordance with Section 20. If this Agreement is the initial franchise agreement for your Center, you may enter into a maximum of 2 consecutive successor franchise agreements (each a “**Successor Agreement**”) as long as you meet the conditions for renewal specified below. You agree to fulfill your obligations and exert your best efforts to do so, for the full Term. The Successor Agreement shall be the then-current form of franchise agreement that we use in granting FYZICAL® Center franchises as of the expiration of the Term or renewal term, as applicable. The terms and conditions of the Successor Agreement, including, without limitation, the fees payable under it, may vary materially and substantially from the terms and conditions of this Agreement. The renewal terms will be 10 years each. You will have no further right to operate your Center following the expiration of the final renewal term, unless we grant you another franchise in our sole discretion. If this Agreement is a Successor Agreement, the renewal provisions in your original franchise agreement will dictate the length of the Term as well as your remaining renewal rights, if any.

4.2 Renewal Requirements. In order to enter into a Successor Agreement, you and the Owners (as applicable) agree to: (a) notify us in writing of your desire to enter into a Successor Agreement not less than 90 days nor more than 180 days before the expiration of the Term; (b) not be in default under this Agreement or any other agreement with us or any affiliate of ours at the time you send the renewal notice or the time you sign the Successor Agreement; (c) sign the Successor Agreement and all ancillary documents that we require franchisees to sign; (d) pay a successor franchise fee in an amount equal to 10% of the then-current initial franchise fee (“**Successor**

Franchise Fee”) at the time you sign the Successor Agreement; (e) sign a General Release; (f) remodel your Center to comply with our then-current standards and specifications; (g) have the right under your lease to maintain possession of the Approved Location throughout the entire duration of the renewal term; and (h) take any other additional action that we reasonably require.

5. TRAINING AND CONFERENCES

- 5.1 Initial Training Program.** You agree your Operating Principal (or the franchisee, if there is no designated Operating Principal) will attend and successfully complete our pre-lab courses and orientation program not later than 90 days from the Effective Date of this Agreement, and complete our lab program at least 60 days prior to the opening of your Center, unless we otherwise agree in writing. Otherwise, attendance by your employees is optional; however, you are solely responsible for training all of your employees and ensuring they are fully trained to perform their duties. We do not charge a fee for providing the initial training to your attendees, but you are responsible for all travel and living expenses incurred by your attendees in accordance with Section 5.5 below. Notwithstanding anything to the contrary in this Agreement, you agree to pay us an initial training fee that shall not exceed \$1,500 per person for training your replacement Operating Principal.
- 5.2 Periodic Training.** From time to time, we may offer refresher or additional training courses for you, your Operating Principal, Clinical Director and/or Licensed Professionals. Attendance at these training programs is mandatory, unless we otherwise agree in writing. We reserve the right to charge a reasonable fee not to exceed \$1,500 for each person who attends any refresher or additional training program. This fee is due immediately before training begins. You will be responsible for all travel and living expenses for your trainees as provided in Section 5.5 below. If you request additional or special training for your employees, all of the expenses that we incur in connection with such training, including then-current per diem charges and travel and living expenses incurred by our training personnel, will be your responsibility.
- 5.3 On-Site Training.** Notwithstanding anything to the contrary in this Agreement, if we agree, at our option and subject to the availability of our training personnel, to provide any on-site training at your Center, you agree to pay us a reasonable fee, in an amount to be mutually agreed upon, for each of our personnel providing such on-site training and to reimburse us for all reasonable travel, meals, lodging and other expenses that we incur in providing the on-site training. These amounts are due 10 days after invoicing.
- 5.4 Conferences.** We may hold periodic national or regional conferences, including an annual conference (up to 2 days in duration), to discuss various business issues and operational and general business concerns affecting FYZICAL® Centers. Attendance at these conferences may be optional or mandatory, as we determine in our sole discretion, but we will not require attendance at more than 1 mandatory conference during any 12-month period. We will not charge any registration fees for Owners to attend our annual conference(s) but you will be responsible for all travel and living expenses for your trainees as provided in Section 5.5 below.
- 5.5 Expenses.** You are responsible for all food, lodging and travel costs that your Owners, managers and/or employees incur while attending any training program or conference.
- 5.6 Online Training.** Notwithstanding anything to the contrary, for any training program or national or regional conferences that we conduct, we may, in our discretion, supplement or replace in-person training with live or recorded online training modules.

6. OTHER FRANCHISOR ASSISTANCE.

- 6.1 Training.** We will provide the training described in Section 5 of this Agreement.
- 6.2 Manuals.** During the Term, we will provide you access (which may be electronic) to our confidential operating manuals (collectively, the “**Manuals**”), which will contain mandatory system standards that we periodically prescribe for developing and operating the FYZICAL® Centers (“**System Standards**”), information on suggested and mandatory procedures, and your other obligations under this Agreement. The Manuals will help you establish and operate your Center. The information in the Manuals is confidential and proprietary and may not be disclosed to third parties without our prior written approval.
- 6.3 Software.** It may be beneficial for us to obtain software to assist in the operation of FYZICAL® Centers. If we do so, we also may license or sublicense such software or technology to you (the “**Software**”) pursuant to a license agreement we specify. In that case, you agree to pay us initial and ongoing software licensing and/or support fees in the amount that we designate from time to time, as prescribed in our Manuals. Software is confidential and remains our property. As of the Effective Date we do not provide the service and thus do not charge such fees.
- 6.4 Additional Assistance Upon Request.** Upon your written request, we may provide additional assistance or training to you at a mutually convenient time. If we agree to provide the additional assistance or training, you agree to pay our standard fees. If we provide additional assistance or training at your Center, you agree to also reimburse us for all costs that we incur for food, lodging and travel. The additional assistance fee and any expense reimbursement, if applicable, are due 10 days after invoicing.
- 6.5 General Guidance.** Based upon periodic inspections of your Center, as conducted by us in our sole discretion, or reports that you submit to us, we will provide our guidance and recommendations on ways to improve the marketing and/or operation of your Center.
- 6.6 Website.** Due to the importance of maintaining a uniform presence on the internet, we will maintain a Website for the FYZICAL® Center system that will include the information about your Center as we deem appropriate. We may modify the content of and/or discontinue the Website at any time in our sole discretion.
- 6.7 Purchase Agreements.** We may, but need not, negotiate purchase agreements with suppliers to obtain discounted prices for us and FYZICAL® Center franchisees. We may receive compensation from suppliers for our procurement and purchasing services. We may also purchase certain items from suppliers in bulk and resell them to you at our cost plus shipping fees and a reasonable markup.
- 6.8 Discount Purchases.** It may be beneficial to acquire inventory in bulk for cost savings and quality control. Thus, we may purchase in bulk certain inventory and either resell those items to, or have suppliers sell direct to, you and other FYZICAL® Center franchisees at discounted prices that we negotiate (subject to any rebates the suppliers pay to us for our purchasing and sourcing services). We make no representations or warranties (and specifically disclaim all warranties including the implied warranty of merchantability or fitness for a particular purpose) and shall have no liability to you with respect to the items that you purchase from us. Payments for these goods will be due at the time the order is placed. You are responsible for all shipping and handling costs.
- 6.9 Private Label Goods.** If we develop private label products for sale at your Center, you agree to maintain a reasonable inventory of these items at your Center at all times.

6.10 Telephone; E-mail; Call Center Services. For brand consistency and uniform and efficient customer service, we may control all telephone numbers and e-mail addresses used in the operation of your Center. We may assign or designate telephone number(s) and e-mail address(es) that you agree to use in the operation of your Center and charge you a reasonable fee to cover the cost of such telephone number(s) and e-mail address(es). We may also institute a “1-800” or centralized telephone number and/or call center services for all FYZICAL® Centers and require you to pay us or our designee associated support fees, in the amount designated by us from time to time. As of the Effective Date, we do not provide the service and thus do not charge any fee for it; however, we reserve the right to do so upon 30 days’ prior written notice to you.

7. ESTABLISHING YOUR Center

7.1 Selection of Approved Location. If as of the Effective Date, you have not obtained our prior written approval of your Approved Location, then you will, following the Effective Date, identify the Approved Location within the geographic boundaries of the territory (the “**Search Area**”) described in ATTACHMENT “B” to this Agreement and seek our written approval of such Approved Location. You acknowledge and agree that we are identifying the Search Area for the sole purpose of facilitating orderly development of the market and that the Search Area is not an exclusive or protected territory surrounding your Center. The Search Area may not be modified or amended except in a writing signed by us and specifically identified as an amendment to this Agreement. Once the Approved Location is identified, it will be inserted in ATTACHMENT “C” to this Agreement. You agree the Approved Location will conform to our then-current minimum site selection criteria for demographic characteristics, traffic patterns, parking, signage, character of neighborhood, competition from and proximity to other businesses, the size, appearance and other physical characteristics of the proposed site, and any other factors or characteristics that we consider appropriate. Our criteria, and our evaluation of them, may vary periodically and from location to location. You agree to send us a complete site report (containing the demographic, commercial and other information, photographs and video recordings that we may reasonably require) for your proposed site. We have the right to accept or reject all proposed sites for your Center in our commercially reasonable judgment. We will use our best efforts to approve or disapprove a proposed site within 15 days after we receive all of the requisite materials. Your site is deemed disapproved if we fail to issue our written approval within the 15-day period. You understand that our approval of a site does not constitute a representation or warranty of any kind, express or implied, of the suitability of the site for a FYZICAL® Center. Our approval of the site indicates only that we believe the site meets our minimum criteria. You may not operate your Center from any location other than the site that we have approved.

7.2 Lease. You agree to deliver copies of the proposed lease agreement and related documents to us prior to signing them. You agree not to sign any lease agreement or related documents (or any renewal of them) unless we have approved them. Our approval, which will not be unreasonably withheld, will be limited to ensuring that the lease and related documents are consistent with this Agreement and our standards and specifications for FYZICAL® Centers. You agree to promptly send us a copy of your fully executed lease for our records (no later than 5 days after their execution). If you and we are unable to agree on a site for your Center, or you have not obtained a fully signed lease agreement for the premises, within 120 days of the Effective Date, we may terminate this Agreement.

The lease for your Center must provide for certain provisions that we require as described in our then-current form of our standard Lease Addendum. A copy of our current form is attached hereto as ATTACHMENT “I”. It is your sole responsibility to obtain a fully executed Lease Addendum in connection with executing lease for your Center. If you or the landlord request that we consider any modifications to the Lease Addendum, and we elect to do so,

we may also require you to reimburse us all expenses that we incur (including attorneys' fees) in connection with such review. We may also reject any request for modifications to the lease addendum for any reason.

7.3 Construction. After you purchase or sign the lease for your premises, you agree, at your sole expense, to construct and equip the premises to the specifications contained in the Manuals and purchase (or lease) and install the equipment, fixtures, signs and other items that we require. We reserve the right to approve the architects, contractors and other suppliers you use to construct your Center. You acknowledge these requirements are necessary and reasonable to preserve the identity, reputation and goodwill we have developed, and the value of the franchise. Before you open, we must approve the layout of your Center.

7.4 Opening. You agree to open your Center to the public within 270 days from the Effective Date. Unless we otherwise agree in writing, you may not open your Center before: (i) successful completion of our pre-lab courses and orientation program by your Operating Principal (or you, if there is no Operating Principal) in accordance with Section 5.1; (ii) you purchase all required insurance; (iii) you obtain all required licenses, permits and other governmental approvals; and (iv) we provide our written approval of the construction, build-out and layout of your Center. You agree to notify us in writing within 48 hours after your Center obtains all necessary licenses and registrations to provide physical therapy services and provide us with copies of such licenses and/or registrations. You agree to send us a written notice identifying your proposed opening date at least 30 days before opening. We may conduct a pre-opening inspection of your Center and you agree to make any changes we require before opening. **TIME IS OF THE ESSENCE. BY VIRTUE OF OPENING YOUR CENTER, YOU ACKNOWLEDGE THAT WE HAVE FULFILLED ALL OF OUR PRE-OPENING OBLIGATIONS TO YOU.**

7.5 Relocation. You may relocate your Center with our prior written approval, which we will not unreasonably withhold. If we allow you to relocate, you agree to: (a) comply with Sections 7.1 through Section 7.3 of this Agreement with respect to your new Center; (b) open your Center for business at the new Approved Location within 10 days following the closure of your Center at the former Approved Location; and (c) continue to pay us Royalties and any other recurring fees during any period that your Center is closed for relocation. You agree to reimburse us for any costs and expenses that we incur in connection with the relocation of your Center. These amounts will be due upon receipt of our invoice.

8. MANAGEMENT.

8.1 Operating Principal(s). You acknowledge and agree that a major requirement for the success of your Center is the active, continuing, and substantial personal involvement and on-premises supervision of the Center. You agree that your Center will, at all times, have Licensed Professionals qualified under the laws of your state to perform and provide the services offered at your Center. Accordingly, you shall conform your conduct and business operations to the foregoing standard. If an Entity or more than one natural person is the franchisee under this Agreement, then you shall designate one or more of your Owners or principal officers, acceptable to us (individually or collectively, the "**Operating Principal**"). Unless otherwise approved by us in writing, the Operating Principal must directly supervise and be responsible for the day-to-day management and proper operation of the Center in all respects whatsoever. You agree that the Operating Principal has the authority to bind you regarding all operational decisions with respect to the Center. Your Operating Principal and any Licensed Professionals engaged by you who will be involved in the operations of the Center agree to comply with all applicable federal and state laws and regulations. You agree your Operating Principal (or the franchisee, if there is no designated Operating Principal) will attend and successfully complete our pre-lab courses and orientation program not later than 90 days from the Effective Date of this Agreement, and complete our lab program at least 60 days prior to the opening of your Center. In the event you

replace your Operating Principal, such replacement Operating Principal must complete our pre-lab courses, orientation program and lab program (as described in Section 5.1) before managing your Center. Your Clinical Director, Licensed Professionals and other employees or representatives who have access to our trade secrets and other confidential information will execute a Noncompetition Agreement before having access to said operational systems, trade secrets, and other confidential information. You, your Clinical Director, Licensed Professionals and other employees and representatives also agree to executed a Media Release Consent Form in the form attached hereto as ATTACHMENT “K”.

8.2 Clinical Director. If you (or your Operating Principal) will not be actively supervising and managing the Center or if you (or your Operating Principal) do not qualify as a Licensed Professional, then you agree to recruit and hire a “**Clinical Director**”. You agree that the Clinical Director will: (i) be a Licensed Professional; (ii) have a sufficient amount of experience (in terms of duration, operational responsibilities, previous training, etc.) as a general manager or in a similar supervisory position to demonstrate that he or she is capable of managing a FYZICAL® Center on a full-time ongoing basis; (iii) have management responsibility and authority over the day-to-day operations of the Center; (iv) be actively employed by you or the Entity on a full-time basis to manage the Center’s operations; (v) be bound by our then-current form of confidentiality and non-competition agreement (or other contract in form and substance satisfactory to us); and (vi) have satisfactorily completed our initial training program and any other training programs we require from time to time.

8.3 Employees. You are solely responsible for hiring, training, and supervising honest, reliable, competent and courteous employees for the operation of your Center. You agree to pay all wages, commissions, fringe benefits, worker’s compensation premiums and payroll taxes (and other withholdings required by law) due for your employees. These employees will be employees of yours and not of ours. You agree to ensure that a sufficient number of trained employees are available to meet the operational standards and requirements of your Center at all times. You may give your employees only the minimum amount of information and material from the Manuals that is necessary to enable them to perform their assigned tasks. You agree to ensure that your employees do not make or retain any copies of the Manuals or any portion of the Manuals. We do not control the day-to-day activities of your employees or the manner in which they perform their assigned tasks. We also do not control the hiring or firing of your employees. You are solely responsible for training all of your employees and ensuring they are fully trained to perform their duties. We do not require your employees to attend our training programs.

9. FRANCHISEE AS ENTITY.

If you are an Entity, the Statement of Ownership Interest in the form attached as ATTACHMENT “D” to this Agreement will completely and accurately describe all your Owners and their interests in the Entity. You and your Owners agree to deliver to us the revised Statement of Ownership Interest as may be necessary to reflect any ownership changes during the Term (no ownership changes may be made without our prior approval). All Owners are jointly and severally responsible for the Entity’s performance of this Agreement and bound by all of the terms of this Agreement. Upon our request, you agree to provide us with a resolution of the Entity authorizing the execution of this Agreement, a copy of the Entity’s organizational documents and a current Certificate of Good Standing (or the functional equivalent thereof), and such other information as we may request. You represent that the Entity is duly formed and validly existing under the laws of the state of its formation or incorporation.

10. GUARANTY.

If you are an Entity, all Owners (whether direct or indirect) agree jointly and severally guarantee the Entity’s performance of this Agreement and shall bind themselves to the terms of this Agreement by signing our

standard Owners' Guaranty, the current form of which is attached as ATTACHMENT "E." We will also require the spouse of each owner to consent to his/her marital property be bound by the guaranty.

11. ADVERTISING & MARKETING.

11.1 Grand Opening Marketing Fund.

(a) **Payment of Grand Opening Marketing Fund.** You agree to pay the amount set forth on ATTACHMENT "L" (the "**Grand Opening Marketing Fund**") to be used for the initial advertising, marketing and public relations programs and materials that we deem necessary or appropriate, in our sole discretion, in connection with the opening of your Center and for the first five months after your Center's Opening Date. Your Grand Opening Marketing Fund will be such amount as determined by us, and is expected to be at least \$5,000 but will not exceed \$18,000. We will electronically debit the amount of your Grand Opening Marketing Fund from your checking account 60 days prior to the date your Center opens for business, and intend to start implementing such advertising/marketing starting 30 days from the date your Center opens for business. We reserve the right to defer or reduce the Grand Opening Marketing Fund for any FYZICAL® Center. If there are unspent monies in your Grand Opening Marketing Fund after your Center has been open for five months, we will distribute the unspent monies to you (within 30 days after the expiration of such five-month period).

(b) **Use of the Grand Opening Marketing Fund.** We will direct all programs financed by your Grand Opening Marketing Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. You agree that your Grand Opening Marketing Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, market research and other advertising, promotion and marketing activities. Your Grand Opening Marketing Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

(c) **Accounting for the Grand Opening Marketing Fund.** Your Grand Opening Marketing Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses. All interest earned on monies contributed to your Grand Opening Marketing Fund will be used to pay advertising costs before other assets of your Grand Opening Marketing Fund are expended. We will prepare a statement, which need not be audited, of monies collected and costs incurred by your Grand Opening Marketing Fund and furnish the statement to you within five months after your Center's Opening Date.

(d) **Grand Opening Marketing Fund Limitations** You acknowledge that your Grand Opening Marketing Fund is intended to maximize recognition of the Marks and patronage of your Center. Although we will endeavor to utilize your Grand Opening Marketing Fund to develop advertising and marketing materials and programs and to place advertising that will benefit your Center, we undertake no obligation to ensure that your Center will benefit directly from the development of advertising and marketing materials or the placement of advertising. The Grand Opening Marketing Fund is not a trust, and we do not owe you fiduciary obligations because we maintain, direct or administer your Grand Opening Marketing Fund or for any other reason. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing or administering, your Grand Opening Marketing Fund.

11.2 Marketing Fund.

(a) **Establishment of Marketing Fund.** You must participate in any fund that we establish (the "**Marketing Fund**") for such advertising, marketing and public relations programs and materials that we

deem necessary or appropriate, in our sole discretion. The Marketing Fund Contributions are payable weekly or as otherwise prescribed by us in the Manual. We may require you to pay the Marketing Fund Contributions via automatic debit from your checking account. We reserve the right to defer or reduce contributions of any FYZICAL® Center. We may upon 30 days' prior written notice to you, reduce or suspend contributions to and operations of the Marketing Fund for any duration and to terminate (and, if terminated, to reinstate) the Marketing Fund. If the Marketing Fund is terminated, we may in our sole discretion either utilize all the unspent monies on the date of termination in accordance with this Section 11.1 or distribute the unspent monies to our franchisees in proportion to their respective contributions to the Marketing Fund during the preceding 12 calendar months. We and our affiliates will contribute to the Marketing Fund on the same basis as franchise owners for any FYZICAL® Centers we or they own and operate.

(b) **Use of the Marketing Fund.** We direct all programs financed by the Marketing Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. You agree that the Marketing Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, market research and other advertising, promotion and marketing activities. The Marketing Fund periodically will furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

(c) **Accounting for the Marketing Fund.** The Marketing Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead, including rent and utilities, as we may incur in activities related to the administration of the Marketing Fund and its programs, including, without limitation, conducting market research, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the Marketing Fund. All interest earned on monies contributed to the Marketing Fund will be used to pay advertising costs before other assets of the Marketing Fund are expended. We may spend on behalf of the Marketing Fund, in any fiscal year an amount greater or less than the aggregate contribution of all FYZICAL® Centers to the Marketing Fund in that year. The Marketing Fund may borrow from us or others to cover deficits or invest any surplus for future use. If we lend money to the Marketing Fund, we may charge interest at an annual rate 1% greater than the rates we pay our lenders. We will prepare an annual statement, which need not be audited, of monies collected and costs incurred by the Marketing Fund and furnish the statement to you upon written request. We have the right to cause the Marketing Fund to be incorporated or operated through a separate entity at such time as we deem appropriate, and such successor entity will have all of the rights and duties specified in this Agreement.

(d) **Marketing Fund Limitations.** You acknowledge that the Marketing Fund is intended to maximize recognition of the Marks and patronage of FYZICAL® Centers. Although we will endeavor to utilize the Marketing Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all FYZICAL® Centers, we undertake no obligation to ensure that expenditures by the Marketing Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Marketing Fund by FYZICAL® Center operating in that geographic area or that any FYZICAL® Center will benefit directly or in proportion to its contribution to the Marketing Fund from the development of advertising and marketing materials or the placement of advertising. The Marketing Fund is not a trust, and we do not owe you fiduciary obligations because we maintain, direct or administer Marketing Fund or for any other reason. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing or administering, the Marketing Fund.

11.3 Local Advertising. We may require you to spend at least 5%, but not more than 8% of your Center's Gross Revenue per month for local advertising and marketing to promote your Center

based on marketing, advertising and promotional programs we develop from time to time; provided, however, that during the first five months after your Center's Opening Date, your local advertising requirement will be reduced by the amount that you contribute to the Grand Opening Marketing Fund (dollar for dollar), up to the amount of your local advertising requirement. You may spend more than this amount, at your discretion. You agree that all such advertising is subject to our approval. You agree to participate at your own expense in all advertising, promotional and marketing programs and campaigns, including without limitation, radio, television, direct mail, internet, newspaper, and/or magazine, and to use any marketing or advertising materials that we develop for FYZICAL® Centers. Your failure to comply with this Section will be deemed a material breach of this Agreement.

- 11.4 Participation in Co-op.** If an association of franchise owners is established in a geographic area in which your Center is located (the "Co-op"), you must join and actively participate in it. You must contribute to the Co-op such amounts as are determined by it from time to time, subject to a maximum of 5% of your Center's Gross Revenue unless the Co-op approves a higher percentage. Your local advertising requirement will be reduced by the amount that you contribute to any Co-op (dollar for dollar), up to the amount of your local advertising requirement. The Co-op shall use the contributions received by it to develop local or regional advertising or promotional program pursuant to its rules, regulations and procedures, which you must follow. If the Co-op members are unable to agree upon the required expenditures that the Co-op must undertake, we shall set the minimum amount of expenditure and the form of expenditures that the Co-op must undertake. **Standards for Advertising.** All advertisements and promotions that you create or use will be completely factual and conform to the highest standards of ethical advertising and comply with all federal, state and local laws. You agree to ensure that your advertisements and promotional materials do not infringe upon the intellectual property rights of others. For uniformity and to ensure customers know of the chain, you will include the locations and telephone numbers of other FYZICAL® Centers, whether franchised or owned by us or our affiliates, in any advertising for your Center, as outlined in the Manuals from time to time. You will not be entitled to any compensation for doing so.
- 11.6 Approval of Advertising.** To protect and maintain brand consistency, before you use any advertising, marketing or promotional materials that we did not prepare or previously approve, you agree to obtain our approval. If you do not receive our approval within 30 days after submission to us, then they will be deemed disapproved. You may not use any advertising or promotional materials that we have disapproved (including materials that we previously approved and later disapprove).
- 11.7 Internet and Websites.** We maintain an internet website at the uniform resource locator ("URL") www.fyzical.com (the "Website") that provides information about the FYZICAL® Centers system and the services that we and our franchisees provide. So long as you are in compliance with your obligations under this Agreement, a webpage on the Website will containing information about your Center. We may require you to prepare all or a portion of the webpage, at your expense, using templates that we provide. Notwithstanding the foregoing, the privacy policy linked to your webpage must comply with all applicable laws, the System Standards, and other terms and conditions that we may prescribed in writing. All such information will be subject to our approval prior to posting. We reserve the right to charge you a reasonable fee for website development, hosting and/or search engine optimization services that we or our designee provide for the Website or any internet website(s) that we maintain, or permit you to maintain, related to your Center. For uniformity and other reasons, you may not maintain a World Wide website, conduct e-commerce, or otherwise maintain a presence or advertise on the internet or any other public computer network in connection with your Center except as we periodically allow. We may allow you to maintain any websites you created prior to the Effective

Date for redirection to the Website. We may permit you to have a presence on several media networks, such as social groups or pages identifying your Center. You and your employees may interact with clients or friends on those social media networks in a manner that is consistent with the rules and policies of the applicable social media network and with the professional business protocol in compliance with the Manuals. If we change our policy at a later date to allow franchisees to maintain their own Websites or market on the internet, you may do so only if you comply with all of the Website and internet requirements that we specify. In that case, we may require that you sign an amendment to this Agreement that will govern your ability to maintain a website and/or market on the internet.

12. OPERATING STANDARDS.

12.1 Generally. You agree to operate your Center: (a) in a manner that will promote the goodwill of the Marks; and (b) in full compliance with System Standards and all other terms of this Agreement and the Manuals. You agree that you will not, without our prior written approval, offer any services or merchandise that are not authorized by us for FYZICAL® Centers, nor shall your Center be used for any purpose other than operations in compliance with this Agreement and the Manuals. Furthermore, no Licensed Professional may perform physical therapy services or otherwise provide services or use their license except as authorized herein without our prior written consent, which may be withheld for any reason. Notwithstanding the provisions of this Section 12.1 restricting the practice of professional services at your Center, your employees who are Licensed Professionals may provide professional services outside of the Center as part of a professional practice to which the Licensed Professional belongs, provided that you and the Licensed Professionals shall not: (1) use our Intellectual Property, including, without limitation, our trade secrets, business methods, logotypes, service marks and trademarks, in such business or practice; (2) use the Know-how in such business or practice; and/or (3) develop a product or service in such business or practice or elsewhere that would diminish the business opportunities of your Center and other FYZICAL® Centers.

12.2 Operating Manuals. To ensure the uniform quality and appearance of FYZICAL® Centers, you agree to establish and operate your Center in accordance with the Manuals. The Manuals may contain, among other things: (a) a description of the authorized goods and services that you may offer at your Center; (b) mandatory and suggested specifications, operating procedures, and quality standards for products, services and procedures that we prescribe from time to time for FYZICAL® Center franchisees; (c) mandatory reporting and insurance requirements; (d) mandatory and suggested specifications for your Center; and (e) a written list of goods and services (or specifications for goods and services) you agree to purchase for the construction of your Center and the development and operation of your Center and a list of any designated or approved suppliers for these goods or services. We can modify the Manuals at any time. All mandatory provisions contained in the Manuals (whether they are included now or in the future) become part of this Agreement as if fully set forth herein. To the extent any of the System Standards, or other resources in the Manuals, address personnel or employment matters, those are not mandatory but are merely recommendations, suggestions or guidelines. System Standards do not include any mandatory requirements on your employees' wages, working conditions, hours, staffing levels, shift timing or other terms of employment; but may specify uniforms and appearance to meet brand standards.

12.3 Authorized Goods and Services. To ensure the uniform quality and appearance of FYZICAL® Centers, you agree to offer all goods and services that we require from time to time in our commercially reasonable judgment. You may not offer any other goods or services at your Center without our prior written permission, nor may you use your Center or permit your Center to be used for any purpose other than offering the goods and services that we authorize. You may

perform or provide physical therapy to treat any specific areas of the body or medical conditions for treatment and rehabilitation of injuries that is recognized as medically accepted by generally accepted professional organizations we have approved. We may, without obligation to do so, add, modify or delete authorized goods and services, and you agree to do the same upon notice from us. Our addition, modification or deletion of one or more goods or services shall not constitute a termination of the franchise or this Agreement. We will only delete a previously authorized service or treatment if we have determined in good faith that continuing to offer it would unreasonably risk harm or disrepute to our brand, the System or the goodwill associated with the Marks.

- 12.4 Suppliers and Purchasing.** You agree to purchase or lease all products, supplies, equipment, including computer hardware and software, services and other items specified in the Manuals from time to time. If required by the Manuals, you agree to purchase certain goods and services only from suppliers designated or approved by us (which may include, or be limited exclusively to, us or our affiliate). You acknowledge that our right to specify the suppliers that you may use is necessary and desirable so that we can control the uniformity and quality of goods and services used, sold or distributed in connection with the development, construction and ongoing operation of FYZICAL® Centers, maintain the confidentiality of our trade secrets, obtain discounted prices for our franchisees if we choose to do so, and protect the reputation and goodwill associated with the System and the Marks. If we receive rebates, administrative fees, or other financial consideration from these suppliers for our services and specifications that are based upon franchisee purchases, we have no obligation to pass these amounts on to you or to use them for your benefit. To the extent we receive rebates, administrative fees or other payments from a supplier of products to you that would otherwise be subject to Section 1128B(b) of the Social Security Act, then: (a) the compensation to us accountable for your purchases from such supplier will not exceed 3% of the purchase price you pay for the products furnished by such supplier; and (b) we will report to you in writing at least annually the actual amount we received from that supplier. If you want us to approve a supplier that you propose, you agree to send us a written notice specifying the supplier's name and qualifications and provide any additional information that we request. We will approve or reject your request within 30 days after we receive your notice and all additional information (and samples) that we require. We shall be deemed to have rejected your request if we fail to issue our approval within the 30-day period. We may charge a reasonable fee for evaluating alternative suppliers, products or services, plus the actual cost of travel and living expenses of our personnel as well as any fees we pay to third parties in furtherance of the evaluation. You agree to pay us these amounts within 10 days after invoicing.
- 12.5 Equipment Maintenance and Changes.** You agree to maintain your Center and all equipment in good condition and promptly replace or repair any equipment that is damaged, worn-out or obsolete. We may require that you change your equipment, which may require you to make additional investments. You acknowledge that our ability to require franchisees to make significant changes to their equipment is critical to our ability to administer and change the System and you agree to comply with any such required change, at your expense, within the time period that we reasonably prescribe, all as contained in this clause or the Manuals.
- 12.6 Software and Technology.** As per our System Standards, we may develop proprietary or non-proprietary software programs, systems and/or technology that we specify or mandate to use by FYZICAL® Center franchisees. We may do so periodically at any time and may modify, enhance, add to, or eliminate the use of any such computer software and similar systems. You will acquire and implement such systems on or before the deadlines we specify for doing so. In this connection, we may require that:

(a) You and we (or our affiliate) enter into a license agreement which may require you to pay us commercially reasonable licensing, support and maintenance, and hosting fees. The terms of the license agreement will govern the terms pursuant to which you may utilize this software or technology;

(b) If we enter into a master software or technology license agreement with a third party licensor and then sublicense the software or technology to you, in which case we may charge you for all amounts that we pay to the licensor based on your use of the software or technology, plus a reasonable amount to compensate us for installation or support services that we or our affiliate provide;

(c) You obtain or license the software, technology or systems directly from the providers on such terms as we have approved; and/or

(d) Any combination of the foregoing.

All fees referenced in this Section payable to us (or our affiliate) are due on the 5th day of the month or as otherwise specified in the Manuals.

12.7 Remodeling and Maintenance. You agree to remodel and make all improvements and alterations to your Center that we reasonably require from time to time to reflect our then-current image, appearance and Center specifications. You may not remodel or significantly alter your premises without our prior written approval, which will not be unreasonably withheld. However, we will not be required to approve any proposed remodeling or alteration that would not conform to our then-current specifications, standards or image requirements. You agree to maintain your Center in good order and condition, reasonable wear and tear excepted, and make all necessary repairs, including replacements, renewals and alterations, at your sole expense, to comply with our standards and specifications. Without limiting the generality of the foregoing, you agree to take the following actions at your sole expense: (a) thorough cleaning, repainting, redecorating of the interior and exterior of the Center at the intervals we may prescribe (or at such earlier times that such actions are required or advisable); and (b) interior and exterior repair of the Center as needed. You agree to comply with any maintenance, cleaning or Center upkeep schedule that we prescribe from time to time.

12.8 Hours of Operation. You agree that your Center will be open during the days and hours specified in the Manuals. You understand that your clients may require assistance outside normal business hours. During business hours, you will have management personnel on duty who are responsible for supervising the Center's employees and operations.

12.9 Client Complaints. If you receive a client complaint, you agree to follow the complaint resolution process that we specify in the Manuals to protect the goodwill associated with the Marks and the System.

12.10 Business Formats. We have established and may continue to develop business formats and protocols (the "**Business Formats**") relating to the engagement of and your relationship with your Licensed Professional(s). The Business Formats are proprietary and confidential in nature. We have created the Business Formats in an effort to structure an effective relationship between you and the Licensed Professionals involved with your Center. The Business Formats are provided for your benefit. You agree to provide the Business Formats to a lawyer retained by you and licensed to practice in the state where your Center will be located to ensure compliance with your state's laws and regulations. You agree to Business Formats as the basis for any relationship between you and any of the Licensed Professionals, although the specific terms and conditions may be modified in order to comply with your local law or to reflect negotiated changes between you and the Licensed Professionals. We may require you to obtain our prior written approval of the final Business Formats before its implementation. If you do not receive

written notice of approval from us within 30 days of our receipt of all requested information, your proposed Business Formats shall be deemed disapproved. Our written approval of your Business Formats does not constitute our guarantee of a successful relationship between you and the Licensed Professionals. We will not, including through the Business Formats, interfere with your or your Licensed Professional’s professional judgment.

12.11 Information Security. You must implement all administrative, physical and technical safeguards necessary to protect any information that can be used to identify an individual, including names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, government-issued identification numbers and credit report information (“**Personal Information**”) in accordance with applicable law and industry best practices. It is entirely your responsibility (even if we provide you any assistance or guidance in that regard) to confirm that the safeguards you use to protect Personal Information comply with all applicable laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately of the breach or unauthorized access, and specify the extent to which Personal Information was compromised or disclosed, and your plans to correct and prevent any further breach or unauthorized access. You will allow us, in our discretion, to participate in any response or corrective action. You and we agree to the terms and conditions of the Business Associate Agreement in the form attached hereto as Attachment J in compliance with the Health Insurance Portability and Accountability Act of 1996.

13. FEES

13.1 Initial Franchise Fee. Concurrently with the execution of this Agreement, you must pay us a non-recurring and non-refundable initial franchise fee of \$49,000. However, if you enter into two (2) or more Fyzical® franchise agreements concurrently to open two (2) or more Centers (i.e., you enter into two or more Franchise Agreements at the same time), you must pay us a non-recurring and non-refundable initial franchise fee of \$49,000 for the first Center, \$35,000 for the second Center, and \$20,000 for the third and each subsequent Center. The initial franchise fee is payable in full in one lump sum at the time you sign this Agreement, less any amounts: (i) credited against any deposit paid; and (ii) we have agreed to finance, in which case you will sign our standard form of promissory note for payment of the balance due. The initial franchise fee is fully earned by us and non-refundable once this Agreement has been signed.

13.2 Royalty Fee. Beginning on the Royalty Commencement Date (as defined in Section 13.4), you agree to pay us the following amount as the continuing monthly royalty fee (the “**Royalty**”):

Period	The Greater Of Minimum Guaranteed Royalty per month	Percentage of Gross Revenue for the preceding month
Year 1	\$1,000	6%
Year 2	\$2,000	6%
Year 3 and thereafter	\$3,000	6%

“**Year 1**” begins on the Royalty Commencement Date and ends on its first anniversary. Each subsequent year begins at the end of the previous year and ends 12 months later and so on. We reserve the right to charge you (and you agree to pay) the Minimum Guaranteed Royalty Payment if revenues are not reported as outlined in Section 15.4.

- 13.3 Gross Revenues.** As used in this Agreement, “**Gross Revenue**” means all revenue you derive from operating the Center, including, but not limited to, all amounts you receive from any activities or services whatsoever, whether at or away from the Center, including any products or services that are in any way associated with the Marks, and whether from cash, check, barter, debit or credit (regardless of collection in the case of credit), less: (i) promotional discounts or coupons required by us; (ii) patient refunds, adjustments, credits or allowances made by the Center in good faith and in accordance with our policies; and (iii) all federal, state, or municipal sales, use or service taxes collected from patients and paid to the appropriate taxing authority. The proceeds of any business interruption insurance or similar insurance payments you receive to replace revenue that you lose from the interruption of your Center due to a casualty or other similar event will be considered Gross Revenue.
- 13.4 Timing.** The “**Royalty Commencement Date**” for a New Center or MD Affiliate Center shall be the 5th day of the fourth full month following the Opening Date (as defined in Section 3.3). The “**Royalty Commencement Date**” for a Conversion Center shall be the 5th day of the first full calendar month following the Opening Date (as defined in Section 3.3). You agree that we will receive the Royalty, together with a report of the Center’s Gross Revenue for the immediately preceding month, on or before the fifth (5th) day of each month or as otherwise specified in the Manuals.
- 13.5 Marketing Fund Contributions.** If we establish a Marketing Fund, you agree to contribute to the Marketing Fund such amounts that we designate from time to time, but not more than 2% of your Center’s Gross Revenues (the “**Marketing Fund Contributions**”) during each week. The Marketing Fund Contributions are payable on the Payment Day or as otherwise prescribed by us in the Manual.
- 13.6 Other Fees and Payments.** You agree to pay all other fees, expense reimbursements and other amounts specified in this Agreement in a timely manner as is fully set forth in this Section 13. You also agree to promptly pay us an amount equal to all taxes levied or assessed against us based upon goods or services that you sell or based upon goods or services that we furnish to you (other than income taxes that we pay based on amounts that you pay us under this Agreement).
- 13.7 Interest on Late Payments.** If any sums due under this Agreement have not been received by us when due (or there are insufficient funds in your Account to cover any sums owed to us when due) then, in addition to those sums, you agree to pay us interest on the amounts past due at the rate equal to the lesser of 12% per annum or the highest rate permitted by applicable law. If no due date has been specified by us, then interest begins to accrue 10 days after we bill you. We will not impose a late fee for any amounts paid pursuant to Section 13.7 if, but only to the extent that, sufficient funds were available in your Account to be applied towards the payments at the time the payments became due and payable. However, we may impose a late fee for any amounts that we are unable to reasonably determine due to your failure to furnish us with a report required by Section 15.4 within the required period of time or record sales in a timely manner, in which case we may assess a late fee on the entire amount that was due and payable. You acknowledge that this Section 13.7 shall not constitute our agreement to accept the late payments after same are due, or a commitment by us to extend credit to or otherwise finance the operation of your Center.
- 13.8 Method of Payment.** You agree to complete and send us an ACH Authorization Form allowing us to electronically credit and debit a banking account that you designate (your “**Account**”) for: (a) all fees payable to us pursuant to this Agreement (other than the initial franchise fee); (b) any amounts that you owe to us or any of our affiliates for the purchase of goods or services; and (c) any amounts that we or our affiliate owe you for any amounts that we or they collect on your behalf. Our current form of ACH Authorization Form is attached to this Agreement as

ATTACHMENT “F.” You agree to sign and deliver to us any other documents that we or your bank may require to authorize us to credit and debit your Account for these amounts. You agree to deposit into the Account all revenues that you generate from the operation of your Center. You agree to make sufficient funds available for withdrawal by electronic transfer before each due date. If there are insufficient funds in your Account to cover all amounts that you owe, any excess amounts that you owe will be payable upon demand, together with an insufficient funds fee in the amount of \$35 (per occurrence), plus any late charge imposed pursuant to Section 13.8.

13.9 Application of Payments. We have sole discretion to apply any payments from you to any past due indebtedness of yours or in any other manner we feel appropriate.

13.10 Adjustments. If we determine that applicable laws or regulations will not permit the payment of Royalty or Marketing Fund Contribution that is based on Gross Revenue, or raise sufficient risk of such payments being held unlawful, then we may require you to pay us a monthly Royalty equal to \$800 per Therapist and a monthly Marketing Fund Contribution equal to \$133 per Therapist (as defined below) based on the number of Therapists at your Center during the immediately preceding month. For purposes of this calculation, “**Therapist**” includes each physical therapist and physical therapist assistant.

14. RESTRICTIVE COVENANTS.

14.1 Reason for Covenants. You acknowledge that the Intellectual Property and the training and assistance that we provide would not be acquired except through implementation of this Agreement. You also acknowledge that competition by you, the Owners or persons associated with you or the Owners (including family members) could seriously jeopardize the entire franchise system because you and the Owners have received an advantage through knowledge of our day-to-day operations and Know-how related to the System. Accordingly, you and the Owners agree to comply with the covenants described in this Section to protect the Intellectual Property and our franchise system.

14.2 Our Know-How. You and the Owners agree: (a) neither you nor any Owner will use the Know-how in any business or capacity other than the operation of your Center pursuant to this Agreement; (b) you and the Owners will maintain the confidentiality of the Know-how at all times; (c) neither you nor any Owner will make unauthorized copies of documents containing any Know-how; (d) you and the Owners will take all reasonable steps that we require from time to time to prevent unauthorized use or disclosure of the Know-how; and (e) you and the Owners will stop using the Know-how immediately upon the expiration, termination or Transfer of this Agreement and return all copies of any Know-how to us, and any Owner who ceases to be an Owner before the expiration, termination or Transfer of this Agreement will stop using the Know-how immediately at the time he or she ceases to be an Owner and return all copies of any Know-how to us.

14.3 Unfair Competition During Term. You and your Owners agree not to unfairly compete with us during the Term by engaging in any of the following activities (“**Prohibited Activities**”): (a) acquiring or developing, or having any direct or indirect interest as a disclosed or beneficial owner in, any Competitive Business, other than owning an interest of less than 5% in a Competitive Business that is a publicly traded company; (b) offering or performing physical therapy services (other than through a FYZICAL® Center); (c) being employed or engaged as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business; (d) diverting or attempting to divert any business from us (or one of our affiliates or franchisees) to a Competitive Business; or (e) inducing any client of ours (or of one of our affiliates or franchisees) to transfer their business to any person that is not then a franchisee of ours.

- 14.4 Unfair Competition After Term.** During the Post-Term Restricted Period, you and your Owners agree not to engage in any Prohibited Activities. Notwithstanding the foregoing, you and your Owners may have an interest in, or be engaged by or perform services for, a Competitive Business during the Post-Term Restricted Period as long as the Competitive Business is not located within, and does not provide competitive goods or services to clients who are located within, the Restricted Territory. If you or an Owner engages in a Prohibited Activity during the Post-Term Restricted Period (other than having an interest in a Competitive Business that is permitted under this Section), then the Post-Term Restricted Period applicable to you or the non-compliant Owner, as applicable, shall be extended by the period of time during which you or the non-compliant Owner, as applicable, engaged in the Prohibited Activity
- 14.5 Immediate Family Members.** You and your Owners (as applicable) acknowledge that you and they could circumvent the purpose of Section 14 by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). The Owners also acknowledge that it would be difficult for us to prove whether the Owners disclosed the Know-how to family members. Therefore, each Owner agrees that he or she will be presumed to have violated the terms of Section 14 if any member of his or her immediate family engages in any Prohibited Activities during the Term or Post-Term Restricted Period or uses or discloses the Know-how. However, the Owner may rebut this presumption by furnishing evidence conclusively showing that the Owner did not disclose the Know-how to the family member.
- 14.6 Employees and Others Associated with You.** You agree to ensure that all of your employees, officers, directors, partners, members, independent contractors and other persons associated with you or your Center who may have access to our Know-how, and who are not required to sign a Noncompetition Agreement, sign and send us a Confidentiality Agreement, that will not otherwise contain any terms or conditions of employment, before having access to our Know-how. You agree to use your best efforts to ensure that these individuals comply with the terms of the Confidentiality Agreement and you agree to immediately notify us of any breach that comes to your attention. You agree to reimburse us for all reasonable expenses that we incur in enforcing a Confidentiality Agreement and/or Noncompetition Agreement, including reasonable attorneys' fees and court costs.
- 14.7 Covenants Reasonable.** You and the Owners acknowledge and agree that: (a) the terms of this Agreement are reasonable both in time and in scope of geographic area; (b) our use and enforcement of covenants similar to those described above with respect to other FYZICAL® Center franchisees benefits you and the Owners in that it prevents others from unfairly competing with your Center; and (c) you and the Owners have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. **YOU AND THE OWNERS HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS SECTION 14 AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.**
- 14.8 Breach of Covenants.** You and the Owners agree that failure to comply with the terms of this Section 14 will cause substantial and irreparable damage to us and/or other FYZICAL® Center franchisees for which there is no adequate remedy at law. Therefore, you and the Owners agree that any violation of the terms of this Section 14 will entitle us to injunctive relief. We may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies

available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you or an Owner may have against us, regardless of cause or origin, cannot be used as a defense against our enforcement of this Section 14. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable by reducing any part or all of it, you and we agree that such covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

15. YOUR OTHER RESPONSIBILITIES

15.1 Maximum and Minimum Prices. To the extent permitted by applicable law, we may periodically establish maximum and/or minimum prices for services and products that your Center offers, including, without limitation, prices for promotions in which all or certain FYZICAL® Centers participate. If we establish such prices for any product or service, you agree not to exceed or reduce that price, but will charge the price for the product or service that we establish.

15.2 Insurance. For your protection and ours, you agree to maintain in full force and effect during the Term, at your expense, the following insurance policies (in addition to any insurance that may be required by applicable law, any lender, or any lessor): (a) comprehensive general liability insurance against claims for bodily or personal injury, death and property damage caused by or occurring in connection with the operation of your Center; (b) property/casualty insurance for your Center and its contents; (c) worker's compensation insurance and employer's liability insurance as required by law; (d) professional liability and malpractice insurance; and (e) any other insurance that we specify in the Manuals or otherwise require from time to time. You agree to provide us with proof of coverage on demand. You agree to obtain these insurance policies from insurance carriers that are rated A or better by Alfred M. Best & Company, Inc. and that are licensed and admitted in the state in which you operate your Center. You agree that all insurance policies will: (1) (except for worker's compensation insurance) name us (and our members, officers, directors, and employees) as additional insureds; (2) contain such types and minimum amounts of coverage, exclusions and maximum deductibles as we prescribe from time to time; (3) contain a waiver by the insurance carrier of all subrogation rights against us; (4) provide that we receive 10 days prior written notice of the termination, expiration, cancellation or modification of the policy; and (5) include such other provisions as we may require from time to time. If any of your policies fail to meet these criteria, then we may disapprove the policy and you agree to immediately find additional coverage with an alternative carrier satisfactory to us. Upon 10 days' notice to you, we may increase the minimum protection requirement as of the renewal date of any policy, and require different or additional types of insurance at any time, including excess liability (umbrella) insurance, to reflect inflation, identification of special risks, changes in law or standards or liability, higher damage awards or other relevant changes in circumstances. If you fail to maintain any required insurance coverage, we have the right to obtain the coverage on your behalf (which right shall be at our option and in addition to our other rights and remedies in this Agreement), and you agree to promptly sign all applications and other forms and instruments required to obtain the insurance and pay to us, within 10 days after invoicing, all costs and premiums that we incur.

15.3 Books and Records. You agree to prepare and maintain at your Center for at least 10 years after their preparation, complete and accurate books, records, accounts and tax returns pertaining to your Center, including the records reasonably specified by us in the Manuals. You agree to establish and maintain, at your expense, a bookkeeping, accounting and recordkeeping system

conforming to the requirements and formats we prescribe from time to time. This may include, for example, a requirement that you use a cash basis method of accounting and/or adopt a calendar year end as your fiscal year end for reporting purposes. You agree to maintain, and furnish to us upon request, a list of all of your clients (excluding any protected health information). You agree to send us copies of your books and records within 7 days of our request.

15.4 Reports. You agree to furnish us on such forms that we prescribe from time to time, no later than the 5th of each month (or as otherwise prescribed by us in the Manuals):

- (a) a report on the Center's Gross Revenue during the immediately preceding month;
- (b) a complete roster including the names of all Therapists performing services at or for your Center during the immediately preceding month;
- (c) a report of your local advertising expenditures under Section 11.3 during the immediately preceding month (which shall be accompanied by copies of receipts for such expenditures, if requested by us);
- (d) a report of client visits during the immediately preceding month (which shall exclude any protected health information);
- (e) copies of bank statements for your Center's operating account(s); and
- (f) any other report(s) that we require from time to time, as set forth in the Manuals.

You agree to send us a copy of any other report upon request. We may require that any of the reports and financial statements described in Section 15.4 and Section 15.5 be provided to us by mail, e-mail, facsimile or other electronic system at the times and in the manner we designate. If we require you to purchase and utilize a computer and/or automated cash management system that allows us to electronically retrieve information concerning your sales transactions, you agree that we will have the right to electronically poll your computer and/or automated cash management system, including through use of any software, to retrieve and compile information regarding the operation of your Center.

15.5 Financial Statements. During the Term, you agree to provide us with the following financial information:

- (a) within 20 days following the end of each calendar quarter, a quarterly unaudited balance sheet and profit and loss statement for your Center;
- (b) within 90 days after the end of each calendar year, a balance sheet (as of the end of the calendar year) and an annual statement of profit and loss and source and use of funds for your Center;
- (c) within 10 days after our request, exact copies of federal and state income and other tax returns for your Center; and
- (d) such other financial reports and information as we may reasonably request from time to time.

You agree that all financial statements will be verified and signed by you certifying to us that the information is true, complete, and accurate and in accordance with generally accepted accounting principles ("GAAP"). We have the right to require that your annual financial statements be audited by a certified public accountant. You agree to send us a copy of any financial statement required by this Section upon request. You authorize us to disclose the financial statements, reports, and operating data to prospective franchisees, regulatory agencies and others at our discretion, provided the disclosure is not prohibited by applicable law.

- 15.6 Legal Compliance.** You agree to secure and maintain in force all required licenses, permits and regulatory approvals for the operation of your Center and operate and manage your Center in full compliance with all applicable laws, ordinances, rules and regulations. Notwithstanding the foregoing, unless any order by the federal, state, or local authority requires you to close your Center, you will not close your Center without our prior written consent. You agree to notify us in writing within 2 business days of the beginning of any action, suit, investigation or proceeding, or of the issuance of any order, writ, injunction, disciplinary action, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation of your Center or your financial condition. You agree to immediately deliver to us a copy of any inspection report, warning, certificate or rating by any governmental agency involving any health or safety law, rule or regulation that reflects your failure to fully comply with the law, rule or regulation.
- 15.7 Non-Disparagement.** You agree not to (and to use your best efforts to cause your current and former shareholders, members, officers, directors, principals, agents, partners, employees, representatives, attorneys, spouses, heirs, affiliates, successors and assigns not to) disparage or otherwise speak or write negatively, directly or indirectly, of us, our affiliates, any of our or our affiliates' directors, officers, employees, representatives or affiliates, current and former franchisees or developers of us or our affiliates, the FYZICAL[®] brand, the System, any FYZICAL[®] Center, any business using the Marks, any other brand or service-marked or trademarked concept of us or our affiliates, or which would subject the FYZICAL[®] brand or such other brands to ridicule, scandal, reproach, scorn, or indignity, or which would negatively impact the goodwill of us, the FYZICAL[®] brand or such other brands. The obligations of this Section 15.7. shall survive any expiration or termination of this Agreement.

16. INSPECTION AND AUDIT

- 16.1 Inspections.** To ensure compliance with this Agreement, our representatives will have the right to enter your Center, evaluate your operations and inspect or examine your books, records, accounts and tax returns. Our evaluation may include watching your rendered services, contacting your landlord, and/or employees. We may conduct our evaluation at any time and without prior notice. During the course of our inspections, we and our representatives will use reasonable efforts to minimize our interference with the operation of your Center, and you and your employees will cooperate and not interfere with our inspection. You consent to us accessing your computer system and retrieving any information that we deem appropriate in conducting the inspection.
- 16.2 Audits.** To ensure compliance, we will have the right at any time during your regular business hours, and without prior notice to you, to inspect and audit, or cause to be inspected and audited, your (if you are an Entity) and the Center's business, bookkeeping and accounting records, sales and income tax records and returns, and other records. You agree to cooperate fully with our representatives and independent accountants in conducting any such inspection or audit. You agree to immediately pay us any shortfall in the amounts you owe us (regardless of the degree), including late fees and interest. You agree to reimburse us for the actual cost of the audit or inspection, including, without limitation, reasonable accounting and attorneys' fees and travel and housing expenses incurred by us or our representatives in conducting the audit or inspection if the inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we require, or to furnish such items on a timely basis. All amounts you are required to pay pursuant to this Section 16.2 shall be due and payable 10 days after the date of the invoice. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.
- 16.3 Safety.** We will not be required to send any of our representatives to your Center to provide any assistance or services if, in our sole determination, it is unsafe to do so. Such determination by us

will not relieve you from your obligations under this Agreement (including, without limitation, to pay monies owed) and will not serve as a basis for your termination of this Agreement.

17. INTELLECTUAL PROPERTY

- 17.1 Ownership and Use of Intellectual Property.** You acknowledge that: (a) we are the sole and exclusive owner of the Intellectual Property and the goodwill associated with the Marks; (b) your right to use the Intellectual Property is derived solely from this Agreement; and (c) your right to use the Intellectual Property is limited to a license granted by us to operate your Center during the Term pursuant to, and only in compliance with, this Agreement, the Manuals, and all applicable standards, specifications and operating procedures that we prescribe from time to time. You may not use any of the Intellectual Property in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized by us. Any unauthorized use of the Intellectual Property constitutes an infringement of our rights. You agree to comply with all provisions of the Manuals governing your use of the Intellectual Property. This Agreement does not confer to you any goodwill, title or interest in any of the Intellectual Property.
- 17.2 Changes to Intellectual Property.** The Intellectual Property may be modified at any time by us, including by changing the Marks, the System, the Copyrights or the Know-how. If we modify or discontinue use of any of the Intellectual Property, then you agree to comply with any such changes within the time period prescribed in our notice. We will not be obligated to reimburse you for any direct or indirect loss, including loss of revenue attributable to any modified or discontinued Mark or for any expenditures you make to promote a modified or substitute trademark or service mark. You waive all other claims arising from or relating to any change, modification, substitution or discontinuation of the Intellectual Property. Except for the reimbursement obligation listed in this Section, we will not be liable to you for any expenses, losses or damages that you incur (including the loss of any goodwill associated with a Mark) because of any addition, modification, substitution or discontinuation of the Intellectual Property.
- 17.3 Use of Marks.** You agree to use the Marks as the sole identification of your Center; provided, however that you agree to identify yourself as the independent owner of your Center in the manner that we prescribe. You may not use any Marks in any modified form or as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs or symbols (other than logos licensed to you by this Agreement). You agree to: (a) prominently display the Marks on or in connection with any media advertising, promotional materials, posters and displays, receipts, stationery and forms that we designate and in the manner that we prescribe to give notice of trade and service mark registrations and copyrights; and (b) obtain any fictitious or assumed name registrations required under applicable law. You may not use the Marks in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument or other legal obligation or in any manner that is likely to confuse or result in liability to us for any indebtedness or obligation of yours. You may not use the Marks as a domain name or part of a domain name.
- 17.4 Use of Know-how.** We will disclose the Know-how to you in the initial training program, the Manuals, and in other guidance furnished to you during the Term. You agree that you will not acquire any interest in the Know-how other than the right to utilize it in strict accordance with the terms of this Agreement in the development and operation of your Center. You acknowledge that the Know-how is proprietary and is disclosed to you solely for use in the development and operation of your Center during the Term.
- 17.5 Improvements.** If you conceive of or develop any improvements or additions to the services or products offered by, or the method of operation of, a FYZICAL® Center, or any advertising or promotional ideas related to such Center (collectively, “**Improvements**”), you agree to promptly and fully disclose the Improvements to us without disclosing the Improvements to others. You

agree to obtain our approval prior to using any such Improvements. Any Improvement that we approve may be used by us and any third parties that we authorize to operate a FYZICAL® Center franchise, without any obligation to pay you royalties or other fees. You agree to assign to us or our designee, without charge, all rights to any such Improvement, including the right to grant sublicenses. In return, we will authorize you to use any Improvements that we or other franchisees develop that we authorize for general use in connection with the operation of a FYZICAL® Center.

17.6 Notification of Infringements and Claims. You agree to immediately notify us of any: (a) apparent infringement of any of the Intellectual Property; (b) challenge to your use of any of the Intellectual Property; or (c) claim by any person of any rights in any of the Intellectual Property. You may not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. We will have sole discretion to take such action as we deem appropriate. We have the right to exclusively control any litigation, Patent and Trademark Office proceeding, or other proceeding arising out of any such infringement, challenge or claim. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interest in any such litigation, Patent and Trademark Office proceeding or other proceeding, or to otherwise protect and maintain our interest in the Intellectual Property. We are not obligated to indemnify you against any damages for which you are held liable to third parties arising out of your use of any of the Marks, unless otherwise required by applicable state law.

18. INDEMNITY.

You agree to indemnify the Indemnified Parties and hold them harmless for, from and against any and all Losses and Expenses incurred by any of them as a result of or in connection with any of the following Claims: (a) any Claim asserted against you and/or any of the Indemnified Parties arising from the marketing, use or operation of your Center or your performance and/or breach of any of your obligations under this Agreement; (b) any other Claim arising from alleged violations of your relationship with and responsibility to us; or (c) any Claim relating to taxes or penalties assessed by any governmental entity against us that are directly related to your failure to pay or perform functions required of you under this Agreement. The Indemnified Parties shall have the right, in their sole discretion to: (i) retain counsel of their own choosing to represent them with respect to any Claim; and (ii) control the response thereto and the defense thereof, including the right to enter into an agreement to settle such Claim. You may participate in such defense at your own expense. You agree to give your full cooperation to the Indemnified Parties in assisting the Indemnified Parties with the defense of any such Claim, and to reimburse the Indemnified Parties for all of their costs and expenses in defending any such Claim, including court costs and reasonable attorneys' fees, within 10 days of the date of each invoice delivered by such Indemnified Party to you enumerating such costs, expenses and attorneys' fees.

19. TRANSFERS

19.1 By Us. This Agreement and the franchise is fully assignable by us (without prior notice to you) and shall inure to the benefit of any assignee(s) or other legal successor(s) to our interest in this Agreement, provided that we shall, subsequent to any such assignment, remain liable for the performance of our obligations under this Agreement up to the effective date of the assignment. We may also delegate some or all of our obligations under this Agreement to one or more persons without assigning the Agreement.

19.2 By You. You understand that the rights and duties created by this Agreement are personal to you and the Owners and that we have granted the franchise in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of you and your Owners. Therefore, neither you nor any Owner may engage in any Transfer other than a Permitted Transfer

without our prior written approval. Any Transfer (other than a Permitted Transfer) without our approval shall be void and constitute a breach of this Agreement. We will not unreasonably withhold our approval of any proposed Transfer, provided that the following conditions are all satisfied:

(a) the proposed transferee is, in our opinion, an individual of good moral character, who has sufficient business experience, aptitude and financial resources to own and operate a FYZICAL® Center and otherwise meets all of our then applicable standards for franchisees;

(b) you and your Owners are in full compliance with the terms of this Agreement and all other agreements with us or our affiliate;

(c) if the transfer involves a change in the Operating Principal, such new Operating Principal must complete our initial training before managing your Center;

(d) if you are natural person or if you are an Entity and the Transfer involves transfer of Controlling Interest in you:

(1) your landlord must consent to your assignment of the lease to the transferee, or the transferee is diligently pursuing an approved substitute location;

(2) the transferee and its owners, to the extent necessary, must have obtained all licenses and permits required by applicable law in order to own and operate the Center;

(3) the transferee and its owners sign our then-current form of franchise agreement (unless we, in our sole discretion, instruct you to assign this Agreement to the transferee), except that: (1) the Term and renewal term(s) shall be the Term and renewal term(s) remaining under this Agreement; and (2) the transferee need not pay a separate initial franchise fee; and

(4) you remodel your Center to comply with our then-current standards and specifications or you obtain a commitment from the transferee to do so;

(e) you or the transferee pay us a transfer fee equal to 10% of our then-current initial franchise fee for your Protected Area;

(f) you and your Owners sign a General Release for all claims arising before or contemporaneously with the Transfer;

(g) you enter into an agreement with us to subordinate the transferee's obligations to you to the transferee's financial obligations owed to us pursuant to the franchise agreement;

(h) we do not elect to exercise our right of first refusal described in Section 19.5; and

(i) you or the transferring Owner, as applicable, and the transferee have satisfied any other conditions we reasonably require as a condition to our approval of the Transfer.

Our consent to a Transfer shall not constitute a waiver of any claims we may have against the transferor, nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of the franchise by the transferee.

19.3 Permitted Transfers. You may engage in a Permitted Transfer without our prior approval, but you agree to give us at least 60 days' prior written notice. You and the Owners (and the transferee) agree to sign all documents that we reasonably request to effectuate and document the Permitted Transfer.

19.4 Death or Disability of an Owner. You agree that upon the death or permanent disability of an Owner, the Owner's ownership interest in you or the franchise, as applicable, will be assigned to another Owner or to a third party approved by us within 180 days. Any assignment to a third party will be subject to all of the terms and conditions of Section 19.2 unless the assignment qualifies as a Permitted Transfer. For purposes of this Section, an Owner is deemed to have a "permanent disability" only if the person has a medical or mental problem that prevents the person from substantially complying with his or her obligations under this Agreement or otherwise operating the Center in the manner required by this Agreement and the Manuals for a continuous period of at least 3 months.

19.5 Our Right of First Refusal. If you or an Owner desires to engage in a Transfer, you or the Owner, as applicable, agree to obtain a bona fide, signed written offer from the fully disclosed purchaser and submit an exact copy of the offer to us. We will have 30 days after receipt of the offer to decide whether we will purchase the interest in your Center or the ownership interest in you for the same price and upon the same terms contained in the offer (however, we may substitute cash for any form of payment proposed in the offer). If we notify you that we intend to purchase the interest within the 30-day period, you or the Owner, as applicable, agree to sell the interest to us. We will have at least an additional 30 days to prepare for closing. We will be entitled to receive from you or the Owner, as applicable, all customary representations and warranties given by you as the seller of the assets or the Owner as the seller of the ownership interest or, at our election, the representations and warranties contained in the offer. If we do not exercise our right of first refusal, you or the Owner, as applicable, may complete the Transfer to the purchaser pursuant to and on the terms of the offer, subject to the requirements of Section 19.2 (including our approval of the transferee). However, if the sale to the purchaser is not completed within 120 days after delivery of the offer to us, or there is a material change in the terms of the sale, we will again have the right of first refusal specified in this Section. Our right of first refusal in this Section shall not apply to any Permitted Transfer.

20. TERMINATION

20.1 By You. You may terminate this Agreement if we materially breach this Agreement and fail to cure the breach within 60 days after you send us a written notice specifying the nature of the breach. If you terminate this Agreement under this Section, you agree to still comply with your post-termination obligations described in Section 21 and all other obligations that survive the expiration or termination of this Agreement.

20.2 Termination By Us Without Cure Period. We may, in our sole discretion, terminate this Agreement upon written notice, without opportunity to cure, for any of the following reasons, all of which constitute material events of default under this Agreement:

(a) if the license of the designated Operating Principal, Clinical Director, or Licensed Professional is suspended or revoked by the applicable regulatory authority in your state, even if the Operating Principal, Clinical Director, or Licensed Professional maintains appeal rights (unless the Operating Principal, Clinical Director, or Licensed Professional is replaced with an individual who meets the requirements of this Agreement within 60 days);

(b) if your Operating Principal or Clinical Director fails to satisfactorily complete the initial training program within the time period required by Section 5.1;

- (c) if you fail to obtain our approval of your Center location within the time period required by Sections 7.1;
- (d) if you fail to secure a fully executed lease within the time period required by Section 7.2;
- (e) if you fail to open your Center within the time period required by Section 7.4;
- (f) if you become insolvent by reason of your inability to pay your debts as they become due or you file a voluntary petition in bankruptcy or any pleading seeking any reorganization, liquidation, dissolution or composition or other settlement with creditors under any law, or are the subject of an involuntary bankruptcy (which may or may not be enforceable under the Bankruptcy Act of 1978, as amended);
- (g) if your Center, or a substantial portion of the assets associated with your Center, are seized, taken over or foreclosed by a government official in the exercise of his or her duties, or seized, taken over or foreclosed by a creditor, lienholder or lessor; or a final judgment against you remains unsatisfied for 30 days (unless a supersedes or other appeal bond has been filed); or a levy of execution has been made upon the license granted by this Agreement or upon any property used in your Center, and it is not discharged within 5 days of the levy;
- (h) if you abandon or fail to operate your Center for 10 consecutive business days, unless the failure is due to a reason that we approve;
- (i) if a regulatory authority suspends or revokes a license or permit held by you or an Owner that is required to operate the Center, even if you or the Owner still maintain appeal rights;
- (j) if you or an Owner (i) is convicted of or pleads no contest to a felony, a crime involving moral turpitude or any other material crime or (ii) is subject to any material administrative disciplinary action or (iii) fails to comply with any federal, state or local law or regulation applicable to your Center;
- (k) if you or an Owner commits an act that can reasonably be expected to adversely affect the reputation of the System or the goodwill associated with the Marks;
- (l) if you manage or operate your Center in a manner that presents a health or safety hazard to your clients, employees or the public;
- (m) if you or an Owner make any material misrepresentation to us, whether occurring before or after being granted the franchise;
- (n) if you fail to pay any amount owed to us or an affiliate of ours under this Agreement or any other agreement or promissory note, within 5 days after receipt of a demand for payment;
- (o) if you or an Owner makes an unauthorized Transfer;
- (p) if you or an Owner makes an unauthorized use of the Intellectual Property;
- (q) if you fail to pay any third-party any amount owed in connection with the operation your Center, and failure to cure such default within the applicable cure period, if any;
- (r) if you or an Owner breaches any of the restrictive covenants described in Section 14;
- (s) if the lease for your premises is terminated due to your default; or

(t) if we terminate any other agreement between you and us or if any affiliate of ours terminates any agreement between you and the affiliate because of your default.

20.3 Additional Conditions of Termination. In addition to our termination rights in Section 20.2, we may, in our sole discretion, terminate this Agreement upon 30 days' written notice if you or an Owner fail to comply with any other provision of this Agreement (including any mandatory provision in the Manuals) or any other agreement with us, unless such default is cured, as determined by us in our sole discretion, within such 30-day notice period. If we deliver a notice of default to you pursuant to this Section 20.3, we may suspend performance of any of our obligations under this Agreement until you fully cure the breach.

20.4 Mutual Agreement to Terminate. If you and we mutually agree in writing to terminate this Agreement, you and we will be deemed to have waived any required notice period.

21. POST-TERM OBLIGATIONS.

After the termination, expiration or Transfer of this Agreement, you and the Owners agree to:

(a) immediately cease to use the Intellectual Property, Personal Information, and any confidential information and return all copies of any confidential materials that we have loaned to you;

(b) comply with all covenants described in Section 14 that apply after the expiration, termination or Transfer of this Agreement or the disposal of an ownership interest by an Owner;

(c) return all copies of the Manuals, or any portions thereof, as well as all signs, sign faces, brochures, advertising and promotional materials, forms, and any other materials bearing or containing any of the Marks, Copyrights or other identification relating to a FYZICAL® Center, unless we allow you to transfer such items to an approved transferee;

(d) return all copies of the Software (and delete all such software from your computer memory and storage);

(e) take such action as may be required to cancel all fictitious or assumed names or equivalent registrations relating to your use of any of the Marks;

(f) to the extent permitted under applicable law, provide us with the Personal Information or dispose all Personal Information in compliance with all applicable laws;

(g) assign all client contracts to us (unless we allow you to transfer those contracts to an approved transferee) and/or promptly refund client pre-payments, as directed by us;

(h) make such modifications and alterations to the premises that are necessary or that we require to prevent any association between us or the System and any business subsequently operated by you or any third party at the premises; provided, however, that this subsection shall not apply if your franchise is transferred to an approved transferee or if we exercise our right to purchase your entire Center;

(i) notify all telephone companies, listing agencies and domain name registration companies (collectively, the "Agencies") of the termination or expiration of your right to use: (i) the telephone numbers and/or domain names, if applicable, related to the operation of your Center; and (ii) any regular, classified or other telephone directory listings associated with the Marks (you hereby authorize the Agencies to transfer such telephone numbers, domain names and listings to us and you authorize us, and appoint us and any officer we designate as your attorney-in-fact to direct the Agencies to transfer the telephone numbers, domain names and listings to us if you fail or refuse to do so); and

(j) provide us with satisfactory evidence of your compliance with the above obligations within 30 days after the effective date of the termination, expiration or Transfer of this Agreement.

22. DISPUTE RESOLUTION.

The parties agree to submit any claim, dispute or disagreement, including any matter pertaining to the validity, enforcement or interpretation of this Agreement or issues relating to the offer and sale of the franchise or the relationship between the parties (a “**Dispute**”) to Judicial Arbitration and Mediation Services (“JAMS”), or its successor, for mediation before a mutually-agreeable mediator, unless the Dispute involves an alleged breach of Section 14 or Section 17. Either party may commence mediation by providing JAMS and the other party a written request for mediation, setting forth the subject of the dispute and the relief requested. Any mediation shall take place through in-person meeting(s) in the county in which we (or our successors or assigns, as applicable) maintain our (their) principal place of business at the time the mediation begins (currently, Sarasota County, Florida). The parties will cooperate with JAMS and with one another in selecting a mediator from the JAMS panel of neutrals and in scheduling mediation proceedings. The parties agree that they will participate in mediation in good faith and that they will share equally the costs and expenses of JAMS and the appointed neutral mediator. If the Dispute is not successfully resolved by mediation after the initial mediation session, or if the Dispute involves an alleged breach of Section 14 or Section 17, either party may file a lawsuit in any state or federal court of general jurisdiction in the county in which we (or our successors or assigns, as applicable) maintain our (their) principal place of business at the time the lawsuit is filed (currently, Sarasota County, Florida) and we and you irrevocably submit to the jurisdiction of such courts and waive any objection either of us may have to either the jurisdiction or venue of such courts. The mediation may continue after the commencement of litigation if both parties agree. If we or you must enforce this Agreement in a judicial proceeding, the substantially prevailing party will be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees. UNLESS PROHIBITED BY APPLICABLE LAW, ANY DISPUTE (OTHER THAN FOR PAYMENT OF MONIES OWED OR A VIOLATION OF SECTION 14 OR SECTION 17) MUST BE BROUGHT BY FILING A WRITTEN DEMAND FOR MEDIATION WITHIN ONE YEAR FOLLOWING THE CONDUCT, ACT OR OTHER EVENT OR OCCURRENCE GIVING RISE TO THE CLAIM, OR THE RIGHT TO ANY REMEDY WILL BE DEEMED FOREVER WAIVED AND BARRED. WE AND YOU IRREVOCABLY WAIVE: (a) TRIAL BY JURY; AND (b) THE RIGHT TO LITIGATE ON A CLASS ACTION BASIS, IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THE PARTIES.

23. YOUR REPRESENTATIONS.

YOU HEREBY REPRESENT THAT: (a) YOU HAVE NOT RECEIVED ANY WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, AS TO THE POTENTIAL VOLUME, PROFITS OR SUCCESS OF THE CENTER CONTEMPLATED BY THIS AGREEMENT, EXCEPT FOR ANY INFORMATION DISCLOSED IN THE FRANCHISE DISCLOSURE DOCUMENT; (b) YOU HAVE NO KNOWLEDGE OF ANY REPRESENTATIONS BY US OR ANY OF OUR OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES OR REPRESENTATIVES ABOUT THE CENTER CONTEMPLATED BY THIS AGREEMENT THAT ARE CONTRARY TO THE TERMS OF THIS AGREEMENT OR THE FRANCHISE DISCLOSURE DOCUMENT; (c) YOU RECEIVED (1) AN EXACT COPY OF THIS AGREEMENT AND ITS ATTACHMENTS AT LEAST 5 BUSINESS DAYS PRIOR TO THE DATE ON WHICH THIS AGREEMENT IS EXECUTED; AND (2) OUR FRANCHISE DISCLOSURE DOCUMENT AT THE EARLIER OF (A) 14 CALENDAR DAYS BEFORE YOU SIGNED A BINDING AGREEMENT OR PAID ANY MONEY TO US OR OUR AFFILIATES OR (B) AT SUCH EARLIER TIME IN THE SALES PROCESS THAT YOU REQUESTED A COPY; (d) YOU ARE AWARE OF THE FACT THAT OTHER PRESENT OR FUTURE FRANCHISEES OF OURS MAY OPERATE UNDER DIFFERENT FORMS OF AGREEMENT AND CONSEQUENTLY THAT OUR OBLIGATIONS AND RIGHTS WITH RESPECT TO OUR VARIOUS FRANCHISEES MAY DIFFER MATERIALLY IN CERTAIN CIRCUMSTANCES; AND (e) YOU HAVE CONDUCTED AN INDEPENDENT INVESTIGATION OF THE CENTER CONTEMPLATED BY THIS AGREEMENT AND RECOGNIZE THAT

IT INVOLVES BUSINESS RISKS, MAKING THE SUCCESS OF THE VENTURE LARGELY DEPENDENT UPON YOUR OWN CENTER ABILITIES, EFFORTS AND JUDGMENTS, AND THE SERVICES OF YOU AND THOSE YOU EMPLOY.

24. GENERAL PROVISIONS

- 24.1 Governing Law.** Except as governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051, et seq.), this Agreement and the franchise relationship shall be governed by the laws of the State of Florida (without reference to its principles of conflicts of law), but any law of the State of Florida that regulates the offer and sale of franchises or business opportunities or governs the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section.
- 24.2 Relationship of the Parties.** You understand and agree that nothing in this Agreement creates a fiduciary relationship between you and us or is intended to make either party a general or special agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose. During the Term, you agree to conspicuously identify yourself at your base of operations, and in all dealings with third parties, as a franchisee of ours and the independent owner of your Center. You agree to place such other notices of independent ownership on such forms, stationery, advertising, business cards and other materials as we may require from time to time. Neither we nor you are permitted to make any express or implied agreement, warranty or representation, or incur any debt, in the name of or on behalf of the other or represent that our relationship is other than franchisor and franchisee. In addition, neither we nor you will be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized by this Agreement.
- 24.3 Severability and Substitution.** Each section, subsection, term and provision of this Agreement, and any portion thereof, shall be considered severable. If any applicable and binding law imposes mandatory, non-waivable terms or conditions that conflict with a provision of this Agreement, the terms or conditions required by such law shall govern to the extent of the inconsistency and supersede the conflicting provision of this Agreement. If a court concludes that any promise or covenant in this Agreement is unreasonable and unenforceable: (a) the court may modify such promise or covenant to the minimum extent necessary to make such promise or covenant enforceable; or (b) we may unilaterally modify such promise or covenant to the minimum extent necessary to make such promise or covenant enforceable. In addition, this Agreement will be deemed automatically modified to comply with applicable law if such governing law requires: (a) a greater prior notice of the termination of or refusal to renew this Agreement; or (b) the taking of some other action not described in this Agreement; or (c) if any system standard is invalid or unenforceable. We may modify such invalid or unenforceable provision to the extent required to be valid and enforceable. In such event, you will be bound by the modified provisions.
- 24.4 Waivers.** You and we may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other. Any waiver granted by us shall be without prejudice to any other rights we may have. We and you shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including the right to demand exact compliance with every term, condition and covenant in this Agreement or to declare any breach of this Agreement to be a default and to terminate the franchise before the expiration of its term) by virtue of: (a) any custom or practice of the parties at variance with the terms of this Agreement; (b) any failure, refusal or neglect of us or you to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations under this Agreement, including any mandatory specification, standard, or operating procedure; (c) any waiver, forbearance, delay, failure or omission by us to exercise any right, power or option, whether of the same, similar or different

nature, relating to other FYZICAL® Center franchisees; or (d) the acceptance by us of any payments due from you after breach of this Agreement.

- 24.5 Approvals.** Whenever this Agreement requires our approval, you agree to make a timely written request for approval, and the approval must be in writing in order to bind us. Except as otherwise expressly provided in this Agreement, if we fail to approve any request for approval within the required period of time, we shall be deemed to have disapproved your request. If we deny approval and you seek legal redress for the denial, the only relief to which you may be entitled is to acquire our approval. You are not entitled to any other relief or damages for our denial of approval.
- 24.6 Binding Effect.** This Agreement is binding upon the parties to this Agreement and their respective executors, administrators, heirs, assigns and successors in interest. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement; provided, however, that the additional insureds listed in Section 15.2 and the Indemnified Parties are intended third party beneficiaries under this Agreement with respect to Section 15.2 and Section 18, respectively.
- 24.7 Integration.** This Agreement along with the attachments hereto constitute the entire agreement between the parties and may not, except in case of the Manuals, be changed except by a written document signed by both parties. Any e-mail correspondence or other form of informal electronic communication shall not be deemed to modify this Agreement unless such communication is signed by both parties and specifically states that it is intended to modify this Agreement. The attachment(s) are part of this Agreement, which, together with any Amendments or Addenda executed on or after the Effective Date, constitutes the entire understanding and agreement of the parties, and there are no other oral or written understandings or agreements between us and you about the subject matter of this Agreement. As referenced above, all mandatory provisions of the Manuals are part of this Agreement. Any representations not specifically contained in this Agreement made before entering into this Agreement do not survive after the signing of this Agreement. This provision is intended to define the nature and extent of the parties' mutual contractual intent, there being no mutual intent to enter into contract relations, whether by agreement or by implication, other than as set forth above. The parties acknowledge that these limitations are intended to achieve the highest possible degree of certainty in the definition of the contract being formed, in recognition of the fact that uncertainty creates economic risks for both parties which, if not addressed as provided in this Agreement, would affect the economic terms of this bargain. Nothing in this Agreement or any related agreement, however, is intended to disclaim any of the representations we made in the Franchise Disclosure Document that we furnished to you.
- 24.8 Covenant of Good Faith.** If applicable law implies a covenant of good faith and fair dealing in this Agreement, the parties agree that the covenant shall not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement. Additionally, if applicable law shall imply the covenant, you agree that: (a) this Agreement (and the relationship of the parties that is inherent in this Agreement) grants us the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with our explicit rights and obligations under this Agreement that may affect favorably or adversely your interests; (b) we will use our judgment in exercising the discretion based on our assessment of our own interests and balancing those interests against the interests of our franchisees generally (including ourselves and our affiliates if applicable), and specifically without considering your individual interests or the individual interests of any other particular franchisee; (c) we will have no liability to you for the exercise of our discretion in this manner, so long as the discretion is not exercised in bad faith;

and (d) in the absence of bad faith, no trier of fact in any arbitration or litigation shall substitute its judgment for our judgment so exercised.

24.9 Rights of Parties are Cumulative. The rights of the parties under this Agreement are cumulative and no exercise or enforcement by either party of any right or remedy under this Agreement will preclude any other right or remedy available under this Agreement or by law.

24.10 Survival. All provisions that expressly or by their nature survive the termination, expiration or Transfer of this Agreement (or the Transfer of an ownership interest in the franchise) shall continue in full force and effect subsequent to and notwithstanding its termination, expiration or Transfer and until they are satisfied in full or by their nature expire, including, without limitation, Section 13 to Section 18, Section 21, Section 22 and Section 24.

All references to Sections refer to the Sections contained in this Agreement unless otherwise specified. All references to days in this Agreement refer to calendar days unless otherwise specified. The term “you” as used in this Agreement is applicable to one or more persons or an Entity, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine and the possessive.

24.13 Counterparts. This Agreement may be signed in multiple counterparts, each of which shall be deemed an original and all of which together shall constitute but one and the same document. Facsimile signatures will have the same force and effect as original signatures.

24.14 Notice. You agree that all notices and reports permitted or required under this Agreement or by the Manuals will be in writing and will be deemed delivered:

OWNERS' GUARANTY

In consideration of and as an inducement to FYZICAL, LLC, a Delaware limited liability company (“**Franchisor**”) entering into that certain Franchise Agreement dated as of _____ (the “**Franchise Agreement**”), between Franchisor and _____, a(n) _____ (“**Franchisee**”), the undersigned individuals (each, a “**Guarantor**”) jointly and severally, personally and unconditionally, do hereby: (a) guarantee to Franchisor, and its successor and assigns, for the term of the Agreement and as provided in the Agreement, that Franchisee shall punctually pay and perform each and every undertaking, agreement and covenant in (1) the Franchise Agreement and (2) any ancillary agreement executed by Franchisee and Franchisor (or executed by Franchisee in favor of Franchisor) in connection with the Franchise Agreement, including but not limited to any agreement for the purchase of goods or services from Franchisor and any promissory note related to payments made to Franchisor (collectively, the “**Agreements**”); and (b) agree to be personally bound by, and personally liable for, each and every provision in the Agreements, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, without limitation, the requirements pertaining to non-competition, confidentiality, transfers, and dispute resolution.

Each Guarantor waives: (1) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or nonperformance of any obligations guaranteed; (3) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations guaranteed; and (4) any right the Guarantor may have to require that an action be brought against Franchisee or any other person as a condition of liability. Each Guarantor consents and agrees that: (1) such Guarantor’s direct and immediate liability under this guaranty shall be joint and several; (2) such Guarantor shall render any payment or performance required under the Agreements upon demand if Franchisee fails or refuses punctually to do so; (3) liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; and (4) liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence that Franchisor may grant to Franchisee or to any other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guaranty, which shall be continuing and irrevocable during the term of each of the Agreements and following the termination, expiration or transfer of each of the Agreements to the extent any obligations under any such Agreements survive such termination, expiration or transfer.

Depending on the creditworthiness of each Guarantor and the community property laws of the states in which they reside, Franchisor may require that the spouses of one or more Guarantors execute this guaranty as well. Each Guarantor represents and warrants that, if no signature appears below for such Guarantor’s spouse, such Guarantor is either not married or, if married, is a resident of a state that does not require the consent of both spouses to encumber the assets of a marital estate or Franchisor has waived in writing any requirement that such spouse execute this guaranty.

Each Guarantor consents and agrees that:

(a) Guarantor’s liability under this undertaking shall be direct, immediate, and independent of the liability of, and shall be joint and several with, Franchisee and the other owners and Guarantors of Franchisee;

(b) Guarantor shall render any payment or performance required under any of the Agreements upon demand if Franchisee fails or refuses punctually to do so;

(c) This undertaking will continue unchanged by the occurrence of any bankruptcy with respect to Franchisee or any assignee or successor of Franchisee or by any abandonment of one or more of the Agreements by a trustee of Franchisee. Neither the Guarantor's obligations to make payment or render performance in accordance with the terms of this undertaking nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee or its estate in bankruptcy or of any remedy for enforcement, resulting from the operation of any present or future provision of the U.S. Bankruptcy Act or other statute, or from the decision of any court or agency;

(d) If no signature appears below for such Guarantor's spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate. The spouse of the Guarantor, by executing this Guaranty, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to the undersigned's performance of this Guaranty;

(e) Franchisor may proceed against Guarantor and Franchisee jointly and severally, or Franchisor may, at its option, proceed against Guarantor, without having commenced any action, or having obtained any judgment against Franchisee. Guarantor waives the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed;

(f) This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida; and

(g) Guarantor agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this undertaking or any negotiations relative to the obligations hereby guaranteed or in enforcing this undertaking against Guarantor.

Each Guarantor hereby signs and delivers this Guaranty effective as of the date of the Franchise Agreement regardless of the actual date of signature.

NONDISCLOSURE, NONSOLICITATION AND NONCOMPETITION AGREEMENT

This Agreement (this “**Agreement**”) is entered into by the undersigned (“**you**”) in favor of FYZICAL, LLC, a Delaware limited liability company, and its successors and assigns (“**us**”), upon the terms and conditions set forth in this Agreement.

1. Definitions. For purposes of this Agreement, the following terms have the meanings given to them below:

- (a) “**Center**” means a FYZICAL® Center operated under the Marks and using the System.
- (b) “**Competitive Business**” means any business or facility owning, operating or managing, or granting franchises or licenses to others to do so, any business or establishment that performs physical therapy, balance and vestibular therapy and medical based wellness.
- (c) “**Copyrights**” means all works and materials for which we or our affiliates have secured common law or registered copyright protection and that we allow FYZICAL® Center franchisees to use, sell or display in connection with the marketing and/or operation of a FYZICAL® Center, whether now in existence or created in the future.
- (d) “**Franchisee**” means the FYZICAL® Center franchisee for whom you are an owner, partner, member, officer, director, employee or independent contractor.
- (e) “**Intellectual Property**” means, collectively or individually, our Marks, Copyrights, Know-how and System.
- (f) “**Know-how**” means all of our trade secrets and other proprietary information relating to the development, construction, marketing and/or operation of a FYZICAL® Center, including, but not limited to, methods, techniques, specifications, procedures, policies, marketing strategies and information comprising the System and the Manuals.
- (g) “**Manuals**” means our confidential operations manual(s) for the operation of a FYZICAL® Center.
- (h) “**Marks**” means the logotypes, service marks, and trademarks now or hereafter designated by us for the operation of a FYZICAL® Center, including “FYZICAL” and “FYZICAL (Design)” and any other trademarks, service marks or trade names that we designate for use in a FYZICAL® Center. The term “Marks” also includes any distinctive trade dress used to identify a FYZICAL® Center, whether now in existence or hereafter created.
- (i) “**Prohibited Activities**” means any or all of the following: (i) acquiring or developing, or having any direct or indirect interest as a disclosed or beneficial owner in, any Competitive

Business, other than owning an interest of less than 5% in a Competitive Business that is a publicly traded company; (ii) offering or performing physical therapy services (other than through a FYZICAL® Center); (iii) being employed or engaged as a director, officer, manager, employee, consultant, representative, agent or otherwise for a Competitive Business; (iv) diverting or attempting to divert any business from us (or one of our affiliates or franchisees) to a Competitive Business; and/or (v) inducing any client of ours (or of one of our affiliates or franchisees) to transfer their business to any person that is not then a franchisee of ours.

- (j) **“Restricted Period”** means the 2-year period after you cease to be an owner, partner, member, officer, director, employee or independent contractor of Franchisee.
- (k) **“Restricted Territory”** means the geographic area within: (i) a 15-mile radius of the Franchisee’s Center; and (ii) a 3-mile radius around any other FYZICAL® Center operating or under construction on the date that you cease to be an owner, partner, member, officer, director, employee or independent contractor of Franchisee.
- (l) **“System”** means our distinct and, with respect to certain aspects, proprietary system for the operation of a Center that provides physical therapy and other rehabilitation services, including, without limitation, pain management and balance programs, medical based wellness and related products and services, the distinctive characteristics of which include logo, trade secrets, concept, style, proprietary programs and products, confidential operations manuals and operating system. The System shall also include additional products and services that we may authorize from time to time for FYZICAL® Centers.

2. Background. You are an owner, partner, member, officer, director, employee or independent contractor of Franchisee. As a result of this association, you may gain knowledge of our System and Know-how. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and that you could seriously jeopardize our entire franchise system if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this Agreement.

3. Intellectual Property. You agree: (i) you will not use the Know-how in any Center or capacity other than the FYZICAL® Center operated by Franchisee; (ii) you will maintain the confidentiality of the Know-how at all times; (iii) you will not make unauthorized copies of documents containing any Know-how; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you will stop using the Know-how immediately if you are no longer an owner, partner, member, officer, director, employee or independent contractor of Franchisee. You further agree that you will not use the Intellectual Property for any purpose other than the performance of your duties for Franchisee and within the scope of your employment or other engagement with Franchisee.

4. Unfair Competition During Relationship. You agree not to unfairly compete with us at any time while you are an owner, partner, member, officer, director, employee or independent contractor of Franchisee by engaging in any Prohibited Activities.

5. Unfair Competition After Relationship. You agree not to unfairly compete with us during the Restricted Period by engaging in any Prohibited Activities; provided, however, that the Prohibited Activity relating to having an interest in, or being engaged by or performing services for, a Competitive Business will only apply with respect to a Competitive Business that is located within or provides competitive goods or services to clients who are located within the Restricted Territory. If you engage in any Prohibited

Activities during the Restricted Period, then you agree that your Restricted Period will be extended by the period of time during which you were engaging in the prohibited activity.

6. Immediate Family Members. You acknowledge that you could circumvent the purpose of this Agreement by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have violated the terms of this Agreement if any member of your immediate family (i) engages in any Prohibited Activities during any period of time during which you are prohibited from engaging in the Prohibited Activities or (ii) uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

7. Covenants Reasonable. You acknowledge and agree that: (i) the terms of this Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.**

8. Non-Disparagement. You agree not to (and to use your best efforts to cause your current and former shareholders, members, officers, directors, principals, agents, partners, employees, representatives, attorneys, spouses, heirs, affiliates, successors and assigns not to) disparage or otherwise speak or write negatively, directly or indirectly, of us, our affiliates, any of our or our affiliates' directors, officers, employees, representatives or affiliates, current and former franchisees or developers of us or our affiliates, the FYZICAL[®] brand, the System, any FYZICAL[®] Center, any business using the Marks, any other brand or service-marked or trademarked concept of us or our affiliates, or which would subject the FYZICAL[®] brand or such other brands to ridicule, scandal, reproach, scorn, or indignity, or which would negatively impact the goodwill of us, the FYZICAL[®] brand or such other brands. **The obligations of this Section shall survive any expiration or termination of this Agreement.**

9. Breach. You agree that failure to comply with the terms of this Agreement will cause substantial and irreparable damage to us and/or other FYZICAL[®] Center franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of the terms of this Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

10. Miscellaneous.

(a) If we hire an attorney or file suit against you because you have breached this Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

(b) Notwithstanding anything to the contrary, this Agreement will be governed by, construed and enforced under the laws of Florida and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. In the event that any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion; and each party to this Agreement agrees that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration and geographic area.

(d) You and we both believe that the covenants in this Agreement are reasonable in terms of scope, duration and geographic area. CONFIDENTIALITY AGREEMENT

This Agreement (this “**Agreement**”) is entered into by the undersigned (“**you**”) in favor of FYZICAL, LLC, a Delaware limited liability company, and its successors and assigns (“**us**”), upon the terms and conditions set forth in this Agreement.

1. Definitions. For purposes of this Agreement, the following terms have the meanings given to them below:

- (a) “**Copyrights**” means all works and materials for which we or our affiliates have secured common law or registered copyright protection and that we allow FYZICAL® Center franchisees to use, sell or display in connection with the marketing and/or operation of a FYZICAL® Center, whether now in existence or created in the future.
- (b) “**Franchisee**” means the FYZICAL® Center franchisee for whom you are an owner, partner, member, officer, director, employee or independent contractor.
- (c) “**Intellectual Property**” means, collectively or individually, our Marks, Copyrights, Know-how and System.
- (d) “**Know-how**” means all of our trade secrets and other proprietary information relating to the development, construction, marketing and/or operation of a FYZICAL® Center, including, but not limited to, methods, techniques, specifications, procedures, policies, marketing strategies and information comprising the System and the Manuals.
- (e) “**Manuals**” means our confidential operations manual(s) for the operation of a FYZICAL® Center.
- (f) “**Marks**” means the logotypes, service marks, and trademarks now or hereafter designated by us for the operation of a FYZICAL® Center, including “FYZICAL” and “FYZICAL (Design)” and any other trademarks, service marks or trade names that we designate for use in a FYZICAL® Center. The term “Marks” also includes any distinctive trade dress used to identify a FYZICAL® Center, whether now in existence or hereafter created.
- (g) “**System**” means our distinct and, with respect to certain aspects, proprietary system for the operation of a Center that provides physical therapy and other rehabilitation services, including, without limitation, pain management and balance programs, and medical based wellness and related products and services, the distinctive characteristics of which include logo, trade secrets, concept, style, proprietary programs and products, confidential operations manuals and operating system. The System shall also include additional products and services that we may authorize from time to time for FYZICAL® Centers.

2. Background. You are an owner, partner, member, officer, director, employee or independent contractor of Franchisee. As a result of this association, you may gain knowledge of

our System and Know-how. You understand that protecting the Intellectual **Property is vital to** our success and that of our franchisees and that you could seriously jeopardize our entire franchise system if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this Agreement.

3. Know-How and Intellectual Property. You agree: (a) you will not use the Know-how in any Center or capacity other than the FYZICAL® Center operated by Franchisee; (b) you will maintain the confidentiality of the Know-how at all times; (c) you will not make unauthorized copies of documents containing any Know-how; (d) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (e) you will stop using the Know-how immediately if you are no longer an owner, partner, member, officer, director, employee or independent contractor of Franchisee. You further agree that you will not use the Intellectual Property for any purpose other than the performance of your duties for Franchisee and within the scope of your employment or other engagement with Franchisee.

4. Immediate Family Members. You acknowledge that you could circumvent the purpose of this Agreement by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have violated the terms of this Agreement if any member of your immediate family uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

5. Acknowledgement. If you are an employee or an independent contractor of Franchisee, you acknowledge that (a) you are not our or our affiliates' employee or independent contractor; (b) Franchisee has the sole discretion and authority to determine the terms of your employment; (c) Franchisee is solely responsible for paying all wages, commissions, fringe benefits, worker's compensation premiums and payroll taxes (and other withholdings required by law) arising out of your employment with Franchisee; and (d) we do not control either the day-to-day activities of our franchisees or the hiring or firing of the employees or independent contractors of our franchisees.

6. Covenants Reasonable. You acknowledge and agree that: (a) the terms of this Agreement are reasonable both in time and in scope of geographic area; and (b) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.**

7. Breach. You agree that failure to comply with the terms of this Agreement will cause substantial and irreparable damage to us and/or other FYZICAL® Center franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of the terms of this Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you may have against us or against Franchisee,

regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

8. Miscellaneous.

(a) If we hire an attorney or file suit against you because you have breached this Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

(b) Notwithstanding anything to the contrary, this will be governed by, construed and enforced under the laws of Florida and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. In the event that any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion; and each party to this Agreement agrees that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms enforceable.

TO FYZICAL, LLC FRANCHISE AGREEMENT**

TO LEASE AGREEMENT DATED _____

BY AND BETWEEN

_____, AS “LANDLORD”

AND

_____, AS “TENANT” FOR THE DEMISED
PREMISES (“PREMISES”) DESCRIBED IN THE LEASE (AS DEFINED BELOW)

This Lease Addendum and the provisions hereof are hereby incorporated into the body of the lease to which this Lease Addendum is attached (the “Lease”), and the provisions hereof shall be cumulative of those set forth in the Lease, but to the extent of any conflict between any provisions of this Lease Addendum and the provisions of the Lease, this Lease Addendum shall govern and control.

1. Consent to Collateral Assignment to Franchisor; Disclaimer. Landlord acknowledges that Tenant intends to operate a FYZICAL[®] center in the Premises, and that Tenant’s rights to operate a FYZICAL[®] center and to use the FYZICAL[®] name, trademarks and service marks (the “Marks”) are solely pursuant to a franchise agreement (“Franchise Agreement”) between Tenant and FYZICAL, LLC (“Franchisor”). Tenant’s operations at the Premises are independently owned and operated. Landlord acknowledges that Tenant alone is responsible for all obligations under the Lease unless and until Franchisor or another franchisee expressly, and in writing, assumes such obligations and takes actual possession of the Premises. Notwithstanding any provisions of the Lease to the contrary, Landlord hereby consents, without payment of a fee and without the need for further Landlord consent, to (i) the collateral assignment of Tenant’s interest in the Lease to Franchisor to secure Tenant’s obligations to Franchisor under the Franchise Agreement, and (ii) Franchisor’s (or any entity owned or controlled by, or under common control with, Franchisor) succeeding to Tenant’s interest in the Lease as a result of Franchisor’s exercise of rights remedies under such collateral assignment or as a result of Franchisor’s termination of, or exercise of rights or remedies granted in or under, any other agreement between Franchisor and Tenant, and (iii) Tenant’s, Franchisor’s or any other franchisee of Franchisor’s assignment of the Lease to another franchisee of Franchisor with whom Franchisor has executed its then-standard franchise agreement. Landlord agrees and acknowledges that in relation to the assignment of the Lease pursuant to the immediately preceding sentence (i) Landlord shall release any guarantees provided by the Tenant or its owners in connection with the Lease (“Tenant Guarantee”), and (ii) the Tenant Guarantees shall be replaced with (x) a corporate guarantee issued by Franchisor or its affiliates, if the Lease is assigned to Franchisor or its affiliates, or (y) a guarantee furnished by the assignee (other than Franchisor or its affiliates) in the form reasonably requested by Landlord. Landlord further agrees that all unexercised renewal or extension rights shall not be terminated in the event of any assignment referenced herein, but shall inure to the benefit of the applicable assignee.

2. Use of Premises. Without limitation of uses permitted under the Lease, but in expansion thereof, Tenant shall have the right to use the Premises for purposes of operating a rehabilitation and wellness center approved by Franchisor under the trade name FYZICAL[®] or such other tradenames that Franchisor may prescribe.

3. Remodeling, Décor, Signs and Marks. Landlord agrees that Tenant shall have the right to remodel, equip, paint, and decorate the interior of the Premises and to display the Marks, signs, and awnings on the interior and exterior of the Premises as Tenant is required to do pursuant to the Franchise Agreement and any successor Franchise Agreement under which Tenant may operate a FYZICAL[®] center in the Premises;

Ex. I - 1

provided, however, that Tenant shall make no structural changes to the Premises without Landlord's consent.

4. Tenant's Signage. Notwithstanding anything in the Lease contained to the contrary or in conflict, Landlord hereby grants and approves the following signage rights:

4.1. Landlord agrees to allow Tenant to use Franchisor's standard sign and awning package to the maximum extent permitted by local governmental authorities.

4.2. Tenant shall be provided, at Tenant's sole cost and expense, with a panel on any pylon/monument/directory sign for the development in which the Premises is located, and shall be permitted to install a standard sign thereon as approved by Franchisor, including without limitation Franchisor's logo.

5. Exclusive; Use Restrictions. Landlord covenants and agrees that, for the term of the Lease, no portion of the building or shopping complex in which the Premises is situated shall be used or occupied by any: (a) pawn shop, flea market or junk yard, (b) gun sales or rental shop, (c) gambling, off-track betting, electronic gaming or bingo parlor, (d) psychic, tarot card reading or similar services, (e) bail bondsman, (f) sale or distribution of drug supplies or paraphernalia (except as sold by a licensed pharmacist), including, but not limited to, roach clips, water pipes, bongs, coke spoons, cigarette papers or hypodermic syringes, (g) tattoo parlor, massage parlors, or exotic or erotic dance clubs, (h) sale or distribution of any pornographic or "adult" materials including, but not limited to, "adult" books, videos, or recordings of any kind, (i) liquor store, or (j) physical rehabilitation center or medical-based wellness and pain management center.

6. Notice and Cure Rights to Franchisor. Prior to exercising any remedies hereunder (except in the event of imminent danger to the Premises), Landlord shall give Franchisor written notice of any default by Tenant or expiration or termination of the Lease, and commencing upon receipt thereof by Franchisor, Franchisor shall have 15 additional days to the established cure period as is given to Tenant under the Lease for such default, provided that in no event shall Franchisor have a cure period of less than (i) fifteen (15) days after Franchisor's receipt of such notice as to monetary defaults or (ii) thirty (30) days after Franchisor's receipt of such notice as to non-monetary defaults. Landlord agrees to accept cure tendered by Franchisor as if the same was tendered by Tenant, but Franchisor has no obligation to cure such default. The initial address for notices to Franchisor is as follows:

FYZICAL, LLC
1751 Mound Street, Suite 102
Sarasota, Florida 34236
Attention: Bradley Byars, General Counsel

7. Non-disturbance from Mortgage Lenders. Notwithstanding anything contained in the Lease to the contrary or in conflict, it shall be a condition of the Lease being subordinated to any mortgage, deed of trust, deed to secure debt or similar encumbrance on the Premises that the holder of such encumbrance agree not to disturb Tenant's rights under the Lease or Tenant's possession of the Premises, so long as Tenant is not in default of its obligations hereunder beyond an applicable grace or cure period provided herein (as may be extended from time-to-time pursuant to paragraph 6 immediately above).

CHECK THE FOLLOWING PARAGRAPH THAT APPLIES. CHECK ONLY ONE. IF NONE IS CHECKED, THEN CLAUSE a) BELOW WILL BE APPLICABLE, AND CLAUSE b) BELOW WILL BE DEEMED DELETED

A) Landlord represents and warrants that on the date hereof no mortgage, deed of trust, deed to secure debt or similar encumbrance encumbers the Premises.

B) A mortgage, deed of trust or deed to secure debt currently encumbers the Premises. It is a condition precedent to Tenant's obligations under the Lease that the holder of such encumbrance enter into a written subordination and non-disturbance agreement with Tenant, in form acceptable to Franchisor.

8. Third-Party Beneficiary. Franchisor is a third-party beneficiary of this Lease Addendum. Therefore, Franchisor shall have all rights (but not the obligation) to enforce the terms of this Lease Addendum.

9. Amendments. Tenant and Landlord agree that the Lease may not be terminated, modified or amended without Franchisor's prior written consent, nor shall Landlord accept surrender of the Premises without Franchisor's prior written consent. Tenant agrees to promptly provide Franchisor with copies of all proposed modifications or amendments and true and correct copies of the signed modifications and amendments.

10. Copy of Lease. Landlord agrees to provide Franchisor with a copy of the fully-executed Lease within 10 days of its full execution by Landlord and Tenant to the address shown in paragraph 6 above.

11. Successors and Assigns. All of Franchisor's rights, privileges and interests under this Lease Addendum and the Lease shall inure to the benefit of Franchisor's successors and assigns. All provisions of this Lease Addendum applicable to Tenant and Landlord shall be binding upon any successor or assign of Tenant or Landlord under the Lease.

12. Counterparts. This Lease Addendum may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Faxed, scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures.

AGREED and executed and delivered under seal by the parties hereto as of the day and year of the Lease.

Independent Auditor's Report

The Member
Fyzical, LLC
Sarasota, FL

Opinion

We have audited the financial statements of Fyzical, LLC (the Company), which comprise the balance sheets as of December 31, 2023, 2022, and 2021, the related statements of operations, changes in member's equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023, 2022, and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

I. Organization and Nature of Operations

Fyzical, LLC (the Company), a limited liability company, was organized under the laws of the State of Florida effective August 28, 2012, and converted to a limited liability company organized under the laws of the state of Delaware effective December 26, 2017. Fyzical, LLC was formed for the purpose of offering and selling Fyzical franchises for the right to establish and operate physical therapy and fitness businesses in the United States.

2. Summary of Significant Accounting Policies

Financial Statements

The financial statements and notes are representations of the Company's management who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Financial Instruments Not Measured at Fair Value

The Company's financial instruments are not measured at fair value on a recurring basis but nevertheless certain financial instruments are recorded at amounts that approximate fair value due to their liquid or short-term nature. Such financial assets and financial liabilities include cash, accounts receivable, prepaid expenses, accounts payable, and accrued expenses.

Cash

Cash represents amounts held in bank accounts.

Accounts Receivable

The Company's accounts receivable balance consists of royalties receivable from franchisees and trade accounts receivable. Accounts receivable at December 31, 2023, 2022, and 2021 totaled \$3,541,905, \$2,195,505, and \$1,847,656, respectively. Management reviews all royalties receivable from franchisees and trade accounts receivables and determines whether an allowance for credit losses is necessary using historical loss information by aging category adjusted for current economic conditions and reasonable and supportable forecasts. Balances are charged off against the allowance account when management believes there is no possibility of recovery. Management determined that an allowance for credit losses was necessary in the amount of \$468,708, \$257,266 and \$76,509 at December 31, 2023, 2022 and 2021, respectively.

2. Summary of Significant Accounting Policies (Continued)

Deferred Costs

The Company capitalizes incremental costs of obtaining a contract with a customer when the Company expects to recover these costs and the costs otherwise would not have been incurred if the contract had not been obtained. Costs to obtain a contract which would have been incurred regardless of whether the contract was obtained are recognized as an expense when incurred, unless those costs are explicitly chargeable to the customer regardless of whether a contract is obtained. These capitalized costs are shown as deferred costs on the balance sheet and are amortized over the term of the corresponding franchise agreement. At December 31, 2023, 2022, and 2021, deferred costs of sales commissions related to franchise revenues totaled \$6,269,493, \$4,110,017, and \$2,423,735, respectively. The Company recognized \$255,632, \$778,374, and \$207,478 in commission expense for the years ended December 31, 2023, 2022, and 2021, respectively.

Notes Receivable and Credit Losses

The Company's notes receivable consists of financing agreements between the Company and franchisees to finance the initial franchise investment (franchise fees). The agreements range from 12-60 months and carry interest rates between 0% and 12%. Management individually reviews all financing agreements with franchisees and determines whether an allowance for credit losses is necessary using historical loss information by aging category adjusted for current economic conditions and reasonable and supportable forecasts. Balances are charged off against the allowance when management believes there is no possibility of recovery. Management determined that an allowance for credit losses was necessary in the amount of \$98,035, \$125,178 and \$103,405 at December 31, 2023, 2022 and 2021, respectively. Credit loss expense (recovery) for the years ended December 31, 2023, 2022, and 2021 was \$100,970, \$190,911, and \$(34,278), respectively.

Advertising Expense

Advertising costs are expensed as incurred. Marketing and advertising expense charged to operations totaled \$1,353,288, \$1,050,397, and \$797,283 for the years ended December 31, 2023, 2022, and 2021, respectively.

Intangible Assets

Intangible assets consist of capitalized trademark costs. The intangible assets are amortized over their estimated useful life of 10 years.

Property and Equipment

Property and equipment are stated at cost at the date of acquisition. Expenditures that significantly add to the productivity or extend the useful lives of property and equipment are capitalized. Other expenditures for maintenance and repairs are charged to operations in the year the costs are incurred. Depreciation is provided for over the estimated service lives of the respective assets on a straight-line basis. A summary of estimated lives is as follows:

	Years
Computer and Software	3-5
Furniture and Fixtures	3-5
Machinery and Equipment	5
Automobiles	5
Leasehold Improvements	5-10

2. Summary of Significant Accounting Policies (Continued)

Revenue Recognition

Franchise Fees

The Company sells franchise agreements throughout the United States. The related franchise fee is recorded upon completion of a franchise agreement contract. When the agreement is signed, the new franchisee must either pay the franchise fee in full or place a percentage down and obtain financing for the remainder. The Company may finance the remainder in the form of promissory notes, which are shown as notes receivable on the balance sheets. The initial franchise fee is determined based on estimated market planning of the protected search area.

Per ASU 2014-09, *Revenue from Contracts with Customers*, management has identified two distinct performance obligations for the Company, which is to provide initial training for franchisees and to provide the Company's intellectual property to the franchisee over the term of the agreement. Franchise fee revenue is allocated between these two distinct performance obligations and recognized as income as each obligation is satisfied. The estimated stand-alone cost of the initial training provided is \$4,000. Initial training is recognized upon receipt of payment or financing via a promissory note as these services are typically provided within 30 days of the effective date of the franchise agreement. The remainder of the franchise fee is allocated to the performance obligation of providing intellectual property to the franchisee over the term of the agreement. This amount is deferred and amortized into revenue over the term of the franchise agreement, which is typically ten years.

Franchise fee revenues totaled \$5,485,361, \$7,336,371, and \$3,733,102 for the years ended December 31, 2023, 2022, and 2021, respectively. Deferred franchise fees totaled \$32,063,076, \$27,332,448, and \$22,966,456 at December 31, 2023, 2022, and 2021, respectively.

Royalty Income

Franchisees are contractually obligated to pay a portion of their monthly receipts to the Company. Royalty fees are calculated based on monthly financial information provided by the franchisees and are recognized in the period during which the underlying revenues are earned.

Disaggregation of Revenue

The Company presents disaggregated revenue based on the timing of transfer of goods and services. Disaggregated revenue consists of the following at December 31, 2023:

Timing of Revenue Recognition	Franchise Fees	Royalty	Total
Services transferred at a point in time	\$ 292,000	\$ 9,651,504	\$ 9,943,504

Income Taxes

The Company is a limited liability company that has elected to be taxed as a partnership. All of the Company's taxable income or loss is allocated to the Members. Therefore, no provision or liability for income taxes has been included in the December 31, 2023, 2022, and 2021 financial statements.

Under the Income Taxes Topic of the FASB Accounting Standards Codification, the Company has reviewed and evaluated the relevant technical merits of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Company.

The Company files income tax returns in the U.S. federal jurisdiction and the state of Delaware. The tax periods open to examination by the Company's major taxing jurisdictions included fiscal years ended December 31, 2020 through December 31, 2023.

Reclassifications

To facilitate comparison of financial data, certain amounts in the 2022 and 2021 financial statements have been reclassified to conform to the 2023 reporting presentation. Such reclassifications had no effect on the net income previously reported.

Leases

In February 2016, the FASB issued ASC Topic 842, *Leases*, to increase transparency and comparability among organizations related to their leasing arrangements. The update requires lessees to recognize most leases on their balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Topic 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. Similar to the previous lease guidance, the update retains a distinction between finance leases (similar to capital leases in Topic 840, *Leases*) and operating leases, with classification affecting the pattern of expense recognition in the statement of operations. The Company adopted Topic 842 on January 1, 2022, using the optional transitional method to the modified retrospective approach, which eliminates the requirement to restate the prior-period financial statements. Under this transition provision, the Company has applied Topic 842 to reporting periods beginning on January 1, 2022, while prior periods continue to be reported and disclosed in accordance with the Company's historical accounting treatment under ASC Topic 840, *Leases*.

2. Summary of Significant Accounting Policies (Continued)

Leases (Continued)

The Company elected the “package of practical expedients” under the transition guidance within Topic 842, in which the Company does not reassess (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases, or (3) the initial direct costs for any existing leases. The Company has not elected to adopt the “hindsight” practical expedient and therefore will measure the ROU asset and lease liability using the remaining portion of the lease term upon adoption of ASC 842 on January 1, 2022.

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company made an accounting policy election available under Topic 842 not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of Topic 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. The Company’s lease agreements do not provide a readily determinable implicit rate. Therefore, the Company estimates its incremental borrowing rate based on information available at lease commencement in order to discount lease payments to present value.

3. Notes Receivable

Notes receivable consist of various principal amounts in accordance with franchise agreements. These notes are payable in monthly installments ranging from 12 to 60-month terms and accrue annual interest between 0% and 12%. 6. Related Party Transactions (Continued)

During 2023, 2022, and 2021, the Company recognized \$155,463, \$116,604, and \$116,604 of franchise fee revenue, respectively, from three master franchise agreements sold to groups which included related parties of the Company.

In December 2019, the Company sold \$1,913,123 of notes receivable to a related party. The related party has recourse to the Company for failure of the underlying debtors to pay amounts contractually due if the underlying note is 60 days or more delinquent. Accordingly, a full reserve was established for any underlying notes 60 days delinquent in addition to any reserve calculated per the policies outlined in Note 2. The Company retained servicing responsibilities but does not receive servicing fees on the sold notes receivable.

The notes were sold at their carrying value of outstanding principal due and therefore no gain or loss was recognized on the sale. At December 31, 2023, 2022, and 2021, the notes have weighted average maturity of 0, 9 and 10 months, a weighted average interest rate of 12%, 7% and 9%, principal outstanding of \$1,054, \$62,862 and \$244,338, and an allowance reserve of \$0, \$0, and \$12,217, respectively. The allowance reserve is included in the Company's note reserve on the balance sheets.

Throughout the year, the Company will incur various costs and collect revenues on behalf of Fyzical Acquisition Holdings, LLC and Subsidiaries, and vice versa. These costs and revenues are then accounted for as contributions, distributions, or intercompany balances. As of December 31, 2023, 2022, and 2021, contributions were \$0, \$0, and \$4,866,407, distributions were \$901,128, \$6,442,213, and \$5,095,847, and the intercompany receivable balance was \$0, \$0, and \$1,998,335, respectively.

On January 26, 2023, a \$750,000 note receivable was advanced to an officer of the Company. The note has a term of 24 months, with an interest rate of 0%, and one balloon payment of the full \$750,000 balance due to the Company on January 26, 2025. The note is secured by two master franchise agreement territories owned by the officer.

7. Leases

The Company leases two buildings under operating leases which expire on May 1, 2026 and June 1, 2027. During the year ended December 31, 2019, the Company entered into a sublease agreement for the entirety of area covered by one of the operating leases. The Company recorded the \$100,811 difference between the fair value of lease payments owed and the fair value of sublease payments due as a sublease liability on the balance sheets, with a resulting loss on sublease on the statement of operations. The Company continues to be responsible for performance under the lease until it expires on June 1, 2027.

Operating lease expenses are recognized on a straight-line basis over the lease term. The components of lease expenses are as follows for the year ended December 31, 2023:

9. Concentrations of Credit Risk

DEVELOPMENT RIGHTS RIDER TO FRANCHISE AGREEMENT

FYZICAL, LLC
DEVELOPMENT RIGHTS RIDER TO FRANCHISE AGREEMENT

THIS DEVELOPMENT RIGHTS RIDER TO THE FRANCHISE AGREEMENT (this “**Rider**”) is effective as of _____ (the “**Effective Date**”), regardless of the actual date of signature, by and between **FYZICAL, LLC**, a Delaware limited liability company, having its principal place of business at 1751 Mound Street, Suite 102, Sarasota, Florida 34236 (“**we**” or “**us**” or “**our**” or “**FYZICAL**”) and _____, an individual/partnership/corporation/limited liability company (circle one), established in the state of _____, and whose principal address is _____ (“**you**” or “**your**”). This Rider supplements the Franchise Agreement of even date herewith (the “**Agreement**”) by and between the parties.

1. **Incorporation and Precedence.** This Rider is an integral part of, and is incorporated into, the Agreement. Nevertheless, this Rider governs, controls and supersedes any inconsistent or conflicting terms of the Agreement. Terms not otherwise defined in this Rider have the meanings defined in the Agreement.

2. **Grant of Development Rights.** Subject to your strict compliance with this Rider, we grant you the right to develop _____ () FYZICAL ® Centers (including the FYZICAL ® Center covered by the Agreement), according to the mandatory development schedule described in Exhibit A to this Rider (the “**Schedule**”), within the following geographic area (the “**Development Territory**”):

_____.

If you (and, to the extent applicable, your Approved Affiliates (defined in Section 3 below)) are fully complying with all of your (and their) obligations under this Rider, the Agreement, and all other franchise agreements then in effect between us and you (and, to the extent applicable, your Approved Affiliates) for the development and operation of FYZICAL ® Centers, then during this Rider’s term only, we (and our affiliates) will not establish and operate or grant to others the right to establish and operate FYZICAL ® Centers having their physical locations within the Development Territory.

The location exclusivity described above is the only restriction on our (and our affiliates’) activities within the Development Territory during the Rider’s term. You acknowledge and agree that we and our affiliates have the right to engage, and grant to others the right to engage, in any other activities of any nature whatsoever within the Development Territory, including, without limitation, those we reserve in the Agreement. After this Rider expires or is terminated (regardless of the reason for termination), we and our affiliates have the right, without any restrictions whatsoever, to (a) establish and operate, and grant to others the right to establish and operate, FYZICAL ® Centers having their physical locations within the Territory and (b) continue to engage, and grant to others the right to engage, in any other activities we (and our affiliates) desire within the Development Territory.

YOU ACKNOWLEDGE AND AGREE THAT TIME IS OF THE ESSENCE UNDER THIS RIDER, AND YOUR RIGHTS UNDER THIS RIDER ARE SUBJECT TO TERMINATION (WITHOUT ANY CURE OPPORTUNITY) IF YOU DO NOT COMPLY STRICTLY WITH THE DEVELOPMENT OBLIGATIONS PROVIDED IN THE SCHEDULE. WE MAY ENFORCE THIS RIDER STRICTLY.

3. **Development Obligations.** To maintain your rights under this Rider, you (and/or Approved Affiliates) must, by the dates specified in the Schedule, sign franchise agreements for and then construct, develop, and have open and operating within the Development Territory the agreed-upon minimum number of FYZICAL ® Centers. If your owners establish a new legal entity to operate one or more of the FYZICAL ® Centers to be

developed pursuant to this Rider and that new legal entity's ownership is completely identical to your ownership, that legal entity automatically will be considered an "**Approved Affiliate**" without further action. However, if the new legal entity's ownership is not completely identical to your ownership, you first must seek our approval for that new entity to develop and operate the proposed Center as an Approved Affiliate. We may refuse any such request if you and/or your owners do not (a) own and control at least two-thirds of the new entity's ownership interests and (b) have the authority to exercise voting and management control of the Center proposed to be owned by the new entity.

You (and/or your Approved Affiliates) will operate each FYZICAL ® Center under a separate franchise agreement with us. The franchise agreement (and related documents, including Owner's Guaranty) that you and your owners (or your Approved Affiliate and its owners) must sign for each Center developed pursuant to this Rider will be our then-current form of franchise agreement (and related documents, including Owner's Guaranty), any or all terms of which may differ substantially and materially from any or all terms contained in the Agreement, provided, however, that the Royalty Fee specified under our then-current form of franchise agreement will (if different) be modified for the initial franchise term for each new Center to be a maximum of 3.9% of Gross Revenue unless you (and your Approved Affiliates) are not then in full compliance with this Rider and all other franchise agreements then in effect between us and you (and your Approved Affiliates) for FYZICAL ® Centers. If you (and your Approved Affiliates) are not then in full compliance with this Rider and all other franchise agreements then in effect between us and you (and your Approved Affiliates) for FYZICAL ® Centers, then the Royalty Fee specified under our then-current form of franchise agreement will not be modified for the initial franchise term of the new FYZICAL ® Centers, and the Royalty Fee for any of the already open FYZICAL ® Centers developed pursuant to this Rider will revert to the un-modified Royalty Fee in our form of franchise agreement in effect at the time the franchise agreement(s) for the already open Center(s) was executed.

Despite any contrary provision contained in the newly-signed franchise agreements, your (and your Approved Affiliates) additional FYZICAL ® Centers within the Development Territory must be open and operating by the dates specified in the Schedule. To retain your rights under this Rider, each FYZICAL ® Center opened pursuant to this Rider must operate continuously throughout this Rider's term in full compliance with its franchise agreement.

4. **Subfranchising and Sublicensing Rights.** This Rider does not give you any right to franchise, license, subfranchise, or sublicense others to develop and operate FYZICAL ® Centers. Only you (and/or your Approved Affiliates) may construct, develop, open, and operate FYZICAL ® Centers pursuant to this Rider. This Rider also does not give you (or your Approved Affiliates) any independent right to use the FYZICAL ® trademark or our other trademarks and commercial symbols. The right to use our trademarks and commercial symbols is granted only under a franchise agreement signed directly with us. This Rider only grants you potential development rights if you fully comply with its terms.

5. **Development Fee.** As consideration for the development rights we grant you in this Rider, you must pay us when you sign this Rider a total of _____ Dollars (\$) (the "**Development Fee**"), which equals Forty-Nine Thousand Dollars (\$49,000) for each FYZICAL ® Center you agree to construct, develop and operate pursuant to this Rider, including the first Center covered by the Agreement. The Development Fee is consideration for the rights we grant you in this Rider and for reserving the Development Territory for you to the exclusion of others (except as provided in this Rider) while you are in compliance, is fully earned by us when we and you sign this Rider, and is not refundable under any circumstances, even if you do not comply or attempt to comply with the Schedule and we then terminate this Rider for that reason.

While the Development Fee is not refundable under any circumstances, each time you (or your Approved Affiliate) sign a franchise agreement for a FYZICAL ® Center to be developed within the Development Territory

(including the first Center covered by the Agreement), we will apply Forty-Nine Thousand Dollars (\$49,000) from the Development Fee to satisfy the initial franchise fee due for that Center.

6. **Modified Royalty Fee.** For so long as you (and your Approved Affiliates) are in full compliance with this Rider and all other franchise agreements then in effect between us and you (and your Approved Affiliates) for FYZICAL ® Centers, then the Royalty Fee that you are obligated to pay for each Center developed pursuant to this Rider will be reduced to a maximum of 3.9% of Gross Revenue per month. The Minimum Guaranteed Royalty per month specified in the Agreement will remain in effect. If you (and your Approved Affiliates) fail to remain in compliance with this Rider and all other franchise agreements then in effect between us and you (and your Approved Affiliates) for FYZICAL ® Centers, then the Royalty Fee for any of the already open FYZICAL ® Centers developed pursuant to this Rider will revert to the un-modified Royalty Fee specified in the franchise agreement for each Center, for the remainder of the term of each franchise agreement.

7. **Grant of Franchises.** You must identify an Approved Location within the geographic boundaries of the Development Territory for each FYZICAL ® Center that you (or your Approved Affiliate) wish to develop in the Development Territory, and seek our written approval of such Approved Location. The Approved Location must conform to our then-current minimum site selection criteria for demographic characteristics, traffic patterns, parking, signage, character of neighborhood, competition from and proximity to other businesses, the size, appearance and other physical characteristics of the proposed site, and any other factors or characteristics that we consider appropriate. Our criteria, and our evaluation of them, may vary from periodically and from location to location. You agree to send us a complete site report (containing the demographic, commercial and other information, photographs and video recordings that we may reasonably require) for your proposed site. We have the right to accept or reject all proposed sites for your Centers in our commercially reasonable judgment. We will use our best efforts to approve or disapprove a proposed site within 15 days after we receive all of the requisite materials. Your site is deemed disapproved if we fail to issue our written approval within the 15-day period.

You must also deliver to us for our approval, which we will not unreasonably withhold, copies of the proposed lease agreement and related documents for each Approved Location before signing them. You agree not to sign any lease agreement or related documents unless we have approved them.

You (or your Approved Affiliate) must sign a franchise agreement for a new Center to be developed under this Rider in advance of beginning the site selection process for that Center. We will not accept a proposed site if you (or your Approved Affiliate) have not yet signed a franchise agreement for that Center. If you (or your Approved Affiliate) fail to obtain lawful possession of the Approved Location, we may withdraw our acceptance of the proposed site and exercise any of our other rights under this Rider. After you and your owners (or your Approved Affiliate and its owners) sign the franchise agreement (and related documents, including Owner's Guaranty), its terms and conditions will control the construction, development and operation of the FYZICAL ® Center (except that the required opening date is governed exclusively by the Schedule in this Rider, provided in Section 3 above, and the Royalty Fee is governed by Section 6 of this Rider).

In addition to our rights with respect to proposed FYZICAL ® Center sites, we may delay your development and/or opening of additional FYZICAL ® Centers within the Development Territory for the time period we deem best if we believe in our sole judgment, when you submit your application for another Center, or after you (or your Approved Affiliate) have developed and constructed but not yet opened a particular Center, that you (or your Approved Affiliate) are not yet operationally, managerially, or otherwise prepared (no matter the reason) to develop, open, and/or operate the additional FYZICAL ® Center in full compliance with our standards and specifications. We may delay additional development and/or a Center's opening for the time period we deem best as long as the delay will not in our reasonable opinion cause you to breach your development

obligations under the Schedule (unless we are willing to extend the Schedule proportionally to account for the delay).

8. **Term.** This Rider's term begins on the date we sign it and ends on the date when (a) you (or your Approved Affiliate) open for business the final FYZICAL ® Center to be developed under the Schedule, or (b) this Rider is otherwise terminated, but in any event this Rider's term will end no later than the date by which the last Center must be opened pursuant to the Schedule. Notwithstanding the foregoing, Section 6 of this Rider will survive the termination of this Rider for so long as you (and your Approved Affiliates) remain in full compliance with this Rider and all other franchise agreements then in effect between us and you (and your Approved Affiliates) for FYZICAL ® Centers.

9. **Termination.** We may at any time terminate this Rider and your rights under this Rider to develop FYZICAL ® Centers within the Development Territory, such termination to be effective upon our delivery to you of written notice of termination:

(a) if you fail to satisfy your development obligations under the Schedule, which default you have no right to cure;

(b) if you fail to satisfy any other obligation under this Rider, which default you have no right to cure;

(c) if the Agreement, or another franchise agreement between us and you (or your Approved Affiliate) for a FYZICAL ® Center, is terminated by us in compliance with its terms or by you (or your Approved Affiliate) for any (or no) reason; or

(d) if we have delivered a formal written notice of default to you (or your Approved Affiliate) under the Agreement, or another franchise agreement between us and you (or your Approved Affiliate) for a FYZICAL ® Center, and you (or your Approved Affiliate) fail to cure that default within the required timeframe.

No portion of the Development Fee is refundable upon termination of this Rider or under any other circumstances. If we terminate this Rider because you fail to satisfy your development obligations under the Schedule, we will keep the Development Fee (which is not refundable) but otherwise will not seek to recover damages from you due solely to your failure to comply with the Schedule.

Termination of this Rider under clauses (a), (b), (c), or (d) above is not deemed to be the termination of any franchise rights (even though this Rider is attached to the Agreement) because this Rider grants you no separate franchise rights. Franchise rights arise only under franchise agreements signed directly with us. Termination of this Rider does not affect any franchise rights granted under any then-effective individual franchise agreements.

10. **Assignment.** Your development rights under this Rider are not assignable at all. This means we will not under any circumstances allow the development rights to be transferred. A transfer of development rights would be deemed to occur (and would be prohibited) if there is an assignment of the Agreement, a transfer of a controlling ownership interest in you, a transfer of this Rider separate and apart from the Agreement, or any other event attempting to assign the development rights. An assignment of only a non-controlling ownership interest in you is permitted (and would not be deemed to be a transfer of your development rights) to the extent permitted by the terms and conditions of the Agreement.

11. **Rider to Control.** Except as provided in this Rider, the Agreement remains in full force and effect as originally written. If there is any inconsistency between the Agreement and this Rider, this Rider's terms will control.

FYZICAL, LLC
CONVERSION ADDENDUM TO FRANCHISE AGREEMENT

THIS CONVERSION ADDENDUM TO THE FRANCHISE AGREEMENT (this “**Addendum**”) is effective as of _____ (the “**Effective Date**”), regardless of the actual date of signature, by and between **FYZICAL, LLC**, a Delaware limited liability company, having its principal place of business at 1751 Mound Street, Suite 102, Sarasota, Florida 34236 (“**we**” or “**us**” or “**our**” or “**Fyzical**”) and _____, an individual/partnership/corporation/limited liability company (circle one), established in the state of _____, and whose principal address is _____ (“**you**” or “**your**”). This Addendum supplements the Franchise Agreement of even date herewith (the “**Agreement**”) by and between the parties.

1. **Incorporation and Precedence.** This Addendum is an integral part of, and is incorporated into, the Agreement. Nevertheless, this Addendum governs, controls and supersedes any inconsistent or conflicting terms of the Agreement. Terms not otherwise defined in this Addendum have the meanings as defined in the Agreement.

2. **Conversion Program.** You have applied to become a FYZICAL® Center franchisee under our conversion program, and we have agreed to award a franchise to you for the operation of a Conversion Center. Since the conversion program differs (as detailed in this Addendum) from the standard franchise program, the parties are signing this Addendum to properly detail the features of the conversion program and how the relationship between the parties differs from the standard FYZICAL® franchise agreement. Prior to acquiring the franchise, you operated a physical therapy business or wellness center known as _____ (the “**Existing Business**”). The Existing Business is located at _____ (the “**Existing Premises**”). You desire to convert the operation of the Existing Business to a FYZICAL® Center. You will convert your Existing Business into a FYZICAL® Center and operate your FYZICAL® Center from the Existing Premises.

3. **Approved Location / Site.** We approve the existing location of the Existing Business as the Approved Location.

4. **Use of Existing Equipment and Systems.** As a special accommodation to you, we agree that you will utilize various information systems, software systems, accounting, billing and collection systems, procedures and equipment currently in use by the Existing Business (the “**Existing Equipment and Systems**”) provided that:

(a) your use of the Existing Equipment and Systems does not unreasonably interfere with the FYZICAL® System;

(b) your use of the Existing Equipment and Systems continues to meet our specifications and standards, which we may modify, change or amend from time to time; and

(c) In the event we require you to cease, modify, change or amend your use of the Existing Equipment and Systems, you will have 30 days to comply; provided, however, if we require you to make any such change to its use of the Existing Equipment and Systems and such change requires you to make a capital expenditure greater than \$20,000 within any 12-month period, you will be given 90 days to make such changes.

5. **Opening Date.** Notwithstanding anything to the contrary contained in the Agreement, you must open your FYZICAL® Center to the public within 45 days from the Effective Date of the Agreement. For purposes of Section 3.3 of the Agreement (Minimum Performance Standards) and Section 13.4 of the Agreement (Royalty Commencement Date), the “**Opening Date**” shall mean the earlier to occur of: (a) the actual opening date of your FYZICAL® Center or (b) 45 days from the Effective Date of the Agreement

6. **Rights and Duties of Parties Upon Termination.** Your obligation to immediately turn over to us all of our confidential and proprietary information, including all copies of them, as required by Section 21 of the Agreement, will not include the client lists, files, records, agreements, disclosure statements and other business information relating solely to the Existing Business that are separate from that of your FYZICAL® Center; provided, however, that if you have commingled such information, then all will be made available to us.

7. **Existing Client Lists.** Client lists generated by you prior to the Effective Date will remain your property, except that any new or existing client lists that are generated, distilled, modified or improved in connection with the operation of your FYZICAL® Center will be the joint property of both us and you. You will deliver copies to us at any time, on request.

8. **Post-Term Covenant Not to Compete.** Notwithstanding Section 14.4 of the Agreement, upon expiration, termination or Transfer of the Agreement, you may, at your option, pay us an amount equal to the aggregate Royalty fees for your FYZICAL™ Center for the trailing 24-month period preceding the date of the expiration, termination or Transfer, in which case the post-term competitive restrictions in Section 14.4 of the Agreement will not apply and will be cancelled.

9. **Transfers.** If there is a transfer of the franchise and the Agreement pursuant to Section 19.2 of the Agreement, then this Addendum will automatically be canceled.

10. **Termination.** If for any reason the Agreement terminates or expires, all of your rights under this Addendum also end, effective as of the same date of termination or expiration of the Agreement.

Intending to be bound, the parties sign and deliver this Addendum as of the Effective Date, regardless of the actual date of signature.

**ADDENDUM
TO FRANCHISE DISCLOSURE DOCUMENT FOR
FYZICAL, LLC**

STATE OF CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

2. SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE YOU A FRANCHISE DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF FINANCIAL PROTECTION & INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE AGREEMENT.

3. OUR WEBSITES, www.fyzical.com AND www.fyzicalfranchise.com, HAVE NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION AT www.dfpi.ca.gov.

4. The following is added at the end of Item 3 of the Disclosure Document:

Neither we, our parent, or affiliate nor any person in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. Sections 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

5. The following is added at the end of Item 6 of the Disclosure Document:

The highest rate of interest allowed by California law is 10% annually.

6. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning termination or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 *et seq.*).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the respective agreement. These provisions may not be enforceable under California law.

The Franchise Agreement requires application of the laws of the State of Florida with certain exceptions. These provisions may not be enforceable under California law.

The Franchise Agreement requires you to sign a general release of claims on renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 might void a waiver of your

rights under the Franchise Investment Law (California Corporations Code Section 31000 – 31516). Business and Professions Code Section 20010 might void a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

7. The following is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your FYZICAL business. Franchisees or former franchisees, listed in the Franchise Disclosure Document, may be one source of this information.

8. In registering this franchise, the California Department of Financial Protection and Innovation has not reviewed, and makes no statements concerning, the franchisor's compliance with state and federal licensing and regulatory requirements relating to the practice of medicine. You should consult with your attorney concerning these laws, regulations, and ordinances that may affect the operation of your business. If the California Medical Board, or any other agency overseeing the practice of medicine in this state, determines that the operation of the franchise fails to comply with state law, the franchisor may be required to cease operations of the franchised business in California. This may result in the termination of your franchise and loss of your investment.

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

ADDENDUM
TO FRANCHISE DISCLOSURE DOCUMENT FOR
FYZICAL, LLC

STATE OF MINNESOTA

The following is added to the end of the table in Item 17 of the Disclosure Document:

Minnesota law provides you with certain termination and non-renewal rights. Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 require, except in certain specified cases, that (1) you be given 90 days' notice of termination (with 60 days to cure) of the Franchise Agreement and 180 days' notice for non-renewal of the Franchise Agreement and (2) consent to the transfer of the franchise will not be unreasonably withheld.

According to Minn. Stat. 80C.12 Subd. 1(G), it is unfair to not protect the franchisee's right to use the trademarks. Provided you have complied with all provisions of the Franchise Agreement applicable to the Marks, we will protect your rights to use the Marks or indemnify you from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the Marks.

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or Franchise Agreement can abrogate or reduce (1) any of your rights as provided for in Minnesota Statutes 1984, Chapter 80C, or (2) your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction. Those provisions also provide that no condition, stipulations or provision in the Franchise Agreement will in any way abrogate or reduce any of your rights under the Minnesota Franchises Law, including, if applicable, the right to submit matters to the jurisdiction of the courts of Minnesota.

As stated in Minn. Rule 2860.4400J, you are not required to consent to the franchisor obtaining injunctive relief. We may seek injunctive relief, but a court will determine if a bond is required.

Any release as a condition of renewal and/or transfer/assignment will not apply to the extent prohibited by applicable law with respect to claims arising under Minn. Rule 2860.4400D.

Under Minnesota Statute 80C.17 Subd. 5, no action may be commenced pursuant to the Minnesota franchise statute more than 3 years after the cause of action accrues.

**RIDER TO
FYZICAL, LLC
FRANCHISE AGREEMENT
FOR USE IN MINNESOTA**

This Rider is entered into this _____ (the “**Effective Date**”), between **FYZICAL, LLC**, a limited liability company (“**we**” or “**us**” or “**our**” or “**Fyzical**”) and _____, a(n) _____ (“**you**” or “**your**”) and amends the Franchise Agreement between the parties dated as of the Effective Date, (the “**Agreement**”).

1. **Precedence and Defined Terms.** This Rider is an integral part of, and is incorporated into, the Agreement. Nevertheless, this Rider supersedes any inconsistent or conflicting provisions of the Agreement. Terms not otherwise defined in this Rider have the meanings as defined in the Agreement. This Rider is annexed to and forms part of the Agreement. This Rider is being signed because (a) the FYZICAL Center that you will operate under the Agreement will be located in Minnesota; and/or (b) any of the offering or sales activity relating to the Agreement occurred in Minnesota.

2. **Waiver of Trial by Jury.** To the extent required by the Minnesota Franchises Law, provisions of the Agreement that require waiver of any party’s right to trial by jury are deleted in their entirety.

3. **Renewal and Termination.** We will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that (1) you be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice of non-renewal of this Agreement, and (2) consent to the transfer of the franchise will not be unreasonably withheld.

4. **Release.** Any release required as a condition of renewal, sale and/or assignment/transfer of your Center will not apply to the extent prohibited by Minnesota Rules 2860.4400(D).

5. **Notice of Infringement of Claims.** The following is added to Section 17.6 of the Agreement “Provided you have complied with all provisions of the Franchise Agreement applicable to the Marks, we will protect your rights to use the Marks and we also will indemnify you from any loss, costs or expenses from any claims, suits or demands regarding your use of the Marks in accordance with Minn. Stat. Sec. 80C.12 Subd. 1(g).”

6. **Breach of Covenants.** Section 14.8 to the Agreement is deleted and replaced with the following:

Breach of Covenants. You and the Owners agree that failure to comply with the terms of this Section 14 will cause substantial and irreparable damage to us and/or other FYZICAL® Center franchisees for which there is no adequate remedy at law. Therefore, you and the Owners agree that any violation of the terms of this Section 14 will entitle us to injunctive relief. We may apply for such injunctive relief, upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). A court will determine if a bond is required. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you or an Owner may have against

us, regardless of cause or origin, cannot be used as a defense against our enforcement of this Section 14. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable by reducing any part or all of it, you and we agree that such covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

As stated in Minn. Rule 2860.4400J, you are not required to consent to the franchisor obtaining injunctive relief. We may seek injunctive relief, but a court will determine if a bond is required.

7. **Trademarks.** The following is added to the end of Section 17 of the Agreement:

According to Minn. Stat. 80C.12 Subd. 1(G), it is unfair to not protect the franchisee's right to use the trademarks. Provided you have complied with all provisions of the Franchise Agreement applicable to the Marks, we will protect your rights to use the Marks or indemnify you from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the Marks.

8. **Limitation on Claims.** The following is added to the end of Section 22 of the Agreement:

Minnesota law provides that no action may be commenced under Minn. Stat. Sec. 80C.17 Subd. 5 more than 3 years after the cause of action accrues.

9. **Governing Law & Consent to Jurisdiction.** The following statement is added at the end of Section 24.1 of the Agreement:

Notwithstanding the foregoing, Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us, except in certain specified cases, from requiring litigation to be conducted outside Minnesota. Nothing in this Agreement will abrogate or reduce any of your rights under Minnesota Statutes, Chapter 80C or your right to any procedure, forum, or remedies that the laws of the jurisdiction provide.

Intending to be bound, the parties sign and deliver this Rider in two counterparts effective on the Agreement Date, regardless of the actual date of signature.

STATE OF WASHINGTON

The following is added to Item 17 of the Disclosure Document:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW (the “Act”) will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with us, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with us, including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Act, in the State of Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in the State of Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.

WAIVER AND RELEASE OF CLAIMS

THIS WAIVER AND RELEASE OF CLAIMS (the “**Release**”) is made as of _____ (the “**Effective Date**”) by _____, a(n) _____ (“**Franchisee**”), and each individual holding an ownership interest in Franchisee (collectively with Franchisee, “**Releasor**”) in favor of FYZICAL, LLC, a Delaware limited liability company (“**Franchisor**,” and together with Releasor, the “**Parties**”).

WHEREAS, Franchisor and Franchisee have entered into a Franchise Agreement (the “**Agreement**”) pursuant to which Franchisee was granted the right to own and operate a FYZICAL® Center franchise;

WHEREAS, Franchisee has notified Franchisor of its desire to transfer the Agreement and all rights related thereto, or an ownership interest in Franchisee, to a transferee, [**enter into a successor franchise agreement**] and Franchisor has consented to such transfer [**agreed to enter into a successor franchise agreement**]; and

WHEREAS, as a condition to Franchisor’s consent to the transfer [**Franchisee’s ability to enter into a successor franchise agreement**], Releasor has agreed to execute this Release upon the terms and conditions stated below.

NOW, THEREFORE, in consideration of Franchisor’s consent to the transfer [**Franchisor entering into a successor franchise agreement**], and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and intending to be legally bound, Releasor hereby agrees as follows:

1. **Representations and Warranties.** Releasor represents and warrants that it is duly authorized to enter into this Release and to perform the terms and obligations herein contained, and has not assigned, transferred or conveyed, either voluntarily or by operation of law, any of its rights or claims against Franchisor or any of the rights, claims or obligations being terminated and released hereunder. Releasor represents and warrants that he/she is duly authorized to enter into and execute this Release on behalf of Franchisee. Releasor further represents and warrants that all individuals that currently hold a direct or indirect ownership interest in Franchisee are signatories to this Release.

2. **Release.** Releasor on behalf of itself and its current and former subsidiaries, affiliates, parents and each of the foregoing person’s or entities’ past and present officers, directors, agents, partners, shareholders, employees, representatives, successors and assigns, and attorneys, and the spouses of such individuals claiming by, through, under, or on behalf of any or all of foregoing persons or entities (collectively, the “**Releasing Parties**”), hereby release, acquit and forever discharge Franchisor, any and all of its current and former affiliates, parents, subsidiaries or related companies, divisions and partnerships, and its and their past and present officers, directors, agents, partners, shareholders, employees, representatives, successors and assigns, and attorneys, and the spouses of such individuals (collectively, the “**Released Parties**”), of and from any and all claims, damages, demands, causes of action, suits, duties, liabilities, and agreements of every kind and nature whatsoever (collectively, “**Claims**”), whether at law or in equity, and known or unknown, which any of the Releasing Parties had, has, or may have had, in any way arising out of or relating to any relationship or transaction with any of the Released Parties, however characterized or described, from the beginning of time to the Effective Date, including, without limitation, any and all Claims in any way arising out of or relating to the Franchise Agreement, the relationship created by the Franchise Agreement, or the development, ownership, or operation of any and all of the FYZICAL™ Centers. The Releasor further covenants that the Releasing Parties will not to sue any of the Released Parties

on any of the Claims released by this paragraph and represent that the Releasing Parties have not assigned any of the Claims released by this paragraph to any individual or entity who is not bound by this paragraph.

Each of the Releasing Parties acknowledges that he, she or it is familiar with Section 1542 of the California Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

With respect to those claims being released hereunder, each of the parties acknowledges that he, she or it is releasing unknown claims and waives all rights he, she or it has or may have under California Civil Code Section 1542 or any other statute or common law principle of similar effect. Each of the parties acknowledges that he, she or it may hereafter discover claims or facts in addition to or different from those now known or believed to exist with respect to the subject matter of the claims being released hereunder, and which, if known or suspected at the time of entering into this Release, may have materially affected this Release. Nevertheless, each of the parties hereby waives any right, claim or cause of action that might arise as a result of such different or additional claims or facts. Each of the parties acknowledges and understands the significance and consequence of such release and such specific waiver of California Civil Code Section 1542.

If the franchise operated by Franchisee under the Agreement is located in State of Maryland or if any of the Releasors is a resident of Maryland, the following shall apply:

Any general release provided for hereunder shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

If the franchise operated by Franchisee under the Agreement is located in State of Washington or if any of the Releasors is a resident of Washington, the following shall apply:

Any general release provided for hereunder does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

3. Nondisparagement. Releasor expressly covenants and agrees not to make any false representation of facts, or to defame, disparage, discredit or deprecate any of the Released Parties or otherwise communicate with any person or entity in a manner intending to damage any of the Released Parties, their Center or their reputation.

4. Miscellaneous.

Releasor agrees that it has read and fully understands this Release and that the opportunity has been afforded to Releasor to discuss the terms and contents of said Release with legal counsel and/or that such a discussion with legal counsel has occurred.

(a) This Release shall be construed and governed by the laws of the State of Florida.

(b) Each individual and entity that comprises Releasor shall be jointly and severally liable for the obligations of Releasor.

(c) In the event that it shall be necessary for any Party to institute legal action to enforce or for the breach of any of the terms and conditions or provisions of this Release, the prevailing Party in such action shall be entitled to recover all of its reasonable costs and attorneys' fees.

(d) All of the provisions of this Release shall be binding upon and inure to the benefit of the Parties and their current and future respective directors, officers, partners, attorneys, agents, employees, shareholders and the spouses of such individuals, successors, affiliates, and assigns. No other party shall be a third-party beneficiary to this Release.

(e) This Release constitutes the entire agreement and, as such, supersedes all prior oral and written agreements or understandings between and among the Parties regarding the subject matter hereof. This Release may not be modified except in a writing signed by all of the Parties. This Release may be executed in multiple counterparts, each of which shall be deemed an original and all of which together shall constitute but one and the same document.

(f) If one or more of the provisions of this Release shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect or impair any other provision of this Release, but this Release shall be construed as if such invalid, illegal or unenforceable provision had not been contained herein.

(g) The Parties agree to do such further acts and things and to execute and deliver such additional agreements and instruments as any Party may reasonably require to consummate, evidence, or confirm the Release contained herein in the matter contemplated hereby.

IN WITNESS WHEREOF Releasor has executed this Release as of the date first written above.

STATEMENT**

SECURED PROMISSORY NOTE

U.S. \$ _____

Effective Date: _____

Executed at: _____

FOR VALUE RECEIVED, _____, a(n) _____, whose principal business address is _____ (the "**Franchisee**") promises to pay to the order of FYZICAL, LLC, a Delaware limited liability company (the "**Franchisor**"), at its offices at 1751 Mound Street, Suite 102, Sarasota, Florida 34236 (or at such other place or places as the Franchisor or the holder of this Promissory Note (this "**Note**") may designate in writing, from time to time), the principal sum of _____ DOLLARS (U.S. \$ _____) (the "**Loan**"), or such lesser sum outstanding at the time when payment is due under this Note, in lawful currency of the United States of America, together with interest accruing thereon from the date of this Note at the rate described in Section 1, on the balance from time to time remaining unpaid. The Loan represented by this Note is subject to the terms and conditions of that certain Franchise Agreement dated _____, (the "**Franchise Agreement**") between Franchisee and Franchisor. All capitalized terms not defined herein shall have the same meaning as contained in the Franchise Agreement.

1. Interest Rates and Payments. Interest will accrue on the unpaid principal balance at the rate of 9.8% per annum. 36 equal monthly payments of principal plus accrued and unpaid interest in the amount of \$ _____ will be due and payable on the 5th day of each month commencing _____ until fully paid. All payments received by Franchisor will be applied first to accrued and unpaid interest and then to the then outstanding principal balance.

2. Security. This Note is secured by that security agreement executed by the parties concurrently herewith (the "**Security Agreement**"), the terms of which are incorporated to this Note by this reference. If Franchisee is not an individual, each of your direct and indirect owner must execute that certain owners' guaranty annexed hereto (the "**Guaranty**") to guaranty performance of Franchisee's obligations under this Note.

3. Definition of Event of Default. For purposes of this Note, an "**Event of Default**" is: (a) any failure to pay any sums when due to Franchisor or its affiliates under this Note, and failure to cure such default within five (5) days after receiving notice thereof; (b) any breach of the provisions of this Note, the Franchise Agreement or any other agreement between Franchisee (or its affiliates) and Franchisor (or its affiliates) and failure to cure such breach within the applicable cure period (if applicable); (c) unauthorized assignment by Franchisee of this Note or an attempt by Franchisee to assign this Note to a third-party for the benefit of Franchisee's creditors; (d) initiation of any action by Franchisee challenging the validity or enforceability of this Note or the Security Agreement; (e) any material adverse change in the financial condition of Franchisee or the occurrence of any event that, as determined by Franchisor in good faith, materially impairs the ability of Franchisee to pay the Loan; (f) filing of any insolvency or bankruptcy proceeding by or against Franchisee or the appointment of a receiver for Franchisee or any of Franchisee's assets; or (g) termination of the Franchise Agreement.

4. Late Charges; Default Interest Rate. A late charge equal to five percent (5%) of any installments of interest or principal which is not paid within ten (10) days of the date when the same becomes due and payable will be included with any such late payment. At any time or times during which an Event of Default then exists or upon the maturity of this Note, the interest rate under this Note will be equal to the lesser of: (i) eighteen percent (18%) per annum; or (ii) the maximum rate of interest permitted by applicable law (the "**Default Interest Rate**"), and shall be due and payable **ON DEMAND**.

5. **Acceleration of Maturity.** In the event of the continuation of any default in the payment of any interest or principal under this Note for a period of five (5) days after notice is received from Franchisor or upon the occurrence of any other Event of Default, Franchisor or the holder of this Note may elect to declare and may declare the entire unpaid principal amount outstanding under this Note, together with interest accrued thereon, immediately due and payable and/or may increase the interest rate under this Note up to the Default Interest Rate.
6. **Waivers.** Franchisee, its successors and assigns, and all other endorsers and guarantors of this Note waive any defense by reason of any extension of time for reason of nonpayment. Franchisee, its successors and assigns, and all endorsers and guarantors of this Note waive demand, presentment, notice of non-payment, dishonor and protest.
7. **Attorneys' Fees.** In case suit is brought for the collection of this Note, or if it is necessary to place the same in the hands of an attorney for collection, Franchisee and all endorsers and guarantors of this Note agree to pay reasonable attorneys' fees for making such collection, including all fees and costs incident to any appellate, post-judgment, and bankruptcy proceedings that may result, whether the holder of this note is obligated thereof or not.
8. **Maximum Interest.** Despite any other provision of this Note, in no event will the amount of interest due or payable under this Note exceed the maximum contract rate of interest allowed by applicable law, as amended from time to time. If any payment is made by Franchisee or received by Franchisor that exceeds the maximum contract rate of interest, such excess sum will be credited as a payment of principal, unless Franchisee notifies Franchisor that it elects to have the excess sum returned.
9. **Payment of Indebtedness.** All payments received from Franchisee may be applied to outstanding principal or accrued interest as Franchisor designates.
10. **Negotiability.** This Note is fully negotiable by Franchisor.
11. **Consideration.** Franchisee acknowledges and agrees that this Note has been signed and delivered to Franchisor in exchange for valuable consideration. The valuable consideration relates to amounts that are due and owing to Franchisor, without any defense or setoff.
12. **Venue.** Franchisee agrees that Sarasota County, Florida, is the proper venue for any and all legal proceedings arising out of this Note.
13. **Governing Law.** The provisions of this Note and the Franchise Agreement will be construed according to the laws of the State of Florida.
14. **Consent to Changes.** All parties liable for the payment of this Note consent and agree that the granting to Franchisee or any other party of any extension of time for the payment of any sums due under this Note, or for the performance of any covenant or stipulation in this Note or in any document securing the Loan or the release of Franchisee or any other party, or the agreement of the Franchisor not to sue the Franchisee or any other party, or the discharge of Franchisee or any other party, or the taking or releasing of other or additional security, will not in any way release or affect the liability of the Franchisee and/or of the endorsers or guarantors of this Note, all rights against such parties being expressly reserved.
15. **Amendment.** This Note may not be amended or modified, nor will any waiver of any provisions of this Note be effective, except by an instrument in writing signed by the holder of this Note. The Franchisee has signed this Note as principal and not as surety or accommodation party.

16. **Prepayment.** This Note may be prepaid, in whole or in part, at any time without penalty, provided that any partial payment shall be applied against the principal amount outstanding in inverse order of maturity and shall not postpone the due date of any subsequent payment unless the Franchisor shall otherwise agree in writing in its sole discretion.

17. **Nonassumability.** This Note is not transferrable, assignable, or assumable without Franchisor's prior written consent. Such assumption may be granted at the Franchisor's sole discretion and may be denied without regard to a showing of an impairment of the Franchisor's security or an evaluation of the creditworthiness of the proposed assuming party and regardless of whether the Franchisor consents to a transfer of the Franchise Agreement.

18. **WAIVER OF JURY TRIAL.** THE FRANCHISEE, BY SIGNING THIS NOTE, AND THE FRANCHISOR, BY ACCEPTANCE OF THIS NOTE, MUTUALLY AND WILLINGLY WAIVE THE RIGHT TO A TRIAL BY JURY OF ANY AND ALL CLAIMS MADE BETWEEN THEM WHETHER NOW EXISTING OR ARISING IN THE FUTURE, INCLUDING ANY AND ALL CLAIMS, DEFENSES, COUNTERCLAIMS, CROSSCLAIMS, THIRD PARTY CLAIMS AND INTERVENOR'S CLAIMS WHETHER ARISING FROM OR RELATED TO THE NEGOTIATION, SIGNING AND PERFORMANCE OF THE TRANSACTIONS TO WHICH THIS NOTE RELATES.

19. **Payment of Indebtedness.** Franchisee's obligation to pay this Note shall be absolute and unconditional. All payments under this Note shall be made without set-off or counterclaim and be free and clear and without any deduction or withholding for any taxes or fees of any nature whatever, unless the obligation to make such deduction or withholding is imposed by law.

No reference in this Note to the Security Agreement or other document shall impair the obligation of Franchisee to pay all amounts under this Note strictly in accordance with the terms of this Note.

22. **Entire Agreement.** This Note, together with the Security Agreement and the Guaranty annexed hereto, constitutes the entire contract between Franchisee and Franchisor with respect to the Loan and the repayment of the Loan, and the other subject matter hereof, and supersedes all previous agreements and understandings, oral or written, with respect thereto.

23. **Interpretation.** The terms "Franchisor" and "Franchisee" shall be deemed to include their respective heirs, successor, and permitted assigns, whether by voluntary action of the parties or by operation of law. OWNERS' GUARANTY

In consideration of and as an inducement to FYZICAL, LLC, a Delaware limited liability company (“**Franchisor**”) entering into that certain Promissory Note and Security Agreement each dated as of _____ (collectively, the “**Financing Documents**”), between Franchisor and _____, a(n) _____ (“**Franchisee**”), the undersigned individuals (each, a “**Guarantor**”) jointly and severally, personally and unconditionally, do hereby: (a) guarantee to Franchisor, and its successor and assigns, for the term of the Agreement and as provided in the Agreement, that Franchisee shall punctually pay and perform each and every undertaking, agreement and covenant in (1) the Financing Documents and the Franchise Agreement executed between Franchisor and Franchisee and (2) any ancillary agreement executed by Franchisee and Franchisor (or executed by Franchisee in favor of Franchisor) in connection with the Financing Documents and the above referenced Franchise Agreement, including but not limited to any agreement for the purchase of goods or services from Franchisor and any promissory note related to payments made to Franchisor (collectively, the “**Agreements**”); and (b) agree to be personally bound by, and personally liable for, each and every provision in the Agreements, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, without limitation, the requirements pertaining to non-competition, confidentiality, transfers, and dispute resolution.

Each Guarantor waives: (1) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or nonperformance of any obligations guaranteed; (3) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations guaranteed; and (4) any right the Guarantor may have to require that an action be brought against Franchisee or any other person as a condition of liability. Each Guarantor consents and agrees that: (1) such Guarantor’s direct and immediate liability under this guaranty shall be joint and several; (2) such Guarantor shall render any payment or performance required under the Agreements upon demand if Franchisee fails or refuses punctually to do so; (3) liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; and (4) liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence that Franchisor may grant to Franchisee or to any other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guaranty, which shall be continuing and irrevocable during the term of each of the Agreements and following the termination, expiration or transfer of each of the Agreements to the extent any obligations under any such Agreements survive such termination, expiration or transfer.

Depending on the creditworthiness of each Guarantor and the community property laws of the states in which they reside, Franchisor may require that the spouses of one or more Guarantors execute this guaranty as well. Each Guarantor represents and warrants that, if no signature appears below for such Guarantor’s spouse, such Guarantor is either not married or, if married, is a resident of a state that does not require the consent of both spouses to encumber the assets of a marital estate or Franchisor has waived in writing any requirement that such spouse execute this guaranty.

Each Guarantor consents and agrees that:

(a) Guarantor’s liability under this undertaking shall be direct, immediate, and independent of the liability of, and shall be joint and several with, Franchisee and the other owners and Guarantors of Franchisee;

(b) Guarantor shall render any payment or performance required under any of the Agreements upon demand if Franchisee fails or refuses punctually to do so;

(c) This undertaking will continue unchanged by the occurrence of any bankruptcy with respect to Franchisee or any assignee or successor of Franchisee or by any abandonment of one or

more of the Agreements by a trustee of Franchisee. Neither the Guarantor’s obligations to make payment or render performance in accordance with the terms of this undertaking nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee or its estate in bankruptcy or of any remedy for enforcement, resulting from the operation of any present or future provision of the U.S. Bankruptcy Act or other statute, or from the decision of any court or agency;

(d) If no signature appears below for such Guarantor’s spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate. The spouse of the Guarantor, by executing this guaranty, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to the undersigned’s performance of this guaranty;

(e) Franchisor may proceed against Guarantor and Franchisee jointly and severally, or Franchisor may, at its option, proceed against Guarantor, without having commenced any action, or having obtained any judgment against Franchisee. Guarantor waives the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed;

(f) This guaranty shall be governed by and construed in accordance with the laws of the State of Florida; and

(g) Guarantor agrees to pay all reasonable attorneys’ fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this undertaking or any negotiations relative to the obligations hereby guaranteed or in enforcing this undertaking against Guarantor.

Each Guarantor hereby signs and delivers this guaranty effective as of the date of the Financing Documents regardless of the actual date of signature.
